BACKGROUND/SUMMARY:

This single item is for Council to take four distinct steps towards the implementation of a plan of finance for the public improvements to be made in the Manor Newhaven PID (the "District"). Specifically, the Council, by this action will: 1) approve the estimated costs of the public improvements; 2) approve the preliminary service and assessment plan, which describes the improvements to be constructed and the method of paying for those improvements; 3) setting a hearing to be held on September 3, 2025 to levy assessments within the District to pay for the improvements, most likely by financing the issuance of bonds; and 4) directing the City Secretary to publish, mail, and otherwise make publicly available the proposed assessment rolls that will be discussed at the September 3rd hearing.

It is expected that at the September 3, 2025 City Council meeting, the Council will hold the hearing to levy assessments, approve the levy of assessments, hold a hearing to authorize Bonds, and approve the issuance of Public Improvement District Bonds. The costs of the improvements and the method of levying will be as described in the service and assessment plan and the proposed assessment roll, which the City Secretary shall make public.
