 RE: **September Monthly Report**

The following are accomplishments from the month of August

1. Completed migration to new servers to replace old, end of life, systems.
2. Finished migration to new domain.
3. Migrated to new network equipment and services that were ordered and never used removed and upgraded. Giving the city faster speeds and cost savings of approximately $4,000.00/mo
4. Planning migration to new phone system that will allow greater flexibility and functionality while saving the City approximately $500.00/mo.
