Region 10 Director Candidate Biographies (printed on both sides)

Dr. Christopher Harvey, Mayor, Manor

I humbly submit this application for the Region 10 Regional Director position. I have lived in Region 10 all my life, being born and raised in Austin, now living in Manor. I am a graduate of Texas State University (Social Work), Concordia University at Austin (Master's in Education Administration), and the University of Mary Hardin-Baylor (Doctorate in Leadership in Education Administration). I am a leader in the field of Education. I am a man with Christian values and practices. I am a family man with a wife and three girls. My political affiliation is non-partisan. I value diversity, small business, and community. I believe that strong city leadership can change our country and the world. I have served my community on the Manor City Council since 2019. My colleagues in Region 10 will share that when I have had the floor, I didn't promote Manor, but the region.

My supporters in the Texas Legislature and US Congress will echo the sentiment. I am an advocate of regional planning. We've even embarked on a regional wastewater treatment plant and regional economic initiatives with Samsung, Tesla, Applied Materials, and the City of Austin. I have worked to build a relationship with Mayor Kirk Watson and we talk about regional employment, transportation needs (like US HWY 290, FM 973, and HWY 95). He is a supporter of regional planning. He called several Mayors to meet in Austin to answer the call of joining an association so that we can partner and build our area together. I shared this with my council and city staff. We believe in the work and made the financial and time commitments.

Jimmy Jenkins, Councilmember, Smithville

I am retired from American Airlines and returned home to Smithville in 2018. I was born in Wichita Falls and have been a tradesman all my life. After retirement, I wanted to keep my mind and body active. I started attending council meetings and ran for and was elected in 2023. Our small city is at the edge of the growth that is hitting Bastrop County, and over the next two to three years it will be at our doors. As a Smithville councilmember, I have been very active in TML, CARTPO, the Bastrop County Public Health Taskforce, and other related activities for the city. Managing our land use, working with officials to protect our city's ability to govern, and managing the city's infrastructure are top priorities. I have the privilege to be appointed to the 2024 TML Policy Summit. Working to protect our cities' rights to govern and promoting good legislation with other TML members will be a privilege. I am

a firm believer that working together with other cities and towns we can improve the lives of our constituents and make our cities better by the exchange of ideas and being good listeners. If I am chosen to serve, I will work hard for Region 10. Listening to ideas from member cities, promoting each other, and promoting ideas that the members put forth to TML leadership will be job one. Texas is a great place to live, raise a family, and to be from. Let's keep it that way. Thank you in advance for your consideration.
