FOR MANOR COMMERCIAL PARK DEVELOPMENT  
(Easy Jet)**

This Development Agreement for Manor Commercial Park Development (the “Agreement”) is made and entered into, effective as of the \_\_\_\_\_ day of \_\_\_\_\_, 2023, by and between the **City of Manor, Texas**, a Texas home rule municipal corporation (the “City”) and **Easy Jet Drive, LP**, a Texas limited partnership (the “Owner”). The City and Owner are hereinafter sometimes referred to as a “Party” and collectively as the “Parties.” The Parties agree as follows:

**RECITALS**

A. Owner owns approximately 8.517 acres of land, more or less, located in Travis County, Texas, being more particularly described in **Exhibit A** attached hereto and incorporated herein for all purposes (the “Property”). The Property is located within the City’s extraterritorial jurisdiction (“ETJ”) and not within the ETJ or corporate limits of any other municipality.

B. Owner will develop the Property as a commercial development project, as provided in this Agreement, and as generally shown on **Exhibit B** attached hereto and incorporated herein for all purposes (the “Project”), which shows the general location of the commercial use area as currently configured.

C. Prior to the Effective Date, Owner submitted an annexation petition covering the Property and it is intended that concurrently herewith, the Property will be annexed into the full purpose jurisdiction of the City.

D. The City shall be the exclusive retail provider of wastewater service to the Property.

E. The Property is not currently served by wastewater facilities.

F. The Parties desire to establish the agreed components of the wastewater infrastructure required for the development and use of the Property pursuant to the Applicable Regulations, as defined below, and the agreed process for the construction, conveyance, and financing thereof on the terms and conditions set forth in this Agreement.

G. Owner requested voluntary annexation of the Property into the corporate boundaries of the City as provided in Section 3.01 herein, to enable the Owner to obtain the benefits of this Agreement, to secure the City’s agreement to provide wastewater to Owner in connection with the conveyance and financing of certain improvements and to define, protect and clarify approvals to be granted with respect to development of the Property pursuant to this Agreement.

H. The Parties desire to establish certain restrictions and commitments to be imposed and made in connection with the development of the Property; to provide increased certainty to the City and Owner concerning development rights, entitlements, arrangements, and commitments, including the obligations and duties of the Owner and the City, for a period of years; and to identify planned

land uses and permitted intensity of development of the Property as provided in this Agreement. The Parties acknowledge that they are proceeding in reliance upon the purposes, intent, effectiveness and enforceability of this Agreement.

I. This Agreement is entered into pursuant to the provisions of the City Charter of the City (“City Charter”) and applicable state law.

## **AGREEMENT**

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

### **Article I. Incorporation of Recitals and Definitions**

1.01. Recitals Incorporated. The above and foregoing recitals are incorporated herein and made a part of this Agreement for all purposes.

1.02. Definitions. Capitalized terms used in this Agreement shall have the meanings set forth in this section, unless otherwise defined, or unless the context clearly requires another definition.

“Agreement” is defined in the preamble hereof and includes any subsequent written amendments or modifications pursuant to Section 11.01 hereof.

“Annexation Ordinance” means Ordinance No. \_\_\_\_\_ covering the Property and including the Property within the City’s full purpose jurisdiction, adopted on even date herewith.

“Applicable Regulations” shall have the meaning set forth in Section 4.01 hereof.

“City Council” means the City Council for the City of Manor, Texas.

“City Manager” means the City Manager of the City of Manor, Texas.

### **Article II. Purpose, Benefits, Authority, Term and Termination**

2.01. Purpose. The City and Owner want to provide for the City to design and construct a wastewater line for wastewater services for use by the Property and other development actions by both Parties.

2.02. General Benefits. Owner will benefit from the certainty and assurance of the development regulations applicable to the development of the Property and by virtue of the wastewater services that will be made available to the Property pursuant to the terms of this Agreement. The City will

provide wastewater service to the Property on the same terms and conditions as such services are provided to similarly situated properties within the City. Owner has voluntarily elected to enter into and accept the benefits of this Agreement and will benefit from: (a) the certainty and assurance of the development and use of the Property in accordance with this Agreement; (b) the establishment of regulations applicable to the development of the Property; and (c) the wastewater services that will be made available to the Property pursuant to the terms of this Agreement. The City will benefit from this Agreement by virtue of its control over the development standards for the Property and by virtue of extension of its wastewater system. The Parties expressly confirm and agree that development of the Property will be best accomplished through this Agreement and will substantially advance the legitimate interests of the City. The City, by approval of this Agreement, further finds the execution and implementation of this Agreement is not inconsistent or in conflict with any of the policies, plans, or ordinances of the City.

2.03. Term of Agreement; Termination. The term of this Agreement shall be five (5) years from the Effective Date. Upon the expiration of this Agreement any and all rights pursuant to this Agreement shall expire; provided this Agreement will terminate and expire earlier if: (a) Owner defaults in the performance of this Agreement and the default is not timely cured as provided in this Agreement; (b) Owner defaults in the performance of any other contract or agreement between the Parties regarding or applicable to the development of the Property and the default is not timely cured within the time provided for cure in this Agreement; (c) the Property is fully developed and built-out by Owner; or (d) the Property is disannexed by the City. The Parties further mutually agree that this Agreement shall be in full force and effect from the Effective Date until the termination date, provided that the City may terminate this Agreement in accordance with Article VII.

### **Article III. Annexation; Sequence of Events**

3.01. Annexation. Owner voluntarily requested that the City approve annexation of the Property by the submission of an annexation petition to the City.

3.02. Disannexation. It is the intent of the Parties to enter into this Agreement to address, among other things, the service of wastewater to the Property through the construction of a Wastewater Line Project by the City. In the event that the City does not construct the Wastewater Line and does not provide a wastewater service connection to the Property by June 30, 2025 (the “Wastewater Service Period”), then the Owner can request, and City will, disannex the Property. Owner agrees not to request any taxes that may be paid to the City during the period the Property is in the City. No monies will be paid by the City whatsoever to Owner in relation to annexation/disannexation. Disannexation is the sole remedy. Owner must request disannexation up to sixty (60) days after the Wastewater Service Period has expired. The ability to request disannexation expires upon the earlier to occur: (1) sixty (60) days after the Wastewater Service Period has expired; or (2) the date the wastewater service connection is provided by the City to the Property.

(b) Except as maybe modified by this Agreement, the Property will be developed in accordance with all applicable local, state, and federal regulations, including but not limited to the City's ordinances applicable to the Property on the date of this Agreement, and such amendments to City ordinances and regulations that that may be applied to the Development under Chapter 245, Texas Local Government Code, and good engineering practices (the "Applicable Regulations").

4.02. Travis County Approvals. The Owner is entitled to develop the Property in compliance with approved or in progress plats and/or plans submitted to Travis County prior to the date of this Agreement.

The wastewater Line Project consists of an extension of a wastewater transmission/collector line (8- inches and 12-inches in diameter) (the “Wastewater Line”) from a proposed 12-inch wastewater line, along a route generally shown on **Exhibit C** and all the appurtenant facilities and equipment reasonably required to operate the Wastewater Line (the “Wastewater Line Project”). The construction of the Wastewater Line Project will comply with the Applicable Regulations, plans and specifications approved by the City, this Agreement, and good engineering practices.

5.02. Timely Construction of Wastewater Line Project. City shall design, construct and install the Wastewater Line in accordance with the terms and conditions of this Agreement at no cost to Owner. The Wastewater Line Project shall be completed by the City on or before June 30, 2025. The City will own, operate and maintain the Wastewater Line and will be responsible for all costs associated with it, except as otherwise provided by this Agreement.

5.03. Wastewater Service.

(a) Service Connections. Upon completion of the Water Line Project, the City will provide wastewater service to the Property, and will approve direct connections for each commercial unit or structure to the City’s wastewater system upon a Certificate of Occupancy being issued for the unit or structure and provide wastewater service for the commercial unit or structure on the same terms and conditions as provided to all other areas of the City; provided that all infrastructure required to serve the Property has been constructed. As used in this Agreement, “direct connection” means a wastewater service line that is directly connected to a wastewater main that ties into a manhole on the Wastewater Line Project.

If Owner rezones the Property to a non-commercial use, the Owner shall be responsible for payment of all applicable Wastewater Impact Fees. If Owner is responsible for paying the Wastewater Impact Fees, the

Wastewater Impact Fees shall be payable with respect to a lot, tract, parcel, or building site at the time the building permit for each building or structure is applied for or, if no building permit is required, then upon the first to occur of the following:(a) the date construction of the building or structure is first commenced, (b) or the date water service is requested for the lot, tract or parcel of land.

(d) Easements. During the design phase of the Wastewater Line Project, the City shall identify any wastewater easements on Owner's property required to be conveyed to the City. Owner shall convey to the City at no cost to the City the easements reasonably required and to the extent possible, free and clear of all liens and encumbrances, within thirty (30) days of written request by the City, using forms acceptable to the City.

Owner's rights and obligations under this Agreement may be assigned by Owner to one (1) or more purchasers of all or part of the Property; provided, the City Council of the City must first approve and consent to any such assignment by the Owner of this Agreement including the assignment of any right or duty of the Owner pursuant to this Agreement, which consent shall not be unreasonably withheld, conditioned or delayed.

6.02. Binding Obligations. This Agreement constitutes a covenant that runs with the Property and is binding on future owners of the Property. The Owner and the City acknowledge and agree that this Agreement is binding upon and inure to the benefit of the parties, their successors, and assigns the City and the Owner and their respective successors, executors, heirs, and assigns, as applicable, for the term of this Agreement.

**Article VII.**  
**Default; Reservation of Rights; Attorney's Fees; Waiver**

7.01. Default. Notwithstanding anything herein to the contrary, no party shall be deemed to be in default hereunder until the passage of fourteen (14) business days after receipt by such party of notice of default from the other party. Upon the passage of fourteen (14) business days without cure of the default, such party shall be deemed to have defaulted for purposes of this Agreement; provided that if the nature of the default is that it cannot reasonably be cured within the fourteen (14) business day period, the defaulting party shall have a longer period of time as may be reasonably necessary to cure the default in question; but in no event more than sixty (60) days. In the event of default, the non-defaulting party to this Agreement may pursue the remedy of specific performance or other equitable legal remedy not inconsistent with this Agreement. All remedies will be cumulative and the pursuit of one authorized remedy will not constitute an election of remedies or a waiver of the right to pursue any other authorized remedy. Notwithstanding any other term or provision of this Agreement, the City may terminate this Agreement if the Owner fails to cure a default within the period required by this Article.

7.02. Reservation of Rights. To the extent not inconsistent with this Agreement, each Party reserves

all rights, privileges, and immunities under applicable laws, and neither Party waives any legal right or defense available under law or in equity. Nothing in this Agreement shall be deemed to waive, modify or amend any legal defense available at law or in equity to either the City or its officers and employees, and neither the City, nor its officers and employees waive, modify or alter to any extent whatsoever the availability of the defense of governmental immunity under the laws of the State of Texas.

7.03. **Attorney's Fees.** A Party shall not be liable to the other Party for attorney fees or costs incurred in connection with any litigation between the parties, in which a Party seeks to obtain a remedy from the other party, including appeals and post judgment awards.

7.04. **Waiver.** Any failure by a Party to insist upon strict performance by the other Party of any provision of this Agreement will not, regardless of length of time during which that failure continues, be deemed a waiver of that Party's right to insist upon strict compliance with all terms of this Agreement. In order to be effective as to a Party, any waiver of default under this Agreement must be in writing, and a written waiver will only be effective as to the specific default and as to the specific period of time set forth in the written waiver. A written waiver will not constitute a waiver of any subsequent default, or of the right to require performance of the same or any other provision of this Agreement in the future.

### **Article VIII. Force Majeure**

8.01. **Definition.** The term "force majeure" as employed herein shall mean and refer to acts of God (which includes natural disasters); strikes, lockouts, or other industrial disturbances; acts of public enemies, orders of any kind of the government of the United States, the State of Texas or any civil or military authority; insurrections; riots; epidemic; pandemic; landslides; lightning, earthquakes; fires, hurricanes; storms, floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions; breakage or accidents to machinery, pipelines, or canals; or other causes not reasonably within the control of the Party claiming such inability.

8.02. **Notice of Default.** If, by reason of force majeure, any party hereto shall be rendered wholly or partially unable to carry out its obligations under this Agreement, then such Party shall give written notice of the full particulars of such force majeure to the other party within ten (10) days after the occurrence thereof. The obligations of the Party giving such notice, to the extent effected by the force majeure, shall be suspended during the continuance of the inability claimed, except as hereinafter provided, but for no longer period, and the Party shall endeavor to remove or overcome such inability with all reasonable dispatch.

8.03. **Settlements and Strikes.** It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the Party having the difficulty, and that the above requirement that any force majeure shall be remedied with all reasonable dispatch shall not require that the settlement be unfavorable in the judgment of the Party having the difficulty.

12.02. No Third Party Beneficiaries. Absent a written agreement between the City and third party providing otherwise, if a default occurs with respect to an obligation of the City under this Agreement, any notice of default or action seeking a remedy for such default must be made by the Owner.

12.03. Severability. Should any court of competent jurisdiction declare or determine that any provisions of this Agreement is invalid or unenforceable under present or future laws, that provision shall be fully severable; this Agreement shall be construed and enforced as if the illegal, invalid, or unenforceable provision had never comprised a part of this Agreement and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance from this Agreement. Furthermore, in place of each such illegal, invalid, or unenforceable provision, there shall be added automatically as a part of this Agreement a provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid, and enforceable. Texas law shall govern the validity and interpretation of this Agreement.
