RE: May Monthly Report

This month we:

1. Finished the roll out Anti-Malware protection on desktops, laptops, portables and servers.
2. Implemented filtering of inappropriate internet and network use.
3. Continued to implement Multi-Factor Authentication and will continue to evaluate.
4. Started research on migrating networks.
5. Started to address the PD body and in-dash camera footage storage. This is at a critical juncture and needs to be addressed. – will move to WatchGuard in the cloud. Waiting on Watchguard.
6. Started documenting all processes in IT.
