

Manor City Council

2nd Quarterly Report

(Fiscal Year)

Committee:	Community Collaborative Committee		
Starting Date:	January 1, 2025	Ending Date:	March 31, 2025

Committee Members:

Christopher Harvey & Emily Hill

Accomplishments

This year, we had a good start. Our meetings led to our first attempt to participate in the CTX Learning Festival. We had 7-10 vendors, and we called our effort Empower Manor. We didn't have any foot traffic, but that was due to internal staff issues. Overall, a conversation turned into a genuine attempt at building community.

Challenges

We recruited more members but have had trouble with the email system. Staff liaison is no longer with the city.

Needs

Set a meeting for April and May. Find a new staff liaison

Next Quarter Goals:

Discuss Central Texas Learning Festival and membership recruitment, Mayor Badge System/Challenge Coin
