That, **Raymundo Rebollar** ("**Grantor**"), whether one or more, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration, to **Grantor** in hand paid by **City of Manor, Texas**, a Texas home-rule municipality situated in Travis County, Texas ("**Grantee**"), the receipt and sufficiency of which is hereby acknowledged and confessed, and for which no lien or encumbrance, expressed or implied, is retained, has this day GRANTED, SOLD, and CONVEYED and by these presents does GRANT, SELL, and CONVEY unto **Grantee**, a permanent easement for purposes of construction, reconstruction, operation, maintenance, repair, upgrade, and/or removal of wastewater lines, facilities, connections therewith, manholes, vents, and all necessary appurtenances thereto (the "**Project**"), upon, across, under, and through all or any portion of the following described property:

A tract of land consisting of 0.4046 acres, more or less, being more particularly described by metes and bounds and sketch in the attached Exhibit "A," hereby incorporated by reference and made a part hereof for all purposes, with said 0.4046 acre parcel being referred to hereafter as the **Permanent Easement**.

In addition to the rights in the **Permanent Easement**, **Grantor** also hereby grants unto **Grantee** a **Temporary Workspace Easement** over that certain 25' wide strip of land abutting the Permanent Easement to the west being approximately 0.3943 acres in size, more or less, and being depicted graphically on Exhibit "A" as "25' TEMPORARY CONSTRUCTION EASEMENT," for any and all purposes incident to effectuating the **Project**, including but not limited to construction staging, equipment storage, temporary spoil storage, and access. The duration of said **Temporary Workspace Easement** shall not exceed twelve (12) months, commencing upon **Grantee's** commencement of excavation for the **Project** within the **Permanent Easement** and terminating upon the earlier of **Grantee's** completion of the **Project** or the expiration of twelve (12) months from **Grantee's** commencement of work, whichever date first occurs. **Grantee** shall have the right to utilize all materials excavated from the **Permanent Easement** during the **Project** for uses incident to the **Project**.

The right to use the Easements shall belong to the **Grantee** and its agents, employees, designees, contractors, guests, invitees, successors and assigns, and all those acting by or on behalf of it for the purposes of installation, construction, operation, maintenance, monitoring, replacement, upgrading, repairing, or removing in whole or in part, a wastewater pipeline and appurtenances thereto.

Grantee shall have the right to unimpaired ingress and egress, entry and access in, to, through, on, over, under, and across the **Permanent Easement** and **Temporary Workspace Easement**. **Grantee** shall promptly repair any damage to any of **Grantor's** existing roads or surface caused by **Grantee** so as to maintain the roads or surface in as good as or better condition as existed prior to use by **Grantee**.

Grantor may use the Easements for any and all purposes not inconsistent with the purposes set forth in this Agreement, including but not limited to parking, access drives, landscaping, and lighting. **Grantor** may not erect permanent building structures within the **Permanent Easement**, however, and **Grantor** may not use any part of the Easements if such use may otherwise damage, destroy, injure, and/or interfere with **Grantee's** use of the Easements for the purposes for which the Easements are being sought by **Grantee**, in **Grantee's** sole determination.

Grantor shall retain all the oil, gas, and other minerals in, on and under the **Permanent Easement** and **Temporary Workspace Easement**.

Grantee shall have the right to remove any fence which now crosses or may cross the Easements during initial construction of the **Project**. **Grantee** shall replace all such fencing or gates with gates or fencing of the same or better quality, type, and dimension as existed prior to **Grantee's** work.

Grantee agrees that upon completion of construction of the Project, **Grantee** shall remove and dispose of all debris, trash, and litter resulting from construction. **Grantee** shall be obligated to restore the surface of the **Permanent Easement** and the **Temporary Workspace Easement** area at **Grantee's** sole cost and expense as nearly as reasonably possible in **Grantee's** sole determination to the same condition in which the surface was immediately before initial construction, including the restoration of any fencing, sidewalks, landscaping, or similar surface improvements located upon or adjacent to the **Permanent Easement** which may have been removed, relocated, altered, damaged, or destroyed as a result of the **Grantee's** initial use of the easements granted hereunder, except that **Grantee** shall not be obligated to replace trees or vegetation other than groundcover.

This Agreement shall be interpreted in accordance with the laws of the state of Texas and all applicable federal laws (without regard to any conflicts-of-law rule or principle that would require the application of same to the laws of another jurisdiction).

This Agreement contains the entire agreement and supersedes any and all prior oral understandings and/or agreements, if any, concerning the subject of the Agreement.

TO HAVE AND TO HOLD the above-described easement, together with all and singular the rights and appurtenances thereto in anywise belonging unto **Grantee**, and **Grantee's** heirs, executors, administrators, successors and assigns forever; and **Grantor** does hereby bind **Grantor**, their heirs, executors, administrators, successors and assigns to WARRANT AND FOREVER DEFEND all and singular the easement unto **Grantee** and **Grantee's** heirs, executors, administrators, successors and assigns against every person whomsoever lawfully claiming or to claim the same, or any part thereof, together with the privilege at any and all times to enter said premises, or any part thereof, for the purpose of constructing, operating, maintaining, replacing, upgrading and repairing said public wastewater utility lines, and for making connections therewith.
