(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Trustee and the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Trustee.

(c) After the delivery of such replacement Bond, if a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the City, the Paying Agent/Registrar or the Trustee in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the

benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.11. Book-Entry Only System.

The Bonds shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the letter of representations from the City to DTC. On the Closing Date, the definitive Bonds shall be issued in the form of a single typewritten certificate for each maturity thereof registered in the name of Cede & Co., as nominee for DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other Person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other Person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Indenture to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the Person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners as shown in the Register, as provided in this Indenture, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the Register, shall receive a certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Indenture. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the registered owner at the close of business on the relevant Record Date, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

Section 3.12. Successor Securities Depository: Transfer Outside Book-Entry-Only System.

In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the letter of representations from the City to DTC, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Indenture.

Section 3.13. Payments to Cede & Co.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the blanket letter of representations from the City to DTC.

(b) At least 45 days prior to each mandatory sinking fund redemption date, and subject to any prior reduction authorized by subparagraphs (c) and (d) of this Section 4.2, the Trustee shall select a principal amount of Bonds (in accordance with Section 4.5) of such maturity equal to the Sinking Fund Installment amount of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6.

(c) The principal amount of Bonds of a Stated Maturity required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the mandatory sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

(d) The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 45 days prior to the mandatory sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.3. Optional Redemption.

The City reserves the right and option to redeem Bonds maturing on or after September 15, 20__, before their respective scheduled maturity dates, in whole or in part, on any date on or after September 15, 20__, such redemption date or dates to be fixed by the City, at the Redemption Price for such Bonds.

Section 4.4. Extraordinary Optional Redemption.

Notwithstanding any provision in this Indenture to the contrary, the City reserves the right and option to redeem Bonds before their respective scheduled maturity dates, in whole or in part, and in an amount and on a date specified in a City Certificate, at the Redemption Price of such Bonds, or portions thereof, to be redeemed plus accrued interest to the date of redemption from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund made pursuant to the terms of this Indenture) or other transfers to the Redemption Fund under the terms of this Indenture, or as a result of unexpended amounts transferred from the Project Fund pursuant to the terms of this Indenture. The City will provide the Trustee a City Certificate directing the Bonds to be redeemed pursuant to this Section 4.4 in accordance with the provisions of Section 4.5 hereof.

Section 4.5. Partial Redemption.

(a) If less than all of the Bonds are to be redeemed pursuant to Section 4.2, 4.3, or 4.4, Bonds shall be redeemed in minimum principal amounts of \$1,000 or any integral multiple thereof. Each Bond shall be treated as representing the number of Bonds that is obtained by dividing the principal amount of such Bond by \$1,000. No redemption shall result in a Bond in a denomination of less than the Authorized Denomination in effect at that time; provided, however, if the amount of the Outstanding Bond is less than an Authorized Denomination after giving effect to such partial redemption, a Bond in the principal amount equal to the unredeemed portion, but not less than \$1,000, may be issued.

(b) In selecting the Bonds to be redeemed pursuant to Section 4.2, the Trustee may select Bonds in any method that results in a random selection.

(c) In selecting the Bonds to be redeemed pursuant to Section 4.3, the Trustee may rely on the directions provided in a City Certificate.

(d) If less than all of the Bonds are called for extraordinary optional redemption pursuant to Section 4.4 hereof, the Bonds or portion of a Bond, as applicable, to be redeemed shall be selected in the following manner:

(i) with respect to a Substantial Amount Redemption, the principal amount called for redemption shall be allocated on a pro rata basis among all Outstanding Bonds; and

(ii) with respect to a Minor Amount Redemption, the Outstanding Bonds shall be redeemed in inverse order of maturity.

(e) Upon surrender of any Bond for redemption in part, the Trustee, in accordance with Section 3.7 of this Indenture, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

Section 4.6. Notice of Redemption to Owners.

(a) Upon written notification by the City to the Trustee of the exercise of any redemption, the Trustee shall give notice of any redemption of Bonds by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register. So long as the Bonds are in book-entry-only form and held by DTC as security depository, references to Owner in this Indenture means Cede & Co., as nominee for DTC.

(b) The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Outstanding Bonds are to be redeemed, and subject to Section 4.5 hereof, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

(d) The City has the right to rescind any optional redemption or extraordinary optional redemption described in Section 4.3 or 4.4 by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and

annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

(e) With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

Section 4.7. Payment Upon Redemption.

(a) The Trustee shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Redemption Fund or otherwise received by the Trustee from the City and shall use such funds solely for the purpose of paying the Redemption Price on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office of the Trustee on or after the date fixed for redemption, the Trustee shall pay the Redemption Price on such Bond to the date of redemption from the moneys set aside for such purpose.

Section 4.8. Effect of Redemption.

Notice of redemption having been given as provided in Section 4.6 of this Indenture, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of the Redemption Price of such Bonds to the date fixed for redemption are on deposit with the Trustee; thereafter, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof; and none of the City, the Trustee, nor the attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed on the Bonds.

The Trustee shall, as directed by the City pursuant to a City Certificate, deposit or cause to be deposited all of that portion of the Assessment Revenue deposited into the Project Collection Fund that consists of the Annual Collection Costs and the Delinquent Collection Costs to the Administrative Fund and, as directed pursuant to a City Certificate, on or before February 20, 2026, and on or before February 20 and August 20 of each year thereafter while the Bonds are Outstanding, deposit or cause to be deposited all of that portion of the Assessment Revenue deposited into the Project Collection Fund that consists of Pledged Revenue into the Pledged Revenue Fund.

(c) If, after the foregoing transfers and any transfer from the Reserve Fund as provided in Section 6.88 herein, there are insufficient funds to make the payments provided in paragraph (b) above, the Trustee shall apply the available funds in the Principal and Interest Account first, to the payment of interest, and second to the payment of principal (including any Sinking Fund Installments) on the Bonds, as described in Section 11.4(a) hereof.

(i) Disbursements from a Zone Improvements Account of the Project Fund or from the Owner Contribution Account of the Project Fund to pay Actual Costs of the Improvement Area #1 Improvements shall be made by the Trustee upon receipt by the Trustee of either a properly executed and completed Certification for Payment or written direction from the City or its designee approving the disbursement to the Developer or the Developer's designee. The disbursement of funds from the applicable Zone Improvements Account or the Owner Contribution Account pursuant to a Certification for Payment, shall be pursuant to and in accordance with the disbursement procedures

described in the Financing Agreement. Such provisions and procedures related to such disbursements contained in the Financing Agreement and the Reimbursement Agreement are herein incorporated by reference and deemed set forth herein in full.

(ii) Each reimbursement for Authorized Improvements shall be in an amount equal to the Amount of Actual Costs for which a Certification of Payment is submitted and that have been documented pursuant to the Financing Agreement, including but not limited to Section 4.02(a), (e), or (f) and (g) as applicable. Each reimbursement shall consist of payment for Actual Costs incurred for Authorized Improvements constructed prior to the closing on the Improvement Area #1 Bonds (“Pre-Closing Actual Costs”) and Actual Costs incurred for Authorized Improvements constructed after the close of the Improvement Area #1 Bonds (“Post-Closing Actual Costs”). Reimbursements made from a Zone Improvements Account shall not include reimbursement or other payment in consideration for Actual Costs allocable to any Future Improvement Area.

(iii) For each request for reimbursement made for the Actual Costs of Authorized Improvements, the amount reimbursed shall consist of a percentage of the eligible reimbursement for Pre-Closing Actual Costs, and a related percentage of the Post-Closing Actual Costs. The percentages of Pre-Closing Actual Costs and Post-Closing Actual Costs to be reimbursed from each disbursement made from the applicable Zone Improvements Account shall be as stated in the Service and Assessment Plan. The percentage of Pre-Closing Actual Costs to be reimbursed shall equal the percentage of the applicable Zone Improvements that are allocable to the Future Improvement Areas as stated in the Service and Assessment Plan. The percentage of Post-Closing Actual Costs to be reimbursed shall be in an amount equal to, but not in consideration for, the percentage of the applicable Zone’s Improvements that are allocable to Improvement Area #1 as stated in the Service and Assessment Plan. The related percentages of the Pre-Closing and Post-Closing Actual Costs to be reimbursed and the total amount of Actual Costs to be reimbursed, and the accounts of the Project Fund from which such reimbursement shall be made, shall be stated in the Certification for Payment or written direction from the City or its designee approving the disbursement to the Developer or the Developer’s designee that is provided to the Trustee to request a disbursement of funds from the Project Fund.

(f) If the City Representative reasonably determines that amounts then on deposit in the applicable Zone Improvements Account of the Project Fund, are not expected to be expended for the purposes of such Zone Improvements Account due to the abandonment, or constructive abandonment, of the applicable Zone Improvements such that it is unlikely that the amounts in the applicable Zone Improvements Account of the Project Fund will ever be expended for the purposes of such Account, the City Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in the applicable Zone Improvements Account of the Project Fund, and the Trustee shall transfer such amounts to the

Redemption Fund to redeem Bonds on the earliest practicable date after notice of redemption has been provided in accordance with the Indenture. The applicable Zone Improvements Account shall be closed upon such transfer.

(g) If the City Representative reasonably determines that amounts then on deposit in the Owner Contribution Account of the Project Fund are not expected to be expended for the purposes of such Owner Contribution Account due to the abandonment, or constructive abandonment, of the Improvement Area #1 Authorized Improvements, such that it is unlikely that the amounts in the Owner Contribution Account of the Project Fund will ever be expended for the purposes of such Account, the City Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in the Owner Contribution Account of the Project Fund and the Trustee shall disburse such amounts to the Developer. The Owner Contribution Account shall be closed upon such transfer. The City shall provide the Developer with 30 days written notice prior to filing a City Certificate under this subsection 6.06(g) of this Indenture.

(h) Upon the filing of a City Certificate stating that all of the Zone Improvements for a Zone have been completed and that all Actual Costs of the Zone Improvements for that Zone have been paid, or that any such Actual Costs of the applicable Zone Improvements are not required to be paid from the applicable Zone Improvements Account, pursuant to a Certification for Payment or written direction from the City or its designee, the Trustee shall transfer the amount, if any, remaining within the applicable Zone Improvements Account of the Project Fund to the Principal and Interest Account of the Bond Fund or to the Redemption Fund to be used to redeem Bonds pursuant to Section 4.4 as directed by the City Representative in a City Certificate filed with the Trustee. Upon such transfer, the Zone Improvements Accounts of the Project Fund shall be closed.

(i) Upon the filing of a City Certificate stating that all of the Zone Improvements have been completed and that all Actual Costs of the Zone Improvements have been paid, or that any such Actual Costs of any of the Zone Improvements are not required to be paid from the Owner Contribution Account, pursuant to a Certification for Payment or written direction from the City or its designee, the Trustee shall disburse the amount, if any, remaining within the Owner Contribution Account of the Project Fund to the Developer. Upon such disbursement, the Owner Contribution Account of the Project Fund shall be closed.

(j) In making any determination pursuant to this Section, the City Representative may conclusively rely upon a certificate of an Independent Financial Consultant.

Section 6.7. Redemption Fund.

(a) The Trustee shall cause to be deposited to the Redemption Fund from the Bond Pledged Revenue Account of the Pledged Revenue Fund an amount sufficient to redeem Bonds as provided in Sections 4.3 and 4.4 on the dates specified for redemption as provided in Sections 4.3 and 4.4. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds as provided in Article 0.

Section 6.8. Reserve Fund.

(a) The City agrees with the Owners of the Bonds to accumulate from the deposits described in Sections 6.2 and 6.4(a) hereof, and when accumulated, maintain in the Reserve Account of the Reserve Fund, an amount equal to not less than the Reserve Account Requirement, except to the extent such deficiency is due to the application of Section 6.8(d) hereof. All amounts deposited in the Reserve Account of the Reserve Fund shall be used and withdrawn by the Trustee for the purpose of making transfers to the Principal and Interest Account of the Bond Fund, as provided in this Indenture.

(b) The Trustee, if needed, will transfer from the Bond Pledged Revenue Account of the Pledged Revenue Fund to the Additional Interest Reserve Account on February 1 and August 1 of each year, commencing February 1, 2026, an amount equal to the Additional Interest collected, if any, until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account. If the amount on deposit in the Additional Interest Reserve Account shall at any time be less than the Additional Interest Reserve Requirement, the Trustee shall notify the City, in writing, of the amount of such shortfall, and the City shall resume collecting the Additional Interest and shall file a City Certificate with the Trustee instructing the Trustee to resume depositing the Additional Interest from the Bond Pledged Revenue Account of the Pledged Revenue Fund into the Additional Interest Reserve Account until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account; provided, however, that the City shall not be required to replenish the Additional Interest Reserve Account in the event funds are transferred from the Additional Interest Reserve Account to the Redemption Fund as a result of an extraordinary optional redemption of Bonds from the proceeds of a Prepayment pursuant to Section 4.4 of this Indenture. In the event the amount on deposit in the Additional Interest Reserve Account is less than the Additional Interest Reserve Requirement, then the deposits described in the immediately preceding sentence shall continue until the Additional Interest Reserve Account has been fully replenished. If, after such deposits, there is surplus Additional Interest remaining, the Trustee shall transfer such surplus Additional Interest to the Redemption Fund and shall notify the City of such transfer in writing. In calculating the amounts to be transferred pursuant to this Section, the Trustee may conclusively rely on the Annual Installments as shown on the Improvement Area #1 Assessment Roll in the Service and Assessment Plan or an Annual Service Plan Update unless and until it receives a City Certificate directing that a different amount be used.

(c) Whenever a transfer is made from an Account of the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

(d) Whenever Bonds are to be redeemed with the proceeds of Prepayments pursuant to Section 4.4, the Trustee shall transfer, on the Business Day prior to the redemption date (or on such other date as agreed to by the City and the Trustee in writing), from the Reserve Account of the Reserve Fund to the Redemption Fund, an amount specified in a City Certificate to be applied to the redemption of the Bonds. The amount so transferred from the Reserve Account of the Reserve Fund shall be equal to the principal amount of

Bonds to be redeemed with Prepayments multiplied by the lesser of: (i) the amount required to be in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds prior to the redemption, and (ii) the amount actually in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayments toward payment of accrued interest, there are insufficient funds in the Redemption Fund to pay the principal amount plus accrued and unpaid interest to the date fixed for redemption of the Bonds to be redeemed, as identified in a City Certificate as a result of such Prepayments and as a result of the transfer from the Reserve Account under this Section 6.8(d), the Trustee shall transfer an amount equal to the shortfall, and/or any additional amounts necessary to permit the Bonds to be redeemed in minimum principal amounts of \$1,000, from the Additional Interest Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds.

(e) Whenever, on any Interest Payment Date, or on any other date at the written request of a City Representative, the amount in the Reserve Account exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the amount of the excess. Such excess shall be transferred to the Principal and Interest Account to be used for the payment of debt service on the Bonds on the next Interest Payment Date in accordance with 5 hereof, unless within 30 days of such notice to the City Representative, the Trustee receives a City Certificate instructing the Trustee to apply such excess: (i) to pay amounts due under Section 6.9 hereof, (ii) to a specified Account of the Project Fund if such application and the expenditure of funds is expected to occur within three years of the Closing Date, or (iii) for such other use specified in such City Certificate if the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such alternate use will not adversely affect the exemption from federal income tax of the interest on any Bond.

(f) Whenever, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds due on such date, the Trustee shall transfer first, from the Additional Interest Reserve Account of the Reserve Fund to the Bond Fund and, second, from the Reserve Account of the Reserve Fund to the Bond Fund the amounts necessary to cure such deficiency.

(g) At the final maturity of the Bonds, the amount on deposit in the Reserve Account and the Additional Interest Reserve Account shall be transferred to the Principal and Interest Account of the Bond Fund and applied to the payment of the principal of the Bonds.

(h) If, after a Reserve Account withdrawal pursuant to Section 6.8(f) hereof, the amount on deposit in the Reserve Account of the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund the amount of such deficiency, in accordance with 0.

(i) If the amount held in the Reserve Fund together with the amount held in the Bond Fund and Redemption Fund is sufficient to pay the principal amount of all Outstanding Bonds on the next Interest Payment Date, together with the unpaid interest accrued on such

Outstanding Bonds as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Outstanding Bonds as of such Interest Payment Date.

Section 6.9. Rebate Fund; Rebate Amount.

(a) There is hereby established a special fund of the City to be designated “City of Manor, Texas, Rebate Fund” (the “Rebate Fund”) to be held by the Trustee in accordance with the terms and provisions of this Indenture. Amounts on deposit in the Rebate Fund shall be used solely for the purpose of paying amounts relating to the Bonds due the United States Government in accordance with the Code.

(b) In order to assure that Rebate Amount is paid to the United States rather than to a third party, investments of funds on deposit in the Rebate Fund shall be made in accordance with the Code and the Tax Certificate.

(c) The Trustee conclusively shall be deemed to have complied with the provisions of this Section and Section 7.5(h) and shall not be liable or responsible if it follows the instructions of the City and shall not be required to take any action under this Section and Section 7.5(h) in the absence of written instructions from the City.

(d) If, on the date of each annual calculation, the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the City may direct the Trustee, pursuant to a City Certificate, to transfer the amount in excess of the Rebate Amount to the Bond Fund.

Section 6.10. Administrative Fund.

(a) On or before February 20, 2026 and on or before February 20 of each year thereafter while the Bonds are Outstanding, the City shall deposit or cause to be deposited to the District Administration Account of the Administrative Fund the amounts collected each year to pay the Annual Collections Costs and Delinquent Collection Costs other than the Annual Collection Costs and Delinquent Collection Costs deposited into the Project Collection Fund, which amounts shall be deposited in accordance with Section 6.3 hereof.

(b) Moneys in the District Administration Account of the Administrative Fund shall be held by the Trustee separate and apart from the other Funds and Accounts created and administered hereunder and used as directed by a City Certificate solely for the purposes set forth in the Service and Assessment Plan.

Section 6.11. Investment of Funds.

(a) Money in any Fund or Account established pursuant to this Indenture shall be invested by the Trustee, as directed by the City pursuant to a City Certificate, filed with the Trustee at least two days in advance of the making of such investment. The money in any Fund or Account shall be invested in time deposits or certificates of deposit secured in the manner required by law for public funds, or be invested in direct obligations of, including obligations

the principal and interest on which are unconditionally guaranteed by, the United States of America, in obligations of any agencies or instrumentalities thereof, or in such other investments as are permitted under the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, or any successor law, as in effect from time to time; provided that all such deposits and investments shall be made in such manner (which may include repurchase agreements for such investment with any primary dealer of such agreements) that the money required to be expended from any Fund will be available at the proper time or times. Notwithstanding the preceding sentence, amounts in the Additional Interest Reserve Account may not be invested above the Yield (as defined in Section 7.5(a) hereof) on the Bonds, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such investment and/or the failure to comply with such yield restriction will not adversely affect the exemption from federal income tax of the interest on any Bond. Investments shall be valued each year in terms of current market value as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds or Accounts may be invested in common investments of the kind described above, or in a common pool of such investment which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund or Account are held by or on behalf of each such Fund or Account. If necessary, such investments shall be promptly sold to prevent any default. To ensure that cash on hand is invested, if the City does not give the Trustee written or timely instructions with respect to investments of funds, the Trustee is hereby directed to invest and re-invest cash balances in Morgan Stanley Government Fund, 8352 (CUSIP 61747C889); provided, however, that money required to be expended from any Fund or Account will be available at the proper time or times.

(b) Obligations purchased as an investment of moneys in any Fund or Account shall be deemed to be part of such Fund or Account, subject, however, to the requirements of this Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in this Indenture any moneys are required to be transferred by the City to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities.

(c) The Trustee and its affiliates may act as sponsor, advisor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee shall have no investment discretion and the Trustee's only responsibility for investments shall be to follow the written instructions contained in any City Certificate. The Trustee shall not incur any liability for losses arising from any investments made pursuant to this Section. The Trustee shall not be required to determine the suitability or legality of any investments or whether investments comply with Section 6.11(a) above. The parties acknowledge that the Trustee is not providing investment supervision, recommendations, or advice.

(d) Investments in any and all Funds and Accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular

Funds or Accounts of amounts received or held by the Trustee hereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds and Accounts to which they are credited and otherwise as provided in this Indenture.

(e) The Trustee will furnish the City and the Administrator monthly cash transaction statements which include detail for all investment transactions made by the Trustee hereunder; and, unless the Trustee receives a written request, the Trustee is not required to provide brokerage confirmations so long as the Trustee is providing such monthly cash transaction statements.

(f) The Trustee may conclusively rely on City Certificates pursuant to Section 6.11(a) that such an investment will comply with the City's investment policy and with the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended.

Section 6.12. Security of Funds.

All Funds or Accounts heretofore created, to the extent not invested as herein permitted, shall be secured in the manner and to the fullest extent required by law for the security of public funds, and such Funds or Accounts shall be used only for the purposes and in the manner permitted or required by this Indenture.

ARTICLE 7
COVENANTS

Section 7.1. Confirmation of Assessments.

The City hereby confirms, covenants, and agrees that the Improvement Area #1 Assessments to be collected from the Improvement Area #1 Assessed Property are as so reflected in the Service and Assessment Plan (as it may be updated from time to time) and, in accordance with the Improvement Area #1 Assessment Ordinance, it has levied the assessments against the respective assessed property from which the Pledged Revenues will be collected and received.

Section 7.2. Collection and Enforcement of Assessments.

(a) For so long as any Bonds are Outstanding, the City covenants, agrees and warrants that it will take and pursue all actions permissible under Applicable Laws to cause the Improvement Area #1 Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws to cause no reduction, abatement or exemption in the Improvement Area #1 Assessments.

(b) The City will determine or cause to be determined, no later than February 1 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district

court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent assessment or the corresponding assessed property. Furthermore, nothing shall obligate the City, the City Attorney, or any appropriate designee to undertake collection or foreclosure actions against delinquent accounts in violation of applicable state law, court order, or existing contractual provisions between the City and its appropriate collections enforcement designees.

Section 7.3. Against Encumbrances.

(a) Other than Refunding Bonds, the City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance or charge upon the Trust Estate, other than that specified in Section 9.6 of this Indenture, or upon any other property pledged under this Indenture, except the pledge created for the security of the Bonds, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

(b) So long as Bonds are Outstanding hereunder, and except as set forth in Section 13.2 hereof, the City shall not issue any bonds, notes or other evidences of indebtedness other than the Bonds and Refunding Bonds, if any, secured by any pledge of or other lien or charge on the Trust Estate or other property pledged under this Indenture except for a lien or pledge subordinate to the lien and pledge of such property related to the Bonds or indebtedness incurred in compliance with Section 13.2 hereof.

Section 7.4. Records, Accounts, Accounting Reports.

The City hereby covenants and agrees that so long as any of the Bonds or any interest thereon remain Outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the Assessments. The Trustee and the Owners of any Bonds or any duly authorized agent or agents of such holders shall have the right at all reasonable times to inspect all such records, accounts, and data relating thereto, upon written request to the City by the Trustee or duly authorized representative, as applicable. The City shall provide the Trustee or duly authorized representative, as applicable, an opportunity to inspect such books and records relating to the Bonds during the City's regular business hours and on a mutually agreeable date not later than 30 days after the City receives such request.

Section 7.5. Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

“*Closing Date*” means the date on which the Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

“*Code*” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

“*Computation Date*” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“*Gross Proceeds*” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

“*Investment*” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“*Nonpurpose Investment*” means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

“*Regulations*” means any proposed, temporary or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“*Yield*” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(i) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan.

(i) Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(ii) The City covenants and agrees that the levied Assessments will meet the requirements of the “tax assessment loan exception” within the meaning of Section 1.141-5(d) of the Regulations on the date the Bonds are delivered and will ensure that the Assessments continue to meet such requirements for so long as the Bonds are outstanding hereunder.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested) if, as a result of such investment, the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take

any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall, pursuant to a City Certificate, direct the Trustee to transfer to the Rebate Fund from the funds or subaccounts designated in such City Certificate and direct the Trustee to pay to the United States from the Rebate Fund the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, 100% of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, 90% of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within 180 days after discovery of the error), including

payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Secretary, City Manager, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Tax Certificate or similar or other appropriate certificate, form or document.

ARTICLE 8 LIABILITY OF CITY

Section 8.1. Liability of City.

The City shall not incur any responsibility in respect of the Bonds or this Indenture other than in connection with the duties or obligations explicitly herein or in the Bonds assigned to or imposed upon it. The City shall not be liable in connection with the performance of its duties hereunder, except for its own willful default or act of bad faith. The City shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions covenants or agreements of the Trustee herein or of any of the documents executed by the Trustee in connection with the Bonds, or as to the existence of a default or event of default thereunder.

In the absence of bad faith, the City may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the City and conforming to the requirements of this Indenture. The City shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

No provision of this Indenture, the Bonds, the Improvement Area #1 Assessment Ordinance, or any agreement, document, instrument, or certificate executed, delivered or approved in connection with the issuance, sale, delivery, or administration of the Bonds (the "Bond Documents"), shall require the City to expend or risk its own general funds or otherwise incur any financial liability (other than with respect to the Trust Estate and the Annual Collections Costs) in the performance of any of its obligations hereunder, or in the exercise of any of its rights or powers, if in the judgment of the City there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it.

Neither the Owners nor any other Person shall have any claim against the City or any of its officers, officials, agents, or employees for damages suffered as a result of the City's failure to perform in any respect any covenant, undertaking, or obligation under any Bond Documents or as a result of the incorrectness of any representation in, or omission from, any of the Bond Documents, except to the extent that any such claim relates to an obligation, undertaking, representation, or covenant of the City, in accordance with the Bond Documents and the PID Act. Any such claim shall be payable only from the Trust Estate, the funds available for such payment in any of the Pledged Funds, if any, or the amounts collected to pay Annual Collections Costs on deposit in the Administrative Fund. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the City or any of its officers, officials, agents, or employees to enforce the provisions of any of the Bond Documents or to enforce all rights of the Owners of the Bonds by mandamus or other proceeding at law or in equity.

The City may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The City may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Indenture, the City shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the City, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector, the City Manager or other person designated by the City Council to so act on behalf of the City, and such certificate shall be full warrant to the City for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its discretion the City may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

In order to perform its duties and obligations hereunder, the City may employ such persons or entities as it deems necessary or advisable. The City shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

ARTICLE 9 THE TRUSTEE

Section 9.1. Trustee as Paying Agent/Registrar.

The Trustee is hereby designated and agrees to act as Paying Agent/Registrar for and in respect to the Bonds. The Trustee hereby accepts and agrees to execute the respective trusts imposed upon by this Indenture, but only upon the express terms and conditions, and subject to

the provisions hereof to all of which the parties hereto and the Owners of the Bonds agree. No implied covenants or obligations shall be read into this Indenture against the Trustee.

Section 9.2. Trustee Entitled to Indemnity.

The Trustee shall be under no obligation to spend its own funds, to institute any suit, or to undertake any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified, to the extent permitted by law, to its satisfaction against any and all costs and expenses, outlays, and counsel fees and other reasonable disbursements, and against all liability except to the extent the same shall have been finally adjudicated by a court of competent jurisdiction to have directly resulted from its own negligence or willful misconduct; provided, however, the Trustee may not request nor require indemnification as a condition to making any deposits, payments, or transfers when required hereunder, or delivering any notice when required hereunder. Nevertheless, the Trustee may begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as the Trustee, without indemnity, and in such case the Trustee may make transfers from the District Administration Account of the Administrative Fund, and to the extent money in the Administrative Fund is insufficient, from the Pledged Revenue Fund, to pay all costs, fees and expenses, outlays, and counsel fees and other reasonable disbursements properly incurred in connection therewith and shall, to the extent permitted by law, be entitled to a preference therefor over any Bonds Outstanding hereunder.

Section 9.3. Responsibilities of the Trustee.

The Trustee accepts the trusts imposed upon it by this Indenture, and agrees to observe and perform those trusts, but only upon and subject to the terms and conditions set forth in this Article, to all of which the parties hereto and the Owners agree.

(a) Prior to the occurrence of an Event of Default of which the Trustee has been notified, and after the cure or waiver of all defaults or Events of Default which may have occurred,

(i) the Trustee undertakes to perform only those duties and obligations which are set forth specifically and expressly in this Indenture, and no duties or obligations shall be implied to the Trustee. These duties shall be deemed purely ministerial in nature, and the Trustee shall not be liable except for its gross negligence or willful misconduct in the performance of such duties, and no implied covenants shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may rely conclusively, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming on their face to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are required specifically to be furnished to the Trustee, the

Trustee shall be under a duty to examine the same to determine whether or not they conform on their face to the requirements of this Indenture.

(b) In case an Event of Default has occurred and is continuing hereunder (of which the Trustee has notice in accordance with Section 9.3(k) hereof), the Trustee shall exercise those rights and powers vested in it by this Indenture and shall use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that:

(i) this subparagraph shall not be construed to affect the limitation of the Trustee's duties and obligations provided in subparagraph (a)(1) of this Section or the Trustee's right to rely on the truth of statements and the correctness of opinions as provided in subparagraph (a)(2) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by any one of its officers, employees, or agents, unless it shall be established that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the controlling Owners relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not assured to it.

(d) The recitals contained in this Indenture and in the Bonds shall be taken as the statements of the City and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of the offering documents, this Indenture, or the Bonds or with respect to the security afforded by this Indenture, and the Trustee shall incur no liability with respect thereto. Except as otherwise expressly provided in this Indenture, the Trustee shall have no responsibility or duty with respect to: (i) the issuance of Bonds for value; (ii) the application of the proceeds thereof, except to the extent that such proceeds are received by it in its capacity Trustee; (iii) the application of any moneys paid to the City or others in accordance with this Indenture, except as to the application of any moneys paid to it in its capacity as Trustee; or (iv) any calculation of arbitrage or rebate under the Code; (v) any loss suffered in connection with any investment of funds in accordance with this Indenture; or (vi) to undertake any other action

unless authorized pursuant to a City Certificate or this Indenture. The Trustee has the right to act through agents and attorneys and shall have no liability for the negligence or willful misconduct of the agents and attorneys appointed by it with due care.

(e) The duties and obligations of the Trustee shall be determined by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture.

(f) The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for its own negligence or willful misconduct. In no event shall the Trustee be liable for incidental, indirect, special, punitive or consequential damages (including, but not limited to, loss of profit) in connection with or arising from this Indenture for the existence, furnishing or use of the Improvement Area #1 Improvements, irrespective of whether the Trustee has been advised of the likelihood of such loss or damage regardless of the form of action. The Trustee will not be liable with respect to any action taken or omitted to be taken in good faith in accordance with the written direction of the Owners of not less than a majority in principal amount of the Bonds then Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(g) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall be entitled to rely and act upon the opinion or advice of counsel, including counsel to the City, concerning all matters of trust hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such agents, attorneys, and receivers as may reasonably be employed in connection with the trusts hereof. The Trustee shall not be responsible for any loss or damage resulting from any action or nonaction by it taken or omitted to be taken in good faith in reliance upon such opinion or advice of counsel.

(h) Except for its certificate of authentication on the Bonds, the Trustee shall not be responsible for:

(i) the validity, priority, recording, re-recording, filing or re-filing of this Indenture or any Supplemental Indenture,

(ii) any instrument or document of further assurance or collateral assignment,

(iii) the filing of any financing statements, amendments thereto or continuation statements,

(iv) insurance of the Improvement Area #1 Improvements or collection of insurance money,

(v) the validity of the execution by the City of this Indenture, any Supplemental Indenture or instruments or documents of further assurance, or

(vi) the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby.

(i) The Trustee shall not be accountable for the application by any Person of the proceeds of any Bonds authenticated or delivered hereunder; provided the Trustee follows the written instructions provided by the City with respect to the use of the proceeds of the Bonds.

(j) The Trustee may request, conclusively rely on and shall be protected, in the absence of bad faith or gross negligence on its part, in acting upon any notice, request, direction, consent, certificate, order, affidavit, letter, telegram or other paper or document reasonably believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons. Any action taken by the Trustee pursuant to this Indenture upon the direction, request, authority or consent of any Person who is the Owner of any Bonds at the time of making the request or giving the authority or consent, shall be conclusive and binding upon all future Owners of the same Bond and of Bonds issued in exchange therefor or in place thereof.

(k) The Trustee shall not be required to take notice, and shall not be deemed to have notice, of any default or Event of Default, except Events of Default described in Section 11.1(a), (i), (iii), and (iv), unless the Trustee shall be notified specifically of the default or Event of Default in a written instrument or document delivered to it by the City or by the Owners of more than 50% of the aggregate outstanding principal amount of Bonds. In the absence of delivery of a notice satisfying those requirements, the Trustee may assume conclusively that there is no Event of Default, except as noted above.

(l) The Trustee shall not be required to give any bond or surety with respect to the execution of these trusts and powers or otherwise in respect of the premises.

(m) Any resolution by the City, and any opinions, certificates and other instruments and documents for which provision is made in this Indenture, may be accepted by the Trustee, in the absence of bad faith on its part, as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for its actions taken hereunder.

(n) The Trustee shall be entitled to file proofs of claim in bankruptcy at the direction of no less than 50% of the Owners. Ordinary trustee and paying agent/registrar fees and expenses and extraordinary fees and expenses of the Trustee and the Paying Agent/Registrar incurred hereunder are intended to constitute administrative expenses in bankruptcy.

(o) The Trustee's immunities and protections from liability and its right to indemnification in connection with the performance of its duties under this Indenture shall extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and rights to indemnification, together with the Trustee's right to

compensation shall survive the Trustee's resignation or removal, the discharge of this Indenture, and final payment of the Bonds.

(p) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit), irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(q) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds, except for any information provided by the Trustee, and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

(r) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and, with respect to such permissive rights, the Trustee shall not be answerable for other than its negligence or willful misconduct.

(s) The Trustee shall not be responsible or liable for the environmental condition or any contamination of the Improvement Area #1 Improvements or any real property or improvements related thereto or for any diminution in value of the same as a result of any contamination by any hazardous substance, hazardous material, pollutant or contaminant. The Trustee shall not be liable for any claims by or on behalf of the Owners or any other person or entity arising from contamination by any hazardous substance, hazardous material, pollutant or contaminant, and shall have no duty or obligation to assess the environmental condition of the Improvement Area #1 Improvements or any real property or improvements related thereto or with respect to compliance thereof under state or federal laws pertaining to the transport, storage, treatment or disposal of, hazardous substances, hazardous materials, pollutants, or contaminants or regulations, permits or licenses issued under such laws.

(t) Neither the Trustee nor any of its directors, officers, employees, agents or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the City, or any of its directors, members, officers, agents, affiliates or employee, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Trustee may assume performance by all such Persons of their respective obligations. The Trustee shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other person.

(u) In the event that any assets held hereunder shall be attached, garnished or levied upon by any court order, or the delivery thereof shall be stayed or enjoined by an order of a court, or any order, judgment or decree shall be made or entered by any court order affecting such assets, the Trustee is hereby expressly authorized, in its sole discretion, to respond as it deems appropriate or to comply with all writs, orders or decrees so entered or issued, or which it is advised by legal counsel of its own choosing is binding upon it, whether with or without jurisdiction. In the event that the Trustee obeys or complies with any such writ, order or decree it shall not be liable to any of the Parties or to any other person, firm or

corporation, should, by reason of such compliance notwithstanding, such writ, order or decree be subsequently reversed, modified, annulled, set aside or vacated.

(v) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its control, including without limitation, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility.

Section 9.4. Property Held in Trust.

All moneys and securities held by the Trustee at any time pursuant to the terms of this Indenture shall be held by the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

Section 9.5. Trustee Protected in Relying on Certain Documents.

The Trustee may request and conclusively rely and shall be protected in acting or refraining from acting upon any resolution, order, notice, request, consent, waiver, certificate, statement, instrument, opinion, report, direction, affidavit, requisition, bond, debenture, note or other document provided to the Trustee in accordance with the terms of this Indenture that it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or Person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the written opinion of any counsel, architect, engineer, insurance consultant, management consultant, or accountant reasonably believed by the Trustee to be qualified in relation to the subject matter, and the Trustee shall be under no duty to make any investigation or inquiry into any statements contained or matters referred to in any such instrument. Subject to Sections 9.1 and 9.3 hereof, the Trustee may consult with counsel, selected by the Trustee with due care, who may or may not be Bond Counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered, or omitted to be taken by it in good faith and in accordance therewith.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter may be deemed to be conclusively proved and established by a City Certificate, unless other evidence in respect thereof be hereby specifically prescribed. Such City Certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof, but in its sole discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice, or other direction required or permitted to be

furnished pursuant to any provision hereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by the City Representative.

The Trustee shall not be under any obligation to see to the recording or filing of this Indenture, or otherwise to the giving to any Person of notice of the provisions hereof except as expressly required in Section 9.13 herein.

Section 9.6. Compensation.

Unless otherwise expressly provided by written contract with the Trustee, the Trustee shall transfer from the District Administration Account of the Administrative Fund, from time to time, reasonable compensation for all services rendered by it hereunder, including its services as Paying Agent/Registrar, together with all its reasonable expenses, charges, and other disbursements and those of its counsel, agents and employees, incurred in and about the administration and execution of the trusts hereby created and the exercise of its powers and the performance of its duties hereunder, subject to any limit on the amount of such compensation or recovery of expenses or other charges as shall be prescribed by specific agreement, and the Trustee shall have a lien therefor on any and all funds at any time held by it in the Administrative Fund. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if in the judgment of the Trustee there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it. If the City shall fail to make any payment required by this Section, the Trustee may make such payment from any moneys in its possession in the Administrative Fund, and to the extent money in the Administrative Fund is insufficient, from the Pledged Revenue Fund.

In the event that the Trustee renders any service not contemplated in this Indenture, or if any material controversy arises hereunder, or the Trustee is made a party to any litigation pertaining to this Indenture or the subject matter hereof, then the Trustee shall be compensated from any and all funds at any time held by it for such extraordinary services and any services or work performed by Trustee in connection with any delay, controversy, litigation or event, and reimbursed for all costs and expenses, including reasonable attorneys' fees and expenses, occasioned by any such delay, controversy, litigation or event.

Section 9.7. Permitted Acts.

The Trustee and its directors, officers, employees, or agents may become the owner of or may in good faith buy, sell, own, hold and deal in Bonds and may join in any action that any Owner of Bonds may be entitled to take as fully and with the same rights as if it were not the Trustee. The Trustee may act as depository, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the City or any committee formed to protect the rights of Owners or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not such committee shall represent the Owners of a majority in aggregate outstanding principal amount of the Bonds.

Section 9.8. Resignation of Trustee.

The Trustee may at any time resign and be discharged of its duties and obligations hereunder by giving not fewer than 30 days' written notice, specifying the date when such resignation shall take effect, to the City and each Owner of any Outstanding Bond. Such resignation shall take effect upon the appointment of a successor as provided in Section 9.10 and the acceptance of such appointment by such successor.

Section 9.9. Removal of Trustee.

The Trustee may be removed at any time on 30 days' advance written notice to the Trustee by (i) the Owners of at least a majority of the aggregate Outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or by their attorneys-in-fact, duly authorized and delivered to the City, or (ii) the City, so long as the City is not in default under this Indenture. Copies of each such instrument shall be delivered by the City to the Trustee and any successor thereof. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the City or the Owners of not less than 10% of the aggregate Outstanding principal of the Bonds.

Section 9.10. Successor Trustee.

(a) If the Trustee shall resign, be removed, be dissolved, or become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the position of the Trustee hereunder shall thereupon become vacant.

(b) If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason, a successor Trustee may be appointed within one year after any such vacancy shall have occurred by the Owners of at least 25% of the aggregate outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or their attorneys-in-fact, duly authorized and delivered to such successor Trustee, with notification thereof being given to the predecessor Trustee and the City.

(c) Unless such successor Trustee shall have been appointed by the Owners of the Bonds, the City shall forthwith (and in no event in excess of 30 days after such vacancy occurs) appoint a Trustee to act hereunder. Copies of any instrument of the City providing for any such appointment shall be delivered by the City to the Trustee so appointed. The City shall mail notice of any such appointment to each Owner of any Outstanding Bonds within 30 days after such appointment. Any appointment of a successor Trustee made by the City immediately and without further act shall be superseded and revoked by an appointment

subsequently made by the Owners of Bonds in accordance with the immediately preceding paragraph.

(d) If in a proper case no appointment of a successor Trustee shall be made within 45 days after the giving by any Trustee of any notice of resignation in accordance with Section 9.8 herein or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Owner of Bonds may apply to any court of competent jurisdiction for the appointment of such a successor, and the court may thereupon, after such notice, if any, as the court may deem proper, appoint such successor and the City shall be responsible for the costs of such appointment process.

(e) Any successor Trustee appointed under the provisions of this Section shall be a commercial bank or trust company or national banking association (i) having a capital and surplus and undivided profits aggregating at least \$50,000,000, if there be such a commercial bank or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms, and (ii) authorized by law to perform all the duties of the Trustee required by this Indenture.

(f) Each successor Trustee shall mail, in accordance with the provisions of the Bonds, notice of its appointment to the Trustee, any rating agency which, at the time of such appointment, is providing a rating on the Bonds and each of the Owners of the Bonds.

(g) Trustee shall not be responsible for or liable for the acts or omissions of any successor trustee, nor shall it be responsible or liable for any costs of appointment or transition of such successor trustee.

Section 9.11. Transfer of Rights and Property to Successor Trustee.

Any successor Trustee appointed under the provisions of Section 9.10 shall execute, acknowledge, and deliver to its predecessor and the City an instrument in writing accepting such appointment, and thereupon such successor, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, immunities, powers, duties, obligations, and trusts of its predecessor hereunder, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request of the City or of such successor, and upon payment of amounts owing to it hereunder, execute, acknowledge, and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the rights, immunities, powers, and trusts of such Trustee and all the right, title, and interest of such Trustee in and to the Trust Estate, and shall pay over, assign, and deliver to such successor any moneys or other properties subject to the trusts and conditions herein set forth. Should any deed, conveyance, or instrument in writing from the City be required by such successor for more fully and certainly vesting in and confirming to it any such moneys, estates, properties, rights, powers, duties, or obligations, any and all such deeds, conveyances, and instruments in writing, on request and so far as may be authorized by law, shall be executed, acknowledged, and delivered by the City.

Section 9.12. Merger, Conversion or Consolidation of Trustee.

Any corporation or association into which the Trustee may be merged or with which it may be consolidated or any corporation or association resulting from any merger, conversion or consolidation to which it shall be a party or any corporation or association to which the Trustee may sell or transfer all or substantially all of its corporate trust business shall be the successor to such Trustee hereunder and will have and succeed to the rights, powers, duties, immunities, and privileges as predecessor, without any further act, deed or conveyance, provided that such corporation or association shall be a commercial bank or trust company or national banking association qualified to be a successor to such Trustee under the provisions of Section 9.10, or a trust company that is a wholly-owned subsidiary of any of the foregoing.

Section 9.13. Trustee to File Continuation Statements.

If necessary, pursuant to written direction by the City, the Trustee shall file or cause to be filed, such continuation statements as are delivered to the Trustee by the City, or on behalf of the City, and which may be required by the Texas Uniform Commercial Code, as from time to time in effect (the "UCC"), in order to continue perfection of the security interest of the Trustee in such items of tangible or intangible personal property and any fixtures as may have been granted to the Trustee pursuant to this Indenture in the time, place and manner required by the UCC. Under no circumstances shall the Trustee have an obligation or responsibility to file such financing statements or continuation statements except as provided in this Section.

Section 9.14. Construction of Indenture.

The Trustee may construe any of the provisions of this Indenture insofar as the same may appear to be ambiguous or inconsistent with any other provision hereof, and any construction of any such provisions hereof by the Trustee in good faith shall be binding upon the Owners of the Bonds. Permissive rights of the Trustee are not to be construed as duties.

ARTICLE 10
MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 10.1. Amendments Permitted.

(a) This Indenture and the rights and obligations of the City and of the Owners of the Bonds may be modified or amended at any time by a Supplemental Indenture, except as provided below, pursuant to the affirmative vote at a meeting of Owners of the Bonds, or with the written consent without a meeting, of the Owners of at least 51% of the aggregate principal amount of the Bonds then Outstanding. No such modification or amendment shall (i) extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of, and the interest and any premium on, any Bond, without the express consent of the Owner of such Bond, or (ii) permit the creation by the City of any pledge or lien upon the Trust Estate superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as otherwise permitted by Applicable Laws and this Indenture), or reduce the percentage of Owners of Bonds required

for the amendment hereof. Any such amendment may not modify any of the rights or obligations of the Trustee without its written consent.

(b) This Indenture and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Indenture, without the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

(i) to add to the covenants and agreements of the City in this Indenture contained, other covenants and agreements thereafter to be observed, or to limit or surrender any right or power herein reserved to or conferred upon the City;

(ii) to make modifications not adversely affecting any Outstanding Bonds in any material respect;

(iii) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in regard to questions arising under this Indenture, as the City and the Trustee may deem necessary or desirable and not inconsistent with this Indenture, and that shall not adversely affect the rights of the Owners of the Bonds;

(iv) to provide for the issuance of Refunding Bonds, as set forth in Section 13.2 hereof;

(v) to appoint or accept a successor trustee in accordance with the provisions of Section 9.10 hereof; provided, however, in no event shall this provision limit the Owners ability to appoint a successor trustee pursuant to Section 9.10(b) hereof; and

(vi) to make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds.

(c) Any modification or amendment made pursuant to Section 10.2(b) shall not be subject to the notice procedures specified in Section 10.3 below.

(d) Notwithstanding the above, no Supplemental Indenture under of this Section shall be effective unless the City first delivers to the Trustee an opinion of Bond Counsel to the effect that such amendment or supplement: (i) is permitted under Applicable Laws and the provisions of this Indenture in effect after taking into account the proposed amendment or supplement; (ii) will not adversely affect the interests of the Owners in any material respect; provided, however, that an appointment of a successor trustee in accordance with the provisions hereof and the issuance of Refunding Bonds in accordance with the provisions of Section 13.2 hereof are each deemed to not be a material adverse effect for purposes of such opinion; and (iii) will not adversely affect the exclusion of interest on any Bond from gross income for purposes of federal income taxation.

Section 10.2. Owners' Meetings.

The City may at any time call a meeting of the Owners of the Bonds. In such event the City is authorized to fix the time and place of said meeting and to provide for the giving of notice thereof, and to fix and adopt rules and regulations for the conduct of said meeting.

Section 10.3. Procedure for Amendment with Written Consent of Owners.

The City and the Trustee may at any time adopt a Supplemental Indenture amending the provisions of the Bonds or of this Indenture, to the extent that such amendment is permitted by Section 10.1 herein, to take effect when and as provided in this Section. A copy of such Supplemental Indenture, together with a request to Owners for their consent thereto, shall be mailed by first-class mail, by the Trustee to each Owner of Bonds from whom consent is required under this Indenture, but failure to mail copies of such Supplemental Indenture and request shall not affect the validity of the Supplemental Indenture when assented to as in this Section provided.

Such Supplemental Indenture shall not become effective unless there shall be filed with the Trustee the written consents of the Owners as required by this Indenture and a notice shall have been mailed as hereinafter in this Section provided and the City or Bond Counsel, acting on the City's behalf, has delivered to the Trustee an opinion of Bond Counsel to the effect that such amendment is permitted and will not adversely affect the exclusion of interest on any Bond from gross income for purposes of federal income taxation. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given, which proof shall be such as is permitted by Section 11.6 herein. Any such consent shall be binding upon the Owner of the Bonds giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof), unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Bonds shall have filed their consents to the Supplemental Indenture, the City shall mail a notice to the Owners in the manner hereinbefore provided in this Section for the mailing of the Supplemental Indenture, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required percentage of Bonds and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Indenture or consents thereto). Proof of the mailing of such notice shall be filed with the Trustee. The City shall be deemed to have met its obligation to mail notice of the Owners' consents if DTC or Cede & Co, as nominee for DTC confirms by email or other written documentation that it has provided notice to the Owners by electronic means in the manner by which it regularly and customarily provides notices to the owners of securities held by DTC. A record, consisting of the papers required by this Section 10.3 to be filed with the Trustee, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Indenture shall become effective upon the filing with the Trustee of the proof of mailing of such notice, and the Supplemental Indenture shall be deemed conclusively binding (except as otherwise hereinabove specifically provided in this Article) upon the City and the Owners of all Bonds at the expiration of 60 days after such filing, except in the

event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty-day period.

Section 10.4. Effect of Supplemental Indenture.

From and after the time any Supplemental Indenture becomes effective pursuant to this Article X, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties, and obligations under this Indenture of the City, the Trustee, and all Owners of Outstanding Bonds shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 10.5. Endorsement or Replacement of Bonds Issued After Amendments.

The City may determine that Bonds issued and delivered after the effective date of any action taken as provided in this Article X shall bear a notation, by endorsement or otherwise, in form approved by the City, as to such action. In that case, upon demand of the Owner of any Bond Outstanding at such effective date and presentation of the Bond for that purpose at the designated office of the Trustee or at such other office as the City may select and designate for that purpose, a suitable notation shall be made on such Bond. The City may determine that new Bonds, so modified as in the opinion of the City is necessary to conform to such Owners' action, shall be prepared, executed, and delivered. In that case, upon demand of the Owner of any Bonds then Outstanding, such new Bonds shall be exchanged at the designated office of the Trustee without cost to any Owner, for Bonds then Outstanding, upon surrender of such Bonds.

Section 10.6. Amendatory Endorsement of Bonds.

The provisions of this Article X shall not prevent any Owner from accepting any amendment as to the particular Bonds held by such Owner, provided that due notation thereof is made on such Bonds.

Section 10.7. Waiver of Default.

With the written consent of at least a majority of the Owners in aggregate principal amount of the Bonds then Outstanding, the Owners may waive non-compliance by the City with certain past defaults under the Indenture and their consequences. Any such consent shall be conclusive and binding upon the Owners and upon all future Owners.

Section 10.8. Execution of Supplemental Indenture.

In executing, or accepting the additional trusts created by, any Supplemental Indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee shall receive, and shall be fully protected in relying upon, an opinion of counsel

addressed and delivered to the Trustee and the City stating that the execution of such Supplemental Indenture is permitted by and in compliance with this Indenture. The Trustee may, but shall not be obligated to, enter into any such Supplemental Indenture which affects the Trustee's own rights, duties and immunities under this Indenture.

ARTICLE 11 DEFAULT AND REMEDIES

Section 11.1. Events of Default.

(a) Each of the following occurrences or events shall be and is hereby declared to be an "Event of Default," to wit:

(i) The failure of the City to deposit the Pledged Revenues to the Bond Pledged Revenue Account of the Pledged Revenue Fund;

(ii) The failure of the City to enforce the collection of the Improvement Area #1 Assessments, including the prosecution of foreclosure proceedings;

(iii) The failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable and such failure is not remedied within 30 days; provided, however, that the payments are to be made only from Pledged Revenues or other funds currently available in the Pledged Funds and available to the City to make the payments; and

(iv) Default in the performance or observance of any covenant, agreement or obligation of the City under this Indenture and the continuation thereof for a period of 90 days after written notice to the City by the Trustee, or by the Owners of at least 25% of the aggregate Outstanding principal of the Bonds with a copy to the Trustee, specifying such default and requesting that the failure be remedied.

(b) Nothing in Section 11.1(a) will be an Event of Default if it is in violation of any applicable state law or court order.

Section 11.2. Immediate Remedies for Default.

(a) Subject to Article VIII, upon the happening and continuance of any of the Events of Default described in Section 11.1, the Trustee may, and at the written direction of the Owners of at least 25% of the Bonds then Outstanding and its receipt of indemnity satisfactory to it, shall proceed against the City for the purpose of protecting and enforcing the rights of the Owners under this Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by this Indenture or by Applicable Laws, including, but not limited to, monetary damages paid from the assets of the Trust Estate, including the Pledged Revenues and the Pledged Funds, the specific performance of any covenant or agreement contained herein, or injunction; provided, however, that no action for money damages against

the City may be sought or shall be permitted. The Trustee retains the right to obtain the advice of counsel in its exercise of remedies of default.

(b) THE PRINCIPAL OF THE BONDS SHALL NOT BE SUBJECT TO ACCELERATION UNDER ANY CIRCUMSTANCES.

(c) If the assets of the Trust Estate are sufficient to pay all amounts due with respect to all Outstanding Bonds, in the selection of Trust Estate assets to be used in the payment of Bonds due under this Article, the City shall determine, in its absolute discretion, and shall instruct the Trustee by City Certificate, which Trust Estate assets shall be applied to such payment and shall not be liable to any Owner or other Person by reason of such selection and application. In the event that the City shall fail to deliver to the Trustee such City Certificate, the Trustee shall select and liquidate or sell Trust Estate assets as provided in the following paragraph, and shall not be liable to any Owner, or other Person, or the City by reason of such selection, liquidation or sale.

(d) Whenever moneys are to be applied pursuant to this Article XI, irrespective of and whether other remedies authorized under this Indenture shall have been pursued in whole or in part, the Trustee may cause any or all of the assets of the Trust Estate, including Investment Securities, to be sold. The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms as the Trustee may deem appropriate and as may be required by law and apply the proceeds thereof in accordance with the provisions of this Section. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the City, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the City shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be necessary or, in the judgment of the Trustee, proper for the purpose which may be designated in such request.

Section 11.3. Restriction on Owner's Action.

Section 11.5. Effect of Waiver.

No delay or omission of the Trustee, or any Owner, to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Indenture to the Trustee or the Owners, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 11.6. Evidence of Ownership of Bonds.

(a) Any request, consent, revocation of consent or other instrument which this Indenture may require or permit to be signed and executed by the Owners of Bonds may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys duly appointed in writing. Proof of the execution of any such instrument, or of any instrument appointing any such attorney, or the holding by any Person of the Bonds shall be sufficient for any purpose of this Indenture (except as otherwise herein expressly provided) if made in the following manner:

(i) The fact and date of the execution of such instruments by any Owner of Bonds or the duly appointed attorney authorized to act on behalf of such Owner may be provided by a guarantee of the signature thereon by a bank or trust company or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the Person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. (ii) The ownership of Bonds and the amount, numbers and other identification and date of holding the same shall be proved by the Register.

(b) Except as otherwise provided in this Indenture with respect to revocation of a consent, any request or consent by an Owner of Bonds shall bind all future Owners of the same Bonds in respect of anything done or suffered to be done by the City or the Trustee in accordance therewith.

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provision for such payment shall have been made, and to pay interest on the unpaid principal amount hereof from the Date of Delivery, as specified above, or the most recent Interest Payment Date to which interest has been paid or provided for until such principal amount shall have been paid or provided for, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually on March 15 and September 15 of each year, commencing September 15, 2025, until maturity or prior redemption.

Capitalized terms appearing herein that are defined terms in the Indenture defined below, have the meanings assigned to them in the Indenture. Reference is made to the Indenture for such definitions and for all other purposes.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in Austin, Texas (the “Designated Payment/Transfer Office”), of UMB Bank, N.A., as trustee and paying agent/registrar (the “Trustee,” which term includes any successor trustee under the Indenture), or, with respect to a successor trustee and paying agent/registrar, at the Designated Payment/Transfer Office of such successor. Interest on this Bond is payable by check dated as of the Interest Payment Date, mailed by the Trustee to the registered owner at the address shown on the registration books kept by the Trustee or by such other customary banking arrangements acceptable to the Trustee, requested by, and at the risk and expense of, the Person to whom interest is to be paid. For the purpose of the payment of interest on this Bond, the registered owner shall be the Person in whose name this Bond is registered at the close of business on the “Record Date,” which shall be the last calendar day of the month next preceding such Interest Payment Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for 30 days thereafter, a new record date for such interest payment (a “Special Record Date”) will be established by the Trustee, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the “Special Payment Date,” which shall be 15 days after the Special Record Date) shall be sent at least five Business Days prior to the Special Record Date by United States mail, first-class, postage prepaid, to the address of each Owner of a Bond appearing on the books of the Trustee at the close of business on the last Business Day preceding the date of mailing such notice.

If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the City in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of a duly authorized issue of assessment revenue bonds of the City having the designation specified in its title (herein referred to as the “Bonds”), dated May 1, 2025 and issued in the aggregate principal amount of \$_____,000 and issued, with the limitations described herein, pursuant to an Indenture of Trust, dated as of May 1, 2025 (the “Indenture”), by and between the City and the Trustee, to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the holders of the Bonds, the Trustee, and the City, and the terms upon which the Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each holder of this Bond hereby consents. All Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Bonds are being issued for the purpose of (i) paying a portion of the Actual Costs of the Improvement Area #1 Authorized Improvements; (ii) paying capitalized interest on the Bonds during and after the period of acquisition and construction of the Improvement Area #1

Improvements; and (iii) funding a reserve fund for payment of principal and interest on the Bonds.

The Bonds are limited obligations of the City payable solely from the Trust Estate as defined in the Indenture. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among others, with respect to the nature and extent of the duties and obligations of the City, the Trustee and the Owners. The Owner of this Bond, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the City to make money available to pay this Bond may be defeased by the deposit of money and/or certain direct or indirect Defeasance Securities sufficient for such purpose as described in the Indenture.

The Bonds are issuable as fully registered bonds only in Authorized Denominations, subject to the provisions of the Indenture authorizing redemption in denominations of \$100,000 and any multiple of \$1,000 in excess thereof.

The Bonds are subject to sinking fund redemption prior to their respective maturities and will be redeemed by the City in part at a price equal to the principal amount thereof plus accrued and unpaid interest thereon to the date set for redemption from moneys available for such purpose in the Principal and Interest Account of the Bond Fund pursuant to Article VI of the Indenture, on the dates and in the Sinking Fund Installment amounts as set forth in the following schedule:

[Insert tables from Section 4.2]

At least 45 days prior to each mandatory sinking fund redemption date, and subject to any prior reduction authorized by the Indenture, the Trustee shall select for redemption, pursuant to the provisions of the Indenture, a principal amount of Bonds of such maturity equal to the Sinking Fund Installments of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in the Indenture.

The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the mandatory sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 45 days prior to the mandatory sinking fund redemption date shall have been redeemed pursuant to the optional redemption or extraordinary

optional redemption provisions of the Indenture and not previously credited to a mandatory sinking fund redemption.

The City reserves the right and option to redeem Bonds maturing on or after September 15, 20__, before their scheduled maturity dates, in whole or in part, on any date on or after September 15, 20__, such redemption date or dates to be fixed by the City, at the redemption price of par plus accrued interest to the date of redemption.

Bonds are subject to extraordinary optional redemption prior to maturity in whole or in part, and in an amount and on a date specified in a City Certificate, at a redemption price equal to the principal amount of the Bonds called for redemption, plus accrued and unpaid interest to the date fixed for redemption, pursuant to the provisions of the Indenture, from amounts on deposit in the Redemption Fund as a result of Prepayments, other transfers to the Redemption Fund pursuant to the Indenture, or as a result of unexpended amounts transferred from the Project Fund as provided in the Indenture.

The Trustee shall give notice of any redemption of Bonds by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the redemption price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds, and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the holders of the Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the holders of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the holders of all the Bonds, to waive compliance by the City with certain past defaults under the Improvement Area #1 Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the holder of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such holder and upon all future holders thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond redeemed in part.

The City, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Trustee shall be affected by notice to the contrary.

The City has reserved the right to issue Additional Obligations on the terms and conditions specified in the Indenture.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY OF MANOR, TEXAS, TRAVIS COUNTY, THE STATE OF TEXAS, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE BONDS.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the City, including the Bonds, does not exceed any Constitutional or statutory limitation.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be executed under the official seal of the City.
