WHEREAS, the City Council has determined that the approval of this Resolution is in the best interests of the City and its residents.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MANOR, TEXAS THAT:

SECTION 1. The City Council hereby approves the recitals contained in the preamble of this Resolution and finds that all the recitals are true and correct and incorporate the same in the body of this Resolution as findings of fact.

SECTION 2. The Petition submitted to the City by the Petitioner was filed with the City Secretary and complies with Section 372.005 of the Act.

SECTION 3. Pursuant to the requirements of the Act, including, without limitation, Sections 372.006, 372.009(a), 372.009(b), and 372.010, the City Council, after considering the Petition and the evidence and testimony presented at the public hearing, hereby finds and declares:

- (a) Advisability of the Proposed Improvements. It is advisable to create the District to provide the Authorized Improvements (as defined below) described in the Petition and this Resolution. The Authorized Improvements will promote the interests of the City and will confer a special benefit on property located within the District.

- (b) General Nature of the Proposed Improvements. The purposes of the District include the design, acquisition, construction, and improvement of public improvement projects authorized by the Act. The general nature of the proposed public improvements to be provided by the District that are necessary for the development of the Property within the District, in phases, may include, without limitation: (i) the establishment of parks and open space, together with the design, construction and maintenance of any ancillary structures, features or amenities such as trails, pavilions, community facilities, swimming pools, irrigation, walkways, lighting, benches, trash receptacles and any similar items located therein; (ii) landscaping; (iii) acquisition, construction, and improvement of water, wastewater and drainage facilities; (iv) acquisition, construction and improvement of streets, roadways, rights-of-way and related facilities; (v) entry monumentation and features; (vi) signage; (vii) projects similar to those listed in subsections (i) – (vi) above; and (viii) payment of costs associated with constructing and financing the public improvements listed in subparagraphs (i) – (vii) above,

including costs of establishing, administering and operating the District (collectively, the “Authorized Improvements”). These Authorized Improvements shall promote the interests of the City and confer a special benefit upon the Property within the District.

- (c) Estimated Cost of the Authorized Improvements. The estimated cost to design, acquire and construct the Authorized Improvements is \$10,000,000.00 (including bond issuance and other financing costs). The City will determine what amount or portion of the costs will be paid by assessment of the property owners within the District. Unless otherwise agreed upon by the City, the City will not be obligated to provide any funds to finance the proposed Authorized Improvements, other than from assessments levied on real property within the District. The developer of the Property (the “Developer”) may be obligated to pay the costs of certain specified Authorized Improvements within the District. The Developer may be reimbursed for the costs of certain specified Authorized Improvements from assessments levied within the District. The Developer may also pay certain costs of the Authorized Improvements from other funds available to the Developer.
- (d) District Boundaries. The District is proposed to include approximately 90.3 acres of land generally located near the northwest corner of the intersection of Gregg Lane and FM 973 and within the corporate limits of the City, as more particularly described in **Exhibit “A”** attached hereto, and as depicted on **Exhibit “B”** attached hereto.
- (e) Proposed Method of Assessment. An assessment methodology will be prepared that will address: (i) how the costs of the Authorized Improvements financed with the assessments are assessed against the property in the District, (ii) the assessments to be collected each year, and (iii) reduction of the assessments for costs savings (pursuant to the annual review of the service plan for the District). Additionally, a report will be prepared showing the special benefits accruing to property in the District and how the costs of the Authorized Improvements are assessed to property on the basis of the special benefits. The result will be that equal shares of the costs will be imposed on property similarly benefited. The assessment methodology will result in each parcel paying its fair share of the costs of the Authorized Improvements provided with the assessments based on the special benefits received by the property from the Authorized Improvements and property equally situated paying equal shares of the costs of the Authorized Improvements.
- (f) Proposed Apportionment of Cost between the District and the City. Authorization and creation of the District will not obligate the City to provide any funds to finance the Authorized Improvements. No City property in the District shall be assessed. All of the costs of the Authorized Improvements will be paid from assessments levied on the Property within the District and from other funds, if any, available to the District.
- (g) Management of the District. The District shall be managed by the City. The City may contract with a consultant or third-party administrator, who shall, from time to time, advise the City regarding certain operations of the District.

(h) Advisory Body. The District shall be managed without the creation of an advisory body. The City Council reserves the right to appoint an advisory body in the future.

SECTION 4. The Newhaven Public Improvement District is hereby authorized and created as a public improvement district under the Act in accordance with the findings as to the advisability of the Authorized Improvements contained in this Resolution, which authorization shall take effect on the date of adoption of this Resolution. The District shall be subject to the terms, conditions, limitations, and reservations contained in the findings of Section 3 of this Resolution. The Authorized Improvements described in the Petition and Section 3 of this Resolution are authorized to be made in accordance with the service and assessment plan for the Newhaven Public Improvement District to be approved by City Council at a future meeting.

SECTION 5. The District can be terminated as provided by law. Subject to the last sentence of this Section 5, the power of the City to continue to levy and collect assessments within the District pursuant to the Act will cease and the District will be dissolved following the Authorization, as defined in that certain Agreement Regarding the Dissolution of the Newhaven Public Improvement District dated _____, 2023 attached hereto as **Exhibit “C”** (the “Dissolution Agreement”) and a public hearing has been held by the City Council as described in Section 372.011 of the Act. The Dissolution Agreement constitutes the Developer’s petition to dissolve the District under Section 372.011, Texas Local Government Code, as amended. The Dissolution Agreement is hereby authorized and approved. If the District is dissolved, the District shall remain in effect for the purpose of meeting obligations of indebtedness for the Authorized Improvements.

SECTION 6. This Resolution shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 7. If any section, article, paragraph, sentence, clause, phrase or word in this Resolution or application thereof to any persons or circumstances is held invalid or unconstitutional by a court of competent jurisdiction, such holding shall not affect the validity of the remaining portions of this Resolution; and the City Council hereby declares it would have passed such remaining portions of the Resolution despite such invalidity, which remaining portions shall remain in full force and effect.

SECTION 8. The City Secretary is directed to give notice of the authorization for the establishment of the District by recording this Resolution in the Official Public Records of Travis County, Texas on or before the seventh day after the passage of this Resolution.

SECTION 9.
