**Subject:** Resignation of Place Six on City Council

I am resigning my position on the City Council due to health issues and the lack of enthusiasm for the use of resources to complete tasks for the numerous committees. I believe that the use of the City Staff is inefficient in providing for the committees and unnecessary at this time in the city's growth, we are not as big as Austin and do not need all these committees until we reach the population that will require them. Some of the committees are necessary but 75% of them are unnecessary and are an inefficient and ineffective use of City Council Members' time.

I wish you all the best for it all your endeavors and in your service to the residents of Manor.

I will return the tablet and the phone with cords this afternoon or tomorrow morning.

Respectfully,

Gene Kruppa
