INTRODUCTION

Capitalized terms used in this 2025 Service and Assessment Plan shall have the meanings given to them in **Section I** unless otherwise defined in this 2025 Service and Assessment Plan or unless the context in which a term is used clearly requires a different meaning. Unless otherwise defined, a reference to a “Section” or an “Exhibit” shall be a reference to a Section of this 2025 Service and Assessment Plan, or an Exhibit attached to and made a part of this 2025 Service and Assessment Plan for all purposes.

On June 7, 2023, the City passed and approved Resolution No. 2023-22 authorizing the creation of the District in accordance with the PID Act. The purpose of the District is to finance the Actual Costs of Authorized Improvements that confer a special benefit on approximately 136.904 acres located within the City, as described by metes and bounds on **Exhibit A-1** and depicted on **Exhibit B-1**.

On _____, 2025, the City Council passed and approved an Ordinance authorizing the levy of Assessments on Assessed Property within the District and approving the 2025 Service and Assessment Plan for the District.

Pursuant to the PID Act, a service and assessment plan must be reviewed and updated at least annually. This document is the 2025 Service and Assessment Plan, which serves the purposes of (1) levying Improvement Area #1 Assessments, and (2) approving the Improvement Area #1 Assessment Roll.

The PID Act requires a Service Plan for the District. The Service Plan is contained in **Section V**.

The PID Act requires that the Service Plan include an Assessment Plan that assesses the Actual Costs of the Authorized Improvements against the District based on the special benefits conferred on the District by the Authorized Improvements. The Assessment Plan is contained in **Section VI**.

The PID Act requires an Assessment Roll that states the Assessment against each Parcel determined by the method chosen by the City. The Assessment against each Assessed Property must be sufficient to pay its share of the Actual Costs apportioned to the Assessed Property and cannot exceed the special benefit conferred on the Assessed Property by the Authorized Improvements. The Improvement Area #1 Assessment Roll is included as **Exhibit F-1**.

SECTION I: DEFINITIONS

“2025 Service and Assessment Plan” means this 2025 Service and Assessment Plan passed and approved by the City Council on _____, 2025, by an Ordinance which serves the purposes of (1) levying the Improvement Area #1 Assessments, and (2) approving the Improvement Area #1 Assessment Roll.

“Actual Costs” means, with respect to the Authorized Improvements, the actual costs paid or incurred by or on behalf of the Developer: (1) to plan, design, acquire, construct, install, and dedicate such improvements to the City; (2) to prepare plans, specifications (including bid packages), contracts, and as-built drawings; (3) to obtain zoning, licenses, plan approvals, permits, inspections, and other governmental approvals; (4) for third-party professional consulting services including but not limited to, engineering, surveying, geotechnical, land planning, architectural, landscaping, legal, accounting, and appraisals; (5) of labor, materials, equipment, fixtures, payment and performance bonds and other construction security, and insurance premiums; and (6) to implement, administer, and manage the above-described activities. Actual Costs shall not include general contractor’s fees in an amount that exceeds a percentage equal to the percentage of work completed or construction management fees in an amount that exceeds an amount equal to the construction management fee amortized in approximately equal monthly installments over the term of the applicable construction management contract. Amounts expended for costs described in subsection (3), (4), and (6) above shall be excluded from the amount upon which the general contractor and construction management fees are calculated.

“Additional Interest” means the amount collected by application of the Additional Interest Rate if PID Bonds are issued.

“Additional Interest Rate” means the 0.50% additional interest charged on Assessments securing PID Bonds pursuant to Section 372.018 of the PID Act. The Additional Interest Rate is not charged on Assessments securing the Improvement Area #1 Reimbursement Obligation.

“Administrative Reserves” means the estimated Annual Collection Costs associated with the first year of the District.

“Administrator” means the City, or the person or independent firm designated by the City who shall have the responsibility provided in this 2025 Service and Assessment Plan, an Indenture, or any other agreement or document approved by the City related to the duties and responsibility of the administration of the District.

“Annual Collection Costs” means the actual or budgeted costs and expenses for: (1) the Administrator and City staff; (2) legal counsel, engineers, accountants, financial advisors, and

other consultants engaged by the City; (3) calculating, collecting, and maintaining records with respect to Assessments and Annual Installments; (4) preparing and maintaining records with respect to Assessment Rolls and Annual Service Plan Updates; (5) issuing, paying, and redeeming PID Bonds, if issued; (6) investing or depositing Assessments and Annual Installments; (7) complying with this 2025 Service and Assessment Plan and the Act with respect to the administration of the District, including continuing disclosure requirements; and (8) the paying agent/registrar and Trustee in connection with PID Bonds, if issued, including their respective legal counsel. Annual Collection Costs collected but not expended in any year shall be carried forward and applied to reduce Annual Collection Costs for subsequent years.

“Annual Installment” means the annual installment payment of an Assessment as calculated by the Administrator and approved by the City Council, that includes: (1) principal; (2) interest; (3) Annual Collection Costs; and (4) Additional Interest.

“Annual Service Plan Update” means an update to the Service and Assessment Plan prepared no less frequently than annually by the Administrator and approved by the City Council.

“Appraisal District” means Travis Central Appraisal District.

“Assessed Property” means any Parcel within the District against which an Assessment is levied.

“Assessment” means an assessment levied against a Parcel within the District and imposed pursuant to an Assessment Ordinance and the provisions herein, as shown on an Assessment Roll, subject to reallocation upon the subdivision of such Parcel or reduction according to the provisions herein and the PID Act.

“Assessment Ordinance” means an ordinance adopted by the City Council in accordance with the PID Act that levies an Assessment.

“Assessment Plan” means the methodology employed to assess the Actual Costs of the Authorized Improvements against Assessed Property within the District based on the special benefits conferred on such property by the Authorized Improvements, more specifically described in **Section VI**.

“Assessment Roll” means one or more assessment rolls for the Assessed Property within the District, as updated, modified, or amended from time to time in accordance with the procedures set forth herein, and in the PID Act, including any Annual Service Plan Updates. The Improvement Area #1 Assessment Roll is included as **Exhibit F-1**.

“Authorized Improvements” means improvements authorized by Section 372.003 of the PID Act, including Improvement Area #1 Improvements, the Major Improvements, Administrative Reserves and Bond Issuance Costs as more specifically described in **Section III**.

“Bond Issuance Costs” means the costs associated with issuing PID Bonds, including but not limited to attorney fees, financial advisory fees, consultant fees, appraisal fees, printing costs,

publication costs, City costs, capitalized interest, reserve fund requirements, underwriter's discount, fees charged by the Texas Attorney General, and any other cost or expense directly associated with the issuance of PID Bonds, if bonds are issued. The Bond Issuance Costs shown in **Exhibit C-1** are estimates, and subject to change upon the issuance of PID Bonds.

"City" means the City of Manor, Texas.

"City Council" means the governing body of the City.

"County" means Travis County, Texas.

"Delinquent Collection Costs" means, for a Parcel, interest, penalties, and other costs and expenses authorized by the PID Act that directly or indirectly relate to the collection of delinquent Assessments, delinquent Annual Installments, or any other delinquent amounts due under this 2025 Service and Assessment Plan, including costs and expenses to foreclose liens.

"District" means the Mustang Valley Public Improvement District containing approximately 136.904 acres located within the City and shown on **Exhibit B-1** and more specifically described in **Exhibit A-1**.

"Estimated Buildout Value" means the estimated buildout value of an Assessed Property at the time Assessments are levied, and shall be determined by the Administrator and confirmed by the City Council by considering such factors as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, builder contracts, discussions with homebuilders, reports from third party consultants, or any other information that may impact value.

"Future Improvement Area" means approximately 76.484 acres located within the District and developed as an individual phase after Improvement Area #1, with such area(s) to be described and designated in future Annual Service Plan Updates. The Future Improvement Area Includes all property within the District except Improvement Area #1.

"Improvement Area #1" means approximately 60.42 acres located within the District, as shown on **Exhibit B-2** and more specifically described in **Exhibit A-2**.

"Improvement Area #1 Annual Installment" means the annual installment payment of the Improvement Area #1 Assessment as calculated by the Administrator and approved by the City Council that includes: (1) principal, (2) interest, and (3) Annual Collection Costs.

"Improvement Area #1 Assessed Property" means any Parcel within Improvement Area #1 against which an Improvement Area #1 Assessment is levied.

"Improvement Area #1 Assessment" means an Assessment levied against Improvement Area #1 Assessed Property and imposed pursuant to an Assessment Ordinance and the provisions herein,

as shown on the Improvement Area #1 Assessment Roll, subject to reallocation upon the subdivision of such Parcel or reduction according to the provisions herein and in the PID Act.

“Improvement Area #1 Assessment Roll” means the Assessment Roll for the Improvement Area #1 Assessed Property and included in this 2025 Service and Assessment Plan as **Exhibit F-1**, as updated, modified, or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of PID Bonds, if issued; or in connection with any Annual Service Plan Update.

“Improvement Area #1 Authorized Improvements” means the Improvement Area #1 Projects, Administrative Reserves, and Bond Issuance Costs as shown on **Exhibit C-1**.

“Improvement Area #1 Bonds” mean any PID Bonds issued in the future to refinance the Improvement Area #1 Reimbursement Obligation, if such bonds are issued.

“Improvement Area #1 Improvements” means those Authorized Improvements that only benefit Improvement Area #1, more specifically described in **Section III.A** and depicted on **Exhibit I-1**.

“Improvement Area #1 Projects” means the Improvement Area #1 Improvements and Improvement Area #1’s allocable share of the Major Improvements.

“Improvement Area #1 Reimbursement Agreement” means that certain “PID Construction, Financing, and Reimbursement Agreement Mustang Valley Public Improvement District” effective April 3, 2024, entered into by and between the City and Owner, whereby all or a portion of the Actual Costs not paid to Owner from PID Bonds, will be paid to the Owner from Improvement Area #1 Assessments to reimburse the Owner for Actual Costs paid by the Owner, plus interest, that are eligible to be paid with Improvement Area #1 Assessments.

“Improvement Area #1 Reimbursement Obligation” means an amount not to exceed \$2,366,000 secured by the Improvement Area #1 Assessments to be paid to Owner pursuant to the Improvement Area #1 Reimbursement Agreement, but excluding any payments from the net proceeds of PID Bonds. The Annual Installments for the Improvement Area #1 Reimbursement Obligation are shown on **Exhibit F-2**. The Improvement Area #1 Reimbursement Obligation is anticipated to be satisfied and financed by a portion of the Improvement Area #1 Bonds. At the time that PID Bonds are issued, the Bonds will be sized so that the Tax Rate Equivalent will not exceed \$0.45.

“Indenture” means an Indenture of Trust entered into in connection with the issuance of PID Bonds, as amended or supplemented from time to time, between the City and a Trustee setting forth terms and conditions related to PID Bonds, if issued.

“Lot” means (1) for any portion of the District for which a subdivision plat has been recorded in the official public records of the County, a tract of land described as a “lot” in such subdivision plat, and (2) for any portion of the District for which a subdivision plat has not been recorded in the official public records of the County, a tract of land anticipated to be described as a “lot” in a final recorded subdivision plat.

“Lot Type” means a classification of final building Lots with similar characteristics (e.g. commercial, light industrial, multi-family, single-family residential, etc.), as determined by the Administrator and confirmed and approved by the City Council. In the case of single-family residential Lots, the Lot Type shall be further defined by classifying the residential Lots by the Estimated Buildout Value of the Lot as determined by the Administrator and confirmed and approved by the City Council.

“Lot Type 1” means a Lot within Improvement Area #1 designated as a 60’ single-family residential lot by the Owner, as shown on the maps attached in **Exhibit H**.

“Major Improvements” means those Authorized Improvements described in **Section III.B** that benefit all areas within the District.

“Maximum Assessment” means, for each Lot within Improvement Area #1, the amount shown for each Lot Type on **Exhibit G**. The Maximum Assessment shall be reduced annually by the principal portion of the Annual Installment.

“Non-Benefited Property” means Parcels within the boundaries of the District that accrue no special benefit from the Authorized Improvements. Property is identified as Non-Benefited Property at the time the Assessments (1) are levied or (2) are reallocated pursuant to a subdivision of a Parcel that receives no benefit.

“Owner” means either KB Home Lone Star Inc. or any successor and assigns.

“Parcel(s)” means a property within the District, identified by either a tax map identification number assigned by the Appraisal District for real property tax purposes, by metes and bounds description, or by lot and block number in a final subdivision plat recorded in the official public records of the County, or by any other means determined by the City.

“Phase 1 Plat” means the Final Plat of Holley-Smith Phase 1, recorded with the County on October 26, 2023, and attached as **Exhibit B-3**.

“PID Act” means Chapter 372, Texas Local Government Code, as amended.

“PID Bonds” means bonds issued by the City to finance the Actual Costs of the Authorized Improvements.

“Prepayment” means the payment of all or a portion of an Assessment before the due date of the final installment thereof. Amounts received at the time of a Prepayment which represent a

payment of principal, interest or penalties on a delinquent installment of an Assessment are not to be considered a Prepayment, but rather are to be treated as the payment of the regularly scheduled Annual Installment of the Assessment.

“Prepayment Costs” means interest and Annual Collection Costs incurred up to the date of Prepayment.

“Private Improvements” means those electric improvements, which are not Authorized Improvements and are necessary to deliver finished lots within Improvement Area #1. Private Improvements are not eligible for reimbursement, and will be paid by the Owner, as shown in **Exhibit E**.

“Property ID” means a unique number assigned to each Parcel by the Appraisal District.

“Service and Assessment Plan” means any Service and Assessment Plan as amended, modified, and updated from time to time.

“Service Plan” means a plan approved by the City Council that covers a period of at least five years and defines the annual indebtedness and projected costs of the Authorized Improvements, more specifically described in **Section V**.

“Tax Rate Equivalent” means the equivalent tax rate of the average Annual Installment of the Assessment per \$100 of Estimated Buildout Value of the respective Lot, as shown on **Exhibit G**. The Assessment is not a tax.

“Trustee” means a trustee (or successor trustee) under the applicable Indenture.

SECTION II: THE DISTRICT

The District includes approximately 136.904 contiguous acres located within the corporate limits of the City, as more particularly described by metes and bounds on **Exhibit A-1** and depicted on **Exhibit B-1**. Development of the District is anticipated to include approximately 357 single-family units.

Improvement Area #1 includes approximately 60.42 acres located within the District, as more particularly described by metes and bounds on **Exhibit A-2** and depicted on **Exhibit B-2**. Development of Improvement Area #1 is anticipated to include approximately 135 single-family units.

SECTION III: AUTHORIZED IMPROVEMENTS

The City Council, based on information provided by the Owner and their engineer and reviewed by the City staff and by third-party consultants retained by the City, has determined that the Improvement Area #1 Improvements, Major Improvements, Administrative Reserves and Bond Issuance Costs are Authorized Improvements and confer a special benefit on the Assessed Property. The budget for the Authorized Improvements is shown on **Exhibit C-1**, and maps depicting the Authorized Improvements are shown on **Exhibit I-1** and **Exhibit I-3**.

A. Improvement Area #1 Improvements

▪ *Streets*

Improvements including subgrade stabilization, road base, asphalt, concrete and reinforcing steel for roadways, testing, sidewalks, handicapped ramps, and streetlights. All related demolition, tree removal, clearing and grubbing, earthwork, excavation, retaining walls, intersections, signage and striping, and re-vegetation of all disturbed areas within the right-of-way are included. Improvements including erosion control measures (e.g., erosion matting, rock berms, silt fence, inlet protection), construction entrance, SWPPP sign and inspections, and re-vegetation of all disturbed areas within the proposed District are included to provide road access to each Lot within Improvement Area #1.

▪ *Drainage*

Improvements including earthen channels, swales, curb and drop inlets, storm sewer piping and boxes, headwalls, manholes, concrete flumes, rock rip rap, detention ponds, concrete outfalls, and testing as well as all related earthwork, excavation, erosion control and all necessary appurtenances required to provide storm drainage for all Lots within Improvement Area #1.

- *Potable Water*

Improvements including trench excavation and embankment, trench safety, PVC piping, encasement, service connections, testing, related earthwork, excavation, erosion control and all other necessary appurtenances required to provide water service to all Lots within Improvement Area #1.

- *Wastewater*

Improvements including trench excavation and embankment, trench safety, PVC piping, encasing, boring, manholes, service connections, testing, related earthwork, excavation, erosion control and all necessary appurtenances required to provide wastewater service to all Lots within Improvement Area #1.

- *Soft Costs*

Costs related to designing, constructing, and installing the Authorized Improvements including land planning and design, City fees, inspection fees, engineering, material testing, survey, and legal.

B. Major Improvements

- *Streets*

Improvements including subgrade stabilization, road base, asphalt, concrete and reinforcing steel for roadways, testing, sidewalks, handicapped ramps, and streetlights. All related demolition, tree removal, clearing and grubbing, earthwork, excavation, and re-vegetation of all disturbed areas within the right-of-way are included. Improvements including erosion control measures (e.g., erosion matting, rock berms, silt fence, inlet protection), construction entrance, SWPPP sign and inspections, and re-vegetation of all disturbed areas within the proposed District are included. The erosion control improvements will provide benefit to all Lots within the District. The street improvements will provide benefit to each lot for all PID areas proposed for Mustang Valley as well as Improvement Area #1.

- *Drainage*

Improvements including storm sewer piping and boxes, headwalls, manholes, rock rip rap, detention ponds, concrete outfalls, and testing as well as all related earthwork, excavation, erosion control and all necessary appurtenances required to provide storm drainage for each lot for all PID areas proposed for Mustang Valley as well as Improvement Area #1.

- *Potable Water*

Improvements including trench excavation and embankment, trench safety, PVC piping, encasement, service connections, testing, related earthwork, excavation, erosion control and all other necessary appurtenances required to provide water service to all Lots for all PID areas proposed for Mustang Valley as well as Improvement Area #1.

- *Wastewater*

Improvements including trench excavation and embankment, trench safety, PVC piping, encasing, boring, manholes, service connections, testing, related earthwork, excavation, erosion control and all necessary appurtenances required to provide wastewater service to all Lots for all PID areas proposed for Mustang Valley as well as Improvement Area #1.

C. Bond Issuance Costs

- *Debt Service Reserve Fund*

Equals the amount required to fund a reserve under the Indenture in connection with the issuance of PID Bonds, if issued. This amount may be updated or revised at the time of issuance if PID Bonds are issued.

- *Capitalized Interest*

Equals the amount of capitalized interest available for payment of interest on PID Bonds, if issued, as reflected in the Indenture. This amount may be updated or revised at the time of issuance if PID Bonds are issued.

- *Underwriter's Discount*

Equals a percentage of the par amount of a particular series of PID Bonds, if issued, and includes a fee for underwriter's counsel. This amount may be updated or revised at the time of issuance if PID Bonds are issued.

- *Cost of Issuance*

Costs associated with issuing PID Bonds, if issued, including but not limited to attorney fees, financial advisory fees, consultant fees, appraisal fees, printing costs, publication costs, City costs, fees charged by the Texas Attorney General, and any other cost or expense directly associated with the issuance of PID Bonds. This amount may be updated or revised at the time of issuance if PID Bonds are issued.

D. Administrative Reserves

- *First Year Annual Collection Costs*

The estimated Annual Collection Costs associated with the first year of the District.

SECTION IV: PRIVATE IMPROVEMENTS

The City Council, based on information provided by the Owner and their engineer and reviewed by the City staff and by third-party consultants retained by the City, has determined that the Private Improvements are not Authorized Improvements. The budget for the Private Improvements is shown on **Exhibit C-1**, and maps depicting the Private Improvements are shown on **Exhibit I-2**.

A. Private Improvements

- *Electric*

Improvement Area #1 of the District was built with electric service provided to all single-family homes, streetlights, and landscaping.

SECTION V: SERVICE PLAN

The PID Act requires the Service Plan to cover a period of at least five years. The Service Plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the District during the five-year period. The Service Plan must be reviewed and updated, at least annually, and approved by the City Council. **Exhibit D** summarizes the Service Plan for the District.

PID Bonds may be issued by the City to pay all or a portion of the Improvement Area #1 Reimbursement Obligation owed under the Improvement Area #1 Reimbursement Agreement. If and when PID Bonds are issued, the PID Bonds will fund costs of issuance of the PID Bonds and other costs set forth in **Section III** above. Assessments may be collected in an amount sufficient to pay principal, interest, and Additional Interest on the PID Bonds, costs of issuance of the PID Bonds, and to fund the debt service reserve requirement, as defined in the applicable Indenture.

Exhibit E summarizes the sources and uses of funds required to construct the Authorized Improvements. The sources and uses of funds shown on **Exhibit E** shall be updated each year in the Annual Service Plan Update to reflect any budget revisions and Actual Costs.

SECTION VI: ASSESSMENT PLAN

The PID Act allows the City Council to apportion the costs of the Authorized Improvements to the Assessed Property based on the special benefit received from the Authorized Improvements. The PID Act provides that such costs may be apportioned: (1) equally per front foot or square foot; (2) according to the value of property as determined by the City Council, with or without regard to improvements constructed on the property; or (3) in any other manner approved by the City

Council that results in imposing equal shares of such costs on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance reasonable classifications and formulas for the apportionment of the cost between the municipality or the City and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Owner and all future owners and developers of the Assessed Property.

A. Assessment Methodology

The City Council, acting in its legislative capacity based on information provided by the Owner and its engineer and reviewed by the City staff and by third-party consultants retained by the City, has determined that the Authorized Improvements shall be allocated as follows:

- The Improvement Area #1 Improvements shall be allocated entirely to the Improvement Area #1 Assessed Property.
- Major Improvements shall be allocated between Improvement Area #1 and the Future Improvement Areas based on Estimated Buildout Value, as shown in **Exhibit C-2**.
- Bond Issuance Costs and Administrative Reserves shall be allocated entirely to the Assessed Property securing the applicable PID Bond.

B. Assessments

Improvement Area #1 Assessments were levied on the Improvement Area #1 Assessed Property as shown on the Improvement Area #1 Assessment Roll, attached hereto as **Exhibit F-1**. The projected Improvement Area #1 Annual Installments are shown on **Exhibit F-2**, subject to revisions made during any Annual Service Plan Update.

Upon subdivisions of Assessed Property within an Improvement Area by final plat, the Maximum Assessment for each Lot Type is shown on **Exhibit G**. In no case will the Assessment for any Lot Type exceed the Maximum Assessment.

C. Findings of Special Benefit

The City Council, acting in its legislative capacity based on information provided by the Owner and its engineer and reviewed by the City staff and by third-party consultants retained by the City, has found and determined:

- *Improvement Area #1*
 1. The costs of Improvement Area #1 Authorized Improvements equal \$7,025,972, as shown on **Exhibit C-1**; and

2. The Improvement Area #1 Assessed Property receives special benefit from Improvement Area #1 Authorized Improvements equal to or greater than the Actual Costs of the Improvement Area #1 Authorized Improvements; and
3. The Improvement Area #1 Assessed Property was allocated 100% of the Improvement Area #1 Assessments levied on the Improvement Area #1 Assessed Property for Improvement Area #1 Authorized Improvements, which equal \$2,366,000, as shown on the Improvement Area #1 Assessment Roll attached hereto as **Exhibit F-1**; and
4. The special benefit ($\geq \$7,025,972$) received by the Improvement Area #1 Assessed Property from Improvement Area #1 Authorized Improvements is equal to or greater than the amount of the Improvement Area #1 Assessments (\$2,366,000) levied on the Improvement Area #1 Assessed Property; and
5. At the time the City Council approved the Assessment Ordinance levying the Improvement Area #1 Assessments, the Owner owned 67.41% of the Improvement Area #1 Assessed Property. The Owner acknowledged that Improvement Area #1 Authorized Improvements confer a special benefit on the Improvement Area #1 Assessed Property and consented to the imposition of the Improvement Area #1 Assessments to pay for Improvement Area #1 Authorized Improvements associated therewith. The Owner ratified, confirmed, accepted, agreed to, and approved (1) the determinations and findings by the City Council as to the special benefits described herein and in the Assessment Ordinance, (2) the Service and Assessment Plan and the Assessment Ordinance, and (3) the levying of the Improvement Area #1 Assessments on the Improvement Area #1 Assessed Property.

D. Annual Collection Costs

The Annual Collection Costs shall be paid for on a pro rata basis by each Parcel based on the amount of outstanding Assessment remaining on the Assessed Property. The Annual Collection Costs shall be collected as part of and in the same manner as Annual Installments in the amounts shown on the Assessment Roll, which may be revised based on Actual Costs incurred in Annual Service Plan Updates.

E. Additional Interest

Additional Interest will not be collected as part of the Improvement Area #1 Reimbursement Obligation. If PID Bonds are issued, the interest rate on Assessments levied on the Assessed Property may exceed the interest rate on the PID Bonds by the Additional Interest Rate. If and when PID Bonds are issued, Additional Interest shall be collected as part of each Annual Installment and shall be deposited pursuant to the applicable Indenture.

F. Interest

The interest on the Improvement Area #1 Assessment securing the Improvement Area #1 Reimbursement Obligation shall be collected at rates established under the Improvement Area #1 Reimbursement Agreement as part of the Improvement Area #1 Annual Installment pursuant to the Improvement Area #1 Reimbursement Agreement.

SECTION VII: TERMS OF THE ASSESSMENTS

A. Reallocation of Assessments

1. *Upon Division Prior to Recording of Subdivision Plat*

Upon the division of any Assessed Property (without the recording of subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Property

B = the Assessment for the Assessed Property prior to division

C = the Estimated Buildout Value of the newly divided Assessed Property

D = the sum of the Estimated Buildout Value for all of the newly divided Assessed Properties

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this 2025 Service and Assessment Plan approved by the City Council.

2. *Upon Subdivision by a Recorded Subdivision Plat*

Upon the subdivision of any Assessed Property based on a recorded subdivision plat and a Property ID has been assigned by the Appraisal District, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the new subdivided Lots based on Estimated Buildout Value according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the Estimated Buildout Value of all newly subdivided Lots with same Lot Type

D = the sum of the Estimated Buildout Value for all of the newly subdivided Lots excluding Non-Benefited Property

E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Owner shall provide the City an Estimated Buildout Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact value. The calculation of the estimated average buildout value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Owner, homebuilders, third party consultants, and/or the official public records of the County regarding the Lot.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this 2025 Service and Assessment Plan approved by the City Council.

3. Upon Consolidation

If two or more Lots or Parcels are consolidated, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

B. True-Up of Assessments if Maximum Assessment Exceeded

Prior to the approval of a final subdivision plat, the Administrator shall certify that the final plat will not cause the Assessment for any Lot Type to exceed the Maximum Assessment. If the subdivision of any Assessed Property by a final subdivision plat causes the Assessment per Lot for any Lot Type to exceed the applicable Maximum Assessment for such Lot Type, the Owner must partially prepay the Assessment for each Assessed Property that exceeds the applicable Maximum Assessment for such Lot Type in an amount sufficient to reduce the Assessment to the applicable Maximum Assessment for such Lot Type. The City's approval of a final subdivision plat

without payment of such amounts does not eliminate the obligation of the person or entity filing the plat to pay such Assessments.

C. Mandatory Prepayment of Assessments

If Assessed Property is transferred to a person or entity that is exempt from payment of the Assessment, the owner transferring the Assessed Property shall pay to the Administrator the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the transfer. If the owner of the Assessed Property causes the Assessed Property to become Non-Benefited Property, the owner causing the change in status shall pay the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the change in status.

D. Reduction of Assessments

If as a result of cost savings or an Authorized Improvement not being constructed, the Actual Costs of completed Authorized Improvements are less than the Assessments, the City Council shall reduce each Assessment on a pro-rata basis such that the sum of the resulting reduced Assessments for all Assessed Properties equals the reduced Actual Costs. Excess PID Bond proceeds shall be applied to redeem outstanding PID Bonds. The Assessments shall not, however, be reduced to an amount less than the outstanding PID Bonds.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments.

E. Prepayment of Assessments

The owner of the Assessed Property may pay, at any time, all or any part of an Assessment in accordance with the PID Act. Interest costs from the date of prepayment to the date of redemption of the applicable PID Bonds, if any, may be paid from a reserve established under the applicable Indenture. If an Annual Installment has been billed prior to the Prepayment, the Annual Installment shall be due and payable and shall be credited against the Prepayment.

If an Assessment is paid in full, with Prepayment Costs: (1) the Administrator shall cause the Assessment to be reduced to zero and the Assessment Roll to be revised accordingly; (2) the Administrator shall cause the revised Assessment Roll to be approved by the City Council as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual Installments shall terminate; and (4) the City shall provide the owner with a recordable "Notice of PID Assessment Lien Termination," a form of which is attached hereto as **Exhibit J**.

If an Assessment is paid in part, with Prepayment Costs: (1) the Administrator shall cause the Assessment to be reduced and the Assessment Roll revised accordingly; (2) the Administrator shall cause the revised Assessment Roll to be approved by the City Council as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment and corresponding Annual Installments shall be reduced to the extent of the prepayment made.

F. Prepayment as a Result of Eminent Domain Proceeding or Taking

Subject to applicable law, if any portion of any Parcel of Assessed Property is taken from an owner as a result of eminent domain proceedings or if a transfer of any portion of any Parcel of Assessed Property is made to an entity with the authority to condemn all or a portion of the Assessed Property in lieu of or as a part of an eminent domain proceeding (a **“Taking”**), the portion of the Assessed Property that was taken or transferred (the **“Taken Property”**) shall be reclassified as Non-Benefited Property.

For the Assessed Property that is subject to the Taking as described in the preceding paragraph, the Assessment that was levied against the Assessed Property (when it was included in the Taken Property) prior to the Taking shall remain in force against the remaining Assessed Property (the Assessed Property less the Taken Property) (the **“Remaining Property”**), following the reclassification of the Taken Property as Non-Benefited Property, subject to an adjustment of the Assessment applicable to the Remaining Property after any required Prepayment as set forth below. The owner of the Remaining Property will remain liable to pay in Annual Installments, or payable as otherwise provided by this 2025 Service and Assessment Plan, as updated, or the PID Act, the Assessment that remains due on the Remaining Property, subject to an adjustment in the Assessment applicable to the Remaining Property after any required Prepayment as set forth below. Notwithstanding the foregoing, if the Assessment that remains due on the Remaining Property exceeds the Maximum Assessment, the owner of the Remaining Property will be required to make a Prepayment in an amount necessary to ensure that the Assessment against the Remaining Property does not exceed the Maximum Assessment, in which case the Assessment applicable to the Remaining Property will be reduced by the amount of the partial Prepayment. If the City receives all or a portion of the eminent domain proceeds (or payment made in an agreed sale in lieu of condemnation), such amount shall be credited against the amount of prepayment, with any remainder credited against the assessment on the Remaining Property.

In all instances the Assessment remaining on the Remaining Property shall not exceed the Maximum Assessment.

By way of illustration, if an owner owns 100 acres of Assessed Property subject to a \$100 Assessment and 10 acres is taken through a Taking, the 10 acres of Taken Property shall be reclassified as Non-Benefited Property and the remaining 90 acres of Remaining Property shall

be subject to the \$100 Assessment, (provided that this \$100 Assessment does not exceed the Maximum Assessment on the Remaining Property). If the Administrator determines that the \$100 Assessment reallocated to the Remaining Property would exceed the Maximum Assessment on the Remaining Property by \$10, then the owner shall be required to pay \$10 as a Prepayment of the Assessment against the Remaining Property and the Assessment on the Remaining Property shall be adjusted to be \$90.

Notwithstanding the previous paragraphs in this subsection, if the owner of the Taken Property notifies the City and the Administrator that the Taking prevents the Remaining Property from being developed for any use which could support the Estimated Buildout Value requirement, the owner shall, upon receipt of the compensation for the Taken Property, be required to prepay the amount of the Assessment required to buy down the outstanding Assessment to the Maximum Assessment on the Remaining Property to support the Estimated Buildout Value requirement. Said owner will remain liable to pay the Annual Installments on both the Taken Property and the Remaining Property until such time that such Assessment has been prepaid in full.

Notwithstanding the previous paragraphs in this subsection, the Assessments shall never be reduced to an amount less than the amount required to pay all outstanding debt service requirement on all outstanding PID Bonds, if issued.

G. Payment of Assessment in Annual Installments

Assessments that are not paid in full shall be due and payable in Annual Installments. **Exhibit F-2** shows the projected Improvement Area #1 Annual Installments. Annual Installments are subject to adjustment in each Annual Service Plan Update. Until a plat has been recorded on a Parcel and a Property ID has been assigned by the Appraisal District within Improvement Area #1 or the Major Improvement Area, the Annual Installment will be allocated to each Property ID within the Improvement Area #1 Assessed Property, and Major Improvement Area Assessed Property, respectively, based on the Appraisal District acreage for billing purposes only.

The Administrator shall prepare and submit to the City Council for its review and approval, with a copy provided to the Developer contemporaneously therewith, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and updated calculations of Annual Installments. Annual Collection Costs shall be allocated equally among Parcels for which the Assessments remain unpaid. Annual Installments shall be collected in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the PID Act and in the same manner as ad valorem taxes for the City. The City Council may provide for other means of collecting Annual Installments. Assessments shall have the lien priority specified in the PID Act.

Sales of the Assessed Property for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Annual Installments against the Assessed Property, and the Assessed Property may again be sold at a judicial foreclosure sale if the purchaser fails to timely pay the non-delinquent Annual Installments as they become due and payable.

The City reserves the right to refund PID Bonds in accordance with the PID Act and the applicable Indenture. In the event of a refunding, the Administrator shall recalculate the Annual Installments so that total Annual Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute "PID Bonds."

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be due when billed and shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments shall be due when billed and shall be delinquent if not paid prior to February 1, 2026.

SECTION VIII: ASSESSMENT ROLL

The Improvement Area #1 Assessment Roll is attached as **Exhibit F-1**. The Administrator shall prepare and submit to the City Council for review and approval, proposed revisions to the Improvement Area #1 Assessment Roll and Improvement Area #1 Annual Installments for each Parcel within the Improvement Area #1 Assessed Property as part of each Annual Service Plan Update.

SECTION IX: ADDITIONAL PROVISIONS

A. Calculation Errors

If the owner of a Parcel claims that an error has been made in any calculation required by this 2025 Service and Assessment Plan, including, but not limited to, any calculation made as part of any Annual Service Plan Update, the owner's sole and exclusive remedy shall be to submit a written notice of error to the Administrator by December 1st of each year following City Council approval of the calculation; otherwise, the owner shall be deemed to have unconditionally approved and accepted the calculation. Upon receipt of a written notice of error from an owner the Administrator shall provide a written response to the City Council and the owner within 30 days of such referral. The City Council shall consider the owner's notice of error and the Administrator's response at a City Council meeting, and within 30 days after closing such meeting, the City Council shall make a final determination as to whether or not an error has been made. If the City Council determines that an error has been made, the City Council shall take such corrective action as is authorized by the PID Act, this 2025 Service and Assessment Plan, the applicable ordinance authorizing the PID Bonds, or the Indenture, or is otherwise authorized by

the discretionary power of the City Council. The determination by the City Council as to whether an error has been made, and any corrective action taken by the City Council, shall be final and binding on the owner and the Administrator.

B. Amendments

Amendments to this 2025 Service and Assessment Plan must be made by the City Council in accordance with the PID Act. To the extent permitted by the PID Act, this 2025 Service and Assessment Plan may be amended without notice to owners of the Assessed Property: (1) to correct mistakes and clerical errors; (2) to clarify ambiguities; and (3) to provide procedures to collect Assessments, Annual Installments, and other charges imposed by this 2025 Service and Assessment Plan.

C. Administration and Interpretation

The Administrator shall: (1) perform the obligations of the Administrator as set forth in this 2025 Service and Assessment Plan; (2) administer the District for and on behalf of and at the direction of the City Council; and (3) interpret the provisions of this 2025 Service and Assessment Plan. Interpretations of this 2025 Service and Assessment Plan by the Administrator shall be in writing and shall be appealable to the City Council by owners or developers adversely affected by the interpretation. Appeals shall be decided at a meeting of the City Council during which all interested parties have an opportunity to be heard. Decisions by the City Council shall be final and binding on the owners and developers and their successors and assigns.

D. Form of Buyer Disclosure

Per Section 5.014 of the Texas Property Code, as amended, this 2025 Service and Assessment Plan, and any future Annual Service Plan Updates, shall include a form of the buyer disclosures for the District. The buyer disclosure is attached hereto in **Exhibit L**. Within seven days of approval by the City Council, the City shall file and record in the real property records of the County the executed ordinance approving this 2025 Service and Assessment Plan, or any future Annual Service Plan Updates. The executed ordinance, including any attachments, approving this 2025 Service and Assessment Plan or any future Annual Service Plan Updates shall be filed and recorded in the real property records of the County in its entirety.

E. Severability

If any provision of this 2025 Service and Assessment Plan is determined by a governmental agency or court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Every effort shall be made to enforce the remaining provisions.

EXHIBIT L – BUYER DISCLOSURES

Buyer disclosures for the following Lot Types are found in this Exhibit:

- Improvement Area #1
 - Lot Type 1

LOT TYPE 1 BUYER DISCLOSURE

NOTICE OF OBLIGATIONS RELATED TO PUBLIC IMPROVEMENT DISTRICT

A person who proposes to sell or otherwise convey real property that is located in a public improvement district established under Subchapter A, Chapter 372, Local Government Code (except for public improvement districts described under Section 372.005), or Chapter 382, Local Government Code, shall first give to the purchaser of the property this written notice, signed by the seller.

For the purposes of this notice, a contract for the purchase and sale of real property having a performance period of less than six months is considered a sale requiring the notice set forth below.

This notice requirement does not apply to a transfer:

- 1) under a court order or foreclosure sale;
- 2) by a trustee in bankruptcy;
- 3) to a mortgagee by a mortgagor or successor in interest or to a beneficiary of a deed of trust by a trustor or successor in interest;
- 4) by a mortgagee or a beneficiary under a deed of trust who has acquired the land at a sale conducted under a power of sale under a deed of trust or a sale under a court-ordered foreclosure or has acquired the land by a deed in lieu of foreclosure;
- 5) by a fiduciary in the course of the administration of a decedent's estate, guardianship, conservatorship, or trust;
- 6) from one co-owner to another co-owner of an undivided interest in the real property;
- 7) to a spouse or a person in the lineal line of consanguinity of the seller;
- 8) to or from a governmental entity; or
- 9) of only a mineral interest, leasehold interest, or security interest

The following notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller having provided the required notice, the purchaser, subject to certain exceptions, is entitled to terminate the contract.

A separate copy of this notice shall be executed by the seller and the purchaser and must be filed in the real property records of the county in which the property is located at the closing of the purchase and sale of the property.

AFTER RECORDING¹ RETURN TO:

NOTICE OF OBLIGATION TO PAY IMPROVEMENT DISTRICT ASSESSMENT TO
MANOR, TEXAS
CONCERNING THE FOLLOWING PROPERTY

STREET ADDRESS

LOT TYPE 1 PRINCIPAL ASSESSMENT: \$17,525.93

As the purchaser of the real property described above, you are obligated to pay assessments to Manor, Texas, for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within ***Mustang Valley Public Improvement District*** (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City of Manor. The exact amount of each annual installment will be approved each year by the Manor City Council in the annual service plan update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City of Manor.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

¹ To be included in separate copy of the notice required by Section 5.0143, Tex. Prop. Code, to be executed at the closing of the purchase and sale and to be recorded in the deed records of Travis County when updating for the Current Information of Obligation to Pay Improvement District Assessment.

Notes:

[a] Interest is calculated at a rate of 5.875% which is less than 2% above the 30-year Municipal Market Data Index, which was 4.14% as of November 12, 2025, as required by the PID Act. If PID Bonds are issued, the interest rate on the Assessment will adjust to the interest rate on the Bonds plus Additional Interest.

[b] If PID Bonds are issued, Additional Interest will be charged and collected.

[c] The Bond Par shall be reduced to ensure the fixed PID Tax Rate Equivalent of \$0.45 isn't exceeded should the interest rates on the bonds plus Additional Interest at bond sale be higher than the Reimbursement Obligation rate.

[d] The figures shown above are estimates only and subject to change in Annual Service Plan Updates. Changes in Annual Collection Costs, reserve fund requirements, interest earnings, or other available offsets could increase or decrease the amounts shown.

**ENGINEERING REPORT
MUSTANG VALLEY (HOLLEY-SMITH)**

PUBLIC IMPROVEMENT DISTRICT IMPROVEMENT AREA #1

I. INTRODUCTION

The Holley-Smith Subdivision, politically named Mustang Valley, is an approximately 136.92-acre tract of land that is located in the City Limits of Manor, Texas, just north of Manor High School on FM 973. Improvement Area #1 encompasses Phase 1 plat area consisting of 60.420 acres. The construction plans were phased into 1A & 1B within the Holley-Smith Phase 1 plat area that is Mustang Valley Public Improvement District Area #1.

This report includes supporting documentation for Improvement Area #1 of the Mustang Valley Public Improvement District (PID), Major Tract improvements built in PID Area #1 that serve all PID improvement areas, and the issuance of bonds by the City of Manor. The bonds are anticipated to be used to finance public infrastructure projects vital for the development within the PID.

II. DEVELOPMENT COSTS

An Engineer's sealed cost from construction of the PID area #1 has been prepared, including major infrastructure. The construction cost has been provided in **Section VII**.

III. DEVELOPMENT IMPROVEMENTS

Development improvements that are included in Improvement Area #1 of the PID are depicted in **Section VIII**.

IV. DEVELOPMENT SCHEDULE

Mustang Valley Improvement Area #1 is the first of the development areas for all of the Mustang Valley PID. Improvement Area #1 consists of site grading, streets, drainage Facilities (channels, culverts, pond, and outfall structures), extension of water and wastewater systems. These improvements are completed as of Quarter 4 of 2024. No other in-tract improvements are needed for PID Area #1.

V. AUTHORIZED IMPROVEMENT DESCRIPTIONS EXAMPLES

Improvements

▪ *Streets*

Improvements including subgrade stabilization, road base, asphalt, concrete and reinforcing steel for roadways, testing, sidewalks, handicapped ramps, and streetlights. All related demolition, tree removal, clearing and grubbing, earthwork, excavation, retaining walls, intersections, signage and striping, and re-vegetation of all disturbed areas within the right-of-way are included. Improvements including erosion control measures (e.g., erosion matting, rock berms, silt fence, inlet protection), construction entrance, SWPPP sign and inspections, and re-vegetation of all disturbed areas within the proposed District are included. The erosion control improvements will provide benefit to all Lots within the District. The street improvements will provide benefit to each Lot within the PID Area #1.

▪ *Drainage*

Improvements including earthen channels, swales, curb and drop inlets, storm sewer piping and boxes, headwalls, manholes, concrete flumes, rock rip rap, concrete outfalls, and testing as well as all related earthwork, excavation, erosion control and all necessary appurtenances required to provide storm drainage for all Lots within the PID Area #1.

▪ *Potable Water*

Improvements including trench excavation and embankment, trench safety, PVC piping, encasement, service connections, testing, related earthwork, excavation, erosion control and all other necessary appurtenances required to provide water service to all Lots within the PID Area #1.

▪ *Wastewater*

Improvements including trench excavation and embankment, trench safety, PVC piping, encasing, boring, manholes, service connections, testing, related earthwork, excavation, erosion control and all necessary appurtenances required to provide wastewater service to all Lots within the PID Area #1.

▪ *Soft Costs*

Costs related to designing, constructing, and installing the Authorized Improvements including land planning and design, City fees, inspection fees, engineering, material testing, survey, and legal.

**ENGINEERING REPORT
MUSTANG VALLEY (HOLLEY-SMITH)**

PUBLIC IMPROVEMENT DISTRICT IMPROVEMENT AREA #1

- *Owner and Maintenance*

All improvements listed will be owned and maintained by the City of Manor.

Major Tract Improvements

- *Street-Ventura Arbor Lane (Anderson Road) and Sidewalk along F.M. 973*

Improvements including subgrade stabilization, road base, asphalt, concrete and reinforcing steel for roadways, testing, sidewalks, handicapped ramps, and streetlights. All related demolition, tree removal, clearing and grubbing, earthwork, excavation, and re-vegetation of all disturbed areas within the right-of-way are included. Improvements including erosion control measures (e.g., erosion matting, rock berms, silt fence, inlet protection), construction entrance, SWPPP sign and inspections, and re-vegetation of all disturbed areas within the proposed District are included. The erosion control improvements will provide benefit to all Lots within the District. The street improvements will provide benefit to each lot for all PID areas proposed for Mustang Valley as well as PID Area #1.

- *Drainage-Detention Pond, Storm in Ventura Arbor and Along F.M. 973*

Improvements including storm sewer piping and boxes, headwalls, manholes, rock rip rap, detention ponds, concrete outfalls, and testing as well as all related earthwork, excavation, erosion control and all necessary appurtenances required to provide storm drainage for each lot for all PID areas proposed for Mustang Valley as well as PID Area #1.

- *Potable Water-Water in Collector Street and Along F.M. 973*

Improvements including trench excavation and embankment, trench safety, PVC piping, encasement, service connections, testing, related earthwork, excavation, erosion control and all other necessary appurtenances required to provide water service to all Lots for all PID areas proposed for Mustang Valley as well as PID Area #1.

- *Wastewater-Extension across park area to future phases.*

Improvements including trench excavation and embankment, trench safety, PVC piping, encasing, boring, manholes, service connections, testing, related earthwork, excavation, erosion control and all necessary appurtenances required to provide wastewater service to all Lots for all PID areas proposed for Mustang Valley as well as PID Area #1.
