Subject: Request for Coordinated Signage Plan Approval

Dear Recipient,

I am writing on behalf of Platinum 973 LLC to request approval for a coordinated signage plan for our property located at 13801 FM 973, Manor, TX 78653. We are planning to install a new 25-foot flag-style fuel price pole sign on the property to ensure clear visibility for customers traveling along FM 973 and Suncrest Road.

The proposed sign will display daily fuel prices, providing an essential service to motorists and enhancing the overall customer experience. We assure you that this installation will comply with all applicable local regulations and guidelines.

We believe this signage will serve as a helpful tool for our community, making fuel pricing accessible and transparent for commuters.

Thank you for your attention to this matter. We look forward to your response and are happy to provide any additional details to facilitate this process.

Sincerely,

Rafiq Kareediya
