MARTIN LUTHER KING, III

KEYNOTE SPEAKER

Civil rights advocate and global humanitarian Martin Luther King III is shepherding the healing of our nation and the world, connecting the important lessons of the past with the critical needs of our future and motivating a new generation of authentic leaders. As the oldest son of the late Dr. Martin Luther King Jr. and Mrs. Coretta Scott King, Martin Luther King III is a thought leader on the world stage, a peace maker, and a negotiator on some of today's most critical national and international platforms for social change. Amplifying the work of his father, Mr. King has devoted his life to promoting global human rights and eradicating racism, violence, and poverty – referred to by his father as the “triple evils” and the “scourges of humankind” – on every continent except Antarctica.
