

Section 10.10. Subdivisions and Developments. The council shall adopt, and maintain in full force and affect, a comprehensive ordinance or ordinances regulating the development, subdivision and improvement of land within the city and its extraterritorial jurisdiction. To the extent not in conflict with state law, the council shall have the authority to require for all such land that:

- (a) The owner of every tract of land who may divide the same into two or more parts for the purposes of laying out any subdivision, or any addition to the city, shall comply with the provisions of the comprehensive ordinances governing the subdivision and development of land.
- (b) The subdivision and development of land shall comply with all applicable elements of the comprehensive plan of the city.
- (c) A comprehensive site plan be required and approved for the development of or construction on any lot or parcel of land for which the owner or developer proposes a use for higher than single family or two-family residential.

Section 10.10. Community Committees. The following community committees are hereby established. The City Council shall adopt an ordinance providing for the membership, qualifications, terms, duties, and other matters determined appropriate by the City Council regarding the committees.

- (a) Community Collaborative Committee. The community collaborative committee shall serve to promote communication between the City and the community on issues affecting the City as a whole. The community collaborative committee shall include representatives from the City's homeowners' associations, community non-profit associations, the school district, charter schools, and other members of the community as determined appropriate by the City Council.
- (b) Economic Development Committee. The economic development committee will be made up of representatives from the City, the local business community, and other persons determined appropriate by the City Council. The economic development committee shall serve as a resource for marketing the City and promoting the economic development of the City.
- (c) Public Safety Committee and Community Advisory Committee. The public safety committee shall serve to provide input on the programs and activities of the Police Department and other areas of public safety and to assist in bridging relationships between the community and local police, fire, EMS and to provide direction in matters of public safety. The committee will be made up of members of city council and city staff, and additional members of the community if determined appropriate by the City Council. The public safety committee shall recommend for appointment by the city council persons to serve on a community advisory committee. The community advisory committee shall receive input from the community on ideas, areas of concern, and complaints regarding public safety matters, and shall perform other functions established by the City Council by ordinance.

- (d) Emergency Management Committee. The emergency management committee shall serve to coordinate and integrate activities and capabilities needed to mitigate against, prepare for, respond to, and recover from emergencies, declared disasters or hazards. The committee will be made up of members of city council and city staff, and additional members of the community if determined appropriate by the City Council.

ARTICLE XI. PUBLIC UTILITIES, FRANCHISES AND CONTRACTS

Section 11.01. Public Services and Utilities. The city shall have the full power and authority to:

- (a) Buy, own, construct, lease, maintain and operate within and without the limits of the city a system or systems of gas, electricity, telephone, sewage, sanitation, water, parks, airports, swimming pools, racetracks, transportation, communications, golf course, cemeteries, cable television or any other public service or utility.
- (b) Manufacture, produce or provide its own electricity, gas, water or any other product, good or commodity that may be required by the public for municipal purposes.
- (c) Purchase gas, electricity or any other commodity or article required by the public for municipal purposes, and to contract with any person, entity or public utility for such purchase.
- (d) Distribute and/or sell any utility, commodity or service.
- (e) Mortgage and encumber such public utility or service systems.
- (f) Regulate and control the distribution of utilities and services within the city and establish standards of service and quality of products.
- (g) Establish and enforce the rates to be paid by consumers of any utility or users of any service provided within the city, and if provided by the city, outside of the city.

These powers are vested in the council, and the council may exercise the power of eminent domain to acquire all or part of the property of any public utility or public service provider within the city whenever found by the council to be in the public interest for carrying out the objectives of providing utilities or services within the city. Any such eminent domain or condemnation proceeding shall be according to the procedures and the methods of establishing the value of the property and facilities as provided by state law, and if such procedures or methods are not so provided by state law, as reasonably provided by ordinance.

Section 11.02. Franchises. The council shall have the power and authority to grant franchises for the use and occupancy of streets, avenues, alleys and any and all public property
