Based on the discussion the City Council had on the city’s need for future facilities for our projected population growth of 35,000 to 100,000, the following three (3) propositions were the consensus areas:

- Proposition - City/Library Complex
- Proposition – Recreation Center

The City Council will be asked to set the estimated dollar amount for each proposition and call for the Special Election on August 16th. Public meetings and community survey will be utilized to gather citizen input on the construction of future facilities.
