PROPOSED MEETING DATE: November 5, 2025
PREPARED BY: Michael Burrell, Director
DEPARTMENT: Development Services

AGENDA ITEM DESCRIPTION:

Consideration, discussion, and possible action on a Specific Use Permit for 10,000 square feet in Medical Office space being generally located near the eastern corner of Bois D Arc and the North of US HWY 290 also referred to as 13400 E US HWY 290 Manor, TX.

Applicant: Advantage Construction, LLC
Owner: Advantage Construction, LLC

BACKGROUND/SUMMARY:

The applicant is requesting a specific use permit for 10,000 square feet in medical office space in proximity to another project they are currently constructing. This medical office would have immediate frontage to US HWY 290 and share access with a city lift station. It has been discussed with the developer that the 290 corridor is intended for retail and commercial usage by the City Council's direction. This is the second attempt at this request.

The Planning and Zoning Commission voted to approve this item at the meeting on October 8, and the City Council voted to approve it on October 15th, but the motion failed. It has been brought back for consideration.
