

**RESOLUTION NO. 2023-22**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MANOR, TEXAS AUTHORIZING AND CREATING THE MUSTANG VALLEY PUBLIC IMPROVEMENT DISTRICT WITHIN THE CITY OF MANOR, TEXAS IN ACCORDANCE WITH CHAPTER 372 OF THE TEXAS LOCAL GOVERNMENT CODE; RESOLVING OTHER MATTERS INCIDENT AND RELATED THERETO; AND PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, the City of Manor, Texas (the “City”) is authorized by Chapter 372, Texas Local Government Code, as amended (the “Act”) to create a public improvement district within its corporate limits and its extraterritorial jurisdiction and to levy special assessments against property within the district to pay the costs of public improvement projects that confer a special benefit on property within the district; and

**WHEREAS**, on June 14, 2022, KB Home Lone Star Inc., a Texas corporation (the “Petitioner”), submitted and filed with the City Secretary of the City (the “City Secretary”) pursuant to the Act a “Petition to Establish Mustang Valley Public Improvement District” (the “Petition”) requesting the establishment of a public improvement district covering approximately 136.904 acres described in the Petition, and is more particularly described by metes and bounds in Exhibit “A” and depicted in Exhibit “B” (the “Property”) each attached hereto and incorporated herein for all purposes, to be known as the Mustang Valley Public Improvement District (the “District”); and

**WHEREAS**, Petitioner represents that they constitute (i) the owners of taxable real property representing more than fifty percent (50%) of the appraised value of taxable real property liable for assessment under the proposal in the Petition, as determined by the current roll of the appraisal district in which the property is located and (ii) the record owners of real property liable for assessment under the proposal who: (A) constitute more than fifty percent (50%) of all record owners of property that is liable for assessment under the proposal in the Petition; or (B) own taxable real property that constitutes more than fifty percent (50%) of the area of all taxable real property that is liable for assessment under the proposal in the Petition, within the corporate limits of the City. It is further asserted that Petitioner includes the intended successors in interest to certain owners of taxable real property within the area proposed for the District and who will be responsible for the assessments against the property within the District; and

**WHEREAS**, the Act states that a Petition to create a public improvement district is sufficient if signed by owners of more than fifty percent (50%) of the taxable real property, according to appraised value, and either of the following: more than fifty percent (50%) of the area of all taxable real property liable for assessment under the proposal, or more than fifty percent (50%) of all record owners of property liable for assessment; and

**WHEREAS**, Petitioners estimate the cost of the proposed public improvements is \$28,000,000.00 (including issuance and other financing costs) and that said cost will be recovered through an assessment against property in the District which will result in each parcel paying its fair share of the costs of public improvements based on the special benefits received by the property; and

**WHEREAS**, the City Council of Manor, Texas (the “City Council”) has investigated and determined that the facts contained in the Petition are true and correct; and

**WHEREAS**, after publishing notice in an official newspaper of general circulation in the City and mailing notice of the hearing, all as required by and in conformity with the Act, the City Council, conducted a public hearing on the advisability of the improvements and services on June 7, 2023; and

**WHEREAS**, after all persons having an interest in the creation of the District were given the opportunity to be heard, the City Council closed the public hearing; and

**WHEREAS**, the Petition, has been examined, verified, and found to meet the requirements of Section 372.005(b) of the Act and to be sufficient for consideration by the City Council; and

**WHEREAS**, the City Council has determined that the approval of this Resolution is in the best interests of the City and its residents.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MANOR, TEXAS THAT:**

**SECTION 1.** The City Council hereby approves the recitals contained in the preamble of this Resolution and finds that all the recitals are true and correct and incorporate the same in the body of this Resolution as findings of fact.

**SECTION 2.** The Petition submitted to the City by the Petitioner was filed with the City Secretary and complies with Section 372.005 of the Act.

**SECTION 3.** Pursuant to the requirements of the Act, including, without limitation, Sections 372.006, 372.009(a), 372.009(b), and 372.010, the City Council, after considering the Petition and the evidence and testimony presented at the public hearing, hereby finds and declares:

- (a) Advisability of the Proposed Improvements. It is advisable to create the District to provide the Authorized Improvements (as defined below) described in the Petition and this Resolution. The Authorized Improvements will promote the interests of the City and will confer a special benefit on the District.
- (b) General Nature of the Proposed Improvements. The purposes of the District include the design, acquisition, construction, and improvement of public improvement projects authorized by the Act. The general nature of the proposed public improvements to be provided by the District that are necessary for the development of the Property within the District, in phases, may include, without limitation: (1) landscaping; (2) erection of fountains, distinctive lighting, and signs; (3) acquiring, constructing, improving, widening, narrowing, closing, or rerouting of sidewalks or of streets, any other roadways, or their rights-of-way, including related landscaping, lighting, traffic control devices, screening walls and retaining walls; (4) construction or improvement of pedestrian malls; (5) acquisition and installation of pieces of art; (6) acquisition, construction, or improvement of off-street parking facilities; (7) acquisition,

construction, or improvement of water, wastewater, or drainage facilities or improvements; (8) the establishment or improvement of parks; (9) projects similar to those listed in (1)-(8); (10) acquisition, by purchase or otherwise, of real property or contract rights in connection with an authorized improvement; (11) special supplemental and maintenance services for improvement and promotion of the district, including services relating to advertising, promotion, health and sanitation, water and wastewater, roadways, public safety, security, business recruitment, development, recreation, and cultural enhancement; and (12) the payment of expenses incurred in the establishment, administration, and operation of the District, including maintenance costs, costs of issuance, funding debt service and capitalized interest reserves and credit enhancement fees of any bonds issued by or on behalf of the District, if necessary (collectively, the “Authorized Improvements”). These Authorized Improvements shall promote the interests of the City and confer a special benefit upon the Property within the District.

- (c) Estimated Cost of the Authorized Improvements. The estimated cost to design, acquire and construct the Authorized Improvements is \$28,000,000.00 (including bond issuance and other financing costs). The City will determine what amount or portion of the costs will be paid by assessment of the property owners within the District. Unless otherwise agreed upon by the City, the City will not be obligated to provide any funds to finance the proposed Authorized Improvements, other than from assessments levied on real property within the District. The developer of the Property (the “Developer”) may be obligated for the costs of certain specified Authorized Improvements within the District. The City and the Developer may be reimbursed for the costs of certain specified Authorized Improvements from assessments levied within the District. The Developer may also pay certain costs of the Authorized Improvements from other funds available to the Developer.
- (d) District Boundaries. The District is proposed to include approximately 136.904 acres of land generally located north of Gregg Ln, east of Fuchs Grove Rd, south of Schmidt Ln and west of FM 973 and within the corporate limits of the City, as more particularly described in Exhibit “A” attached hereto, and as depicted in Exhibit “B” attached hereto.
- (e) Proposed Method of Assessment. An assessment methodology will be prepared that will address: (i) how the costs of the Authorized Improvements financed with the assessments are assessed against the property in the District, (ii) the assessments to be collected each year, and (iii) reduction of the assessments for costs savings (pursuant to the annual review of the service plan for the District). Additionally, a report will be prepared showing the special benefits accruing to property in the District and how the costs of the Authorized Improvements are assessed to property on the basis of the special benefits. The result will be that equal shares of the costs will be imposed on property similarly benefited. The assessment methodology will result in each parcel paying its fair share of the costs of the Authorized Improvements provided with the assessments based on the special benefits received by the property from the Authorized Improvements and property equally situated paying equal shares of the costs of the

Authorized Improvements.

- (f) Proposed Apportionment of Cost between the District and the City. Authorization and creation of the District will not obligate the City to provide any funds to finance the Authorized Improvements. No City property in the District shall be assessed. All of the costs of the Authorized Improvements will be paid from assessments levied on the Property within the District and from other funds, if any, available to the District.
- (g) Management of the District. The District shall be managed by the City. The City may contract with a consultant or third-party administrator, who shall, from time to time, advise the City regarding certain operations of the District.
- (h) Advisory Body. The District shall be managed without the creation of an advisory body. The City Council reserves the right to appoint an advisory body in the future.

**SECTION 4.** The Mustang Valley Public Improvement District is hereby authorized and created as a public improvement district under the Act in accordance with the findings as to the advisability of the Authorized Improvements contained in this Resolution, which authorization shall take effect on the date of adoption of this Resolution. The District shall be subject to the terms, conditions, limitations, and reservations contained in the findings of Section 3 of this Resolution. The Authorized Improvements described in the Petition and Section 3 of this Resolution are authorized to be made in accordance with the service and assessment plan for the Mustang Valley Public Improvement District to be approved by City Council at a future meeting.

**SECTION 5.** The District can be terminated as provided by law or as provided in that certain Agreement Regarding the Dissolution of the Mustang Valley Public Improvement District dated \_\_\_\_\_, 2023 (the "Dissolution Agreement"). Subject to the last sentence of this Section 5, the power of the City to continue to levy and collect assessments within the District pursuant to the Act will cease and the District will be dissolved following the date that a petition requesting dissolution is filed with the City Secretary of the City of Manor and the petition contains signatures of at least the number of property owners in the District to make the petition sufficient for creation of a public improvement district as provided in Section 372.005(b) of the Act, and a public hearing has been held by the City Council as described in Section 372.011 of the Act. If the District is dissolved, the District shall remain in effect for the purpose of meeting obligations of indebtedness for the Authorized Improvements.

**SECTION 6.** This Resolution shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

**SECTION 7.** If any section, article, paragraph, sentence, clause, phrase or word in this Resolution or application thereof to any persons or circumstances is held invalid or unconstitutional by a court of competent jurisdiction, such holding shall not affect the validity of the remaining portions of this Resolution; and the City Council hereby declares it would have passed such remaining portions of the Resolution despite such invalidity, which remaining portions shall remain in full force and effect.

**SECTION 8.** The City Secretary is directed to give notice of the authorization for the establishment of the District by recording this Resolution in the Official Public Records of Travis County, Texas on or before the seventh day after the passage of this Resolution.

**SECTION 9.** It is officially found, determined and declared that the meeting at which this Resolution is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Resolution, was given, all as required by Chapter 551, as amended, Texas Government Code.

**SECTION 10.** This Resolution shall be in full force and effect from and after its passage, and it is accordingly so resolved.

**PASSED AND ADOPTED** by the City Council of Manor, Texas, at a regular meeting on the \_\_\_\_\_ day of \_\_\_\_\_, 2023, at which a quorum was present, and for which due notice was given pursuant to Government Code, Chapter 551.
