**TYPE OF ITEM:** Action      X      Information

**RECOMMENDATION:** Receive progress update on the 2025 Annual Strategic Work Plan

**SUMMARY:** The General Manager will review with the Board the progress that has been made on the 2025 annual work plan, which supports the goals and objectives identified in the District's Five-Year Strategic Plan (2024-2028).

**DISCUSSION:** In February 2024, the Board adopted the District's Five-Year Strategic Plan, which covers the 2024-2028 time period. To operationalize the strategic plan, a work plan will be developed in each of the five years outlining the specific actions to be taken on an annual basis to help advance the goals and objectives in the Five-Year Strategic Plan. Each action item in the work plan, which augments the day-to-day work of the District, includes key milestones and associated timelines to help the District stay on target with its five-year goals and objectives. Periodic updates on the progress of the annual work plans are then provided to the Board.

The 2025 Annual Strategic Work Plan (attached) was reviewed with the Board of Directors at the Annual Board Retreat on January 14, 2025, and the finalized work plan which incorporated input from the Board was reviewed once more at February 11, 2025 meeting. The General Manager will review the progress made thus far on the annual work plan, indicating the status of each element of the work plan, including completed items and areas of significant progress, as well as noting any delays or other changes to the timeline.
