

To: Mayor and City Council Members

From: Mike Tuley, Director of Public Works

Date: September 21, 2022

**RE:** August Monthly Report

# **Public Works Department**

# Street and Public, Parks, and Maintenance Department

In August, the Public Parks and Maintenance Department mowed all city facilities, alleys, and right of ways. They cleaned and maintained all city's facilities and parks. They performed all maintenance on city vehicles and heavy equipment and the Street Department repaired streets, curbs, and signs.

# Water and Wastewater Department

In August, the Water Department performed daily maintenance on the water system, repaired water mains, set water meters and tested the water daily and the Wastewater Department performed daily maintenance on the wastewater plant. They cleaned and unstopped wastewater mains.

# **Water Production & Purchase**

In August, 43 % of the water we supplied to our residents was from our wells, and we purchased 57 % from EPCOR and Manville WSC.

# **Population**

City of Manor- 18,687

Shadowglen- 6,348

# **Subdivision Inspections**

- Street Inspections- 38
- MS4 20 Inspection per working day.
- Water Inspections- 9
- Wastewater Inspections- 10

### CITY OF MANOR CAPITAL PROJECT STATUS REPORT PUBLIC WORKS DEPARTMENT

September 2022

	downtown to Manor Commons area	due to missing easement.  Condemnation hearing set for September 19, 2022.	complete.
Pavement Management Program	Pavement Assessment and Management Program	Began working on Phase 2. Provided City Staff lists for FY2022 projects.	Phase 2 – 15% complete
Cottonwood Creek Phase 2 Wastewater Line Extension	Northern extension of gravity wastewater line in Cottonwood Creek Basin	Construction has been halted because property for the northernmost section has not been acquired by the developer. Survey demand letter scheduled for week Sept. 19 <sup>th</sup>	Construction Phase
Manor Commercial Park WW Collection System	Phased wastewater collection system improvements for Beltex area	Surveying is complete and data was received on August 26th. Process in verifying the site layout.	Construction Documents
Gregg Manor Road GST and Pressurization Facilities	Ground storage tank and water pressurization facilities for the EPCOR water delivery point	Working on updating site layout as well as specifications for submittal to TCEQ. An easement will be required for crossing Shadowglen Golf Course driveway.	Working on Construction documents.
FM 973 and US 290 Water Lines, CIP W- 15 & W-16	Water line extensions along FM973 and US 290	Working on preliminary waterline layout.	Preliminary Engineering
Bell Farms and Presidential Glen LS Imp, CIP-2 & CIP-3	Upgrades to the Bell Farms and Presidential Glen lift stations to provide capacity for new growth	Preliminary Engineering submittals are under City Review, the final design is underway. Development changes affected design flow and new LUEs estimated at Bell Farms.	Preliminary/Design Engineering
FY 2021 Paving Improvements Project	Capital Metro BGA and City- Funded paving improvements	Caldwell and Bastrop along with City prepared streets have been paved. Work on Parsons to start week of September 5. The contractor has TCP for Parsons, and work is to begin on August 29 <sup>th</sup> . Will be looking at black base for use along Parsons.	Under construction. 65% complete.
Cottonwood Creek West Tributary WW Improvements	Wastewater CIP Line in Cottonwood Creek West Tributary Basin	Preliminary Engineering is under internal review. Surveying underway.	Preliminary Engineering
Cottonwood Creek WWTP Phase II Expansion	Developer funded expansion of the plant	Internal kickoff meeting scheduled this week	Project Mobilization
Cottonwood Creek WWTP Phase III Grant Project	Grant funded expansion of the Cottonwood Wastewater Treatment Plant	Actively working with Gandolf. We will set up another meeting to confirm his service	Preliminary Engineering

210 Reuse Authorization Application	Application for reclaimed water authorization for the Cottonwood Creek WWTP as part of Lease/Purchase	Development of submittal package under way	Application Assembly
	Contract		

# **Streets and Parks Monthly Report August 2022**

## **Daily Duties and Projects 8-1-2022 / 8-31-2022**

#### **Street Maintenance**

Water cut repair at Browning and Gregg St. Prepped and repaired with asphalt.

Prepped and paved parking area behind Public Works building.

Patched potholes on Athens, E. Brenham, S. Bastrop, E. Carrie Manor, Sun Crest, Gregg, Gregg Ln, Indian Oak, Bois D Arc, Johnson Rd, San Marcos St.

Stop sign repair at E. Carrie Manor and Lockhart St. and E. Carrie Manor and S. San Marcos.

Water cut repair at Athens St. Prepped and repaired with asphalt.

Placed 3 new banners along Lexington St.

#### **Streets/Parks Maintenance**

Sidewalk repair and replace from water cut.

Repaired 30 mph speed limit sign on Parsons St.

Replaced concrete slab around flagpole.

Weekly table setups and take downs at city hall as requested.

#### **Parks Maintenance**

Cut and chipped 2 trees that had fallen from storm in alley near Burton St.

Closed Bocce courts in Timmerman Park per ADA safety complaints.

Ordered shade structure Carriage Hills Park

Ordered swing set and shade structure for Greenbury Park.

Ordered shade structures for Bell Farms Park

Repainted Jennie Lane Restrooms, Pavilion, and Gazebo.

Ordered new playscape and shade structure for Timmerman Park to be placed West of Bocce Courts. Removed rusty cable along Rector St. at Jennie Lane Park.

Weekly irrigation checks.

Playground and play scape monthly safety checks.

Scheduled weekly park mowing maintenance completed.

Friday Afternoons Bulk Drop Off for city residence.

Scheduled weekly park rounds @ park facilities completed.

Scheduled weekly (ROW) Right of Way mowing completed.

Weekly vehicle & equipment checks and maintenance.
