8. Health and Welfare

8.1 Medical Insurance

Active Employees

An employee becomes eligible to participate in the District's health plan on the first day of the month following the receipt of the employee's application for coverage by Human Resources. Employees may elect coverage with any of the health insurance plans authorized under the PERS medical insurance coverage program. For active employees,

the District pays up to the premium amount based upon the CalPERS middle priced plan as described below for the employee and one (1) eligible dependent, with any additional premium amounts to be paid by the employee.

The medical insurance contribution of the District shall be set at the rate of the plan that falls in the middle of the list of available medical plans (sequentially, i.e., if the number of plans offered is odd the rate shall be set at the plan in the middle, for example, if eleven (11) plans are offered, the rate will be set at the plan sixth from the bottom. If the number of plans offered is even the rate shall be set at the lower of the two middle plans, for example if twelve (12) plans are offered the rate would be set at the plan sixth from the bottom.) Any additional costs for the PERS medical insurance coverage chosen by the active employees shall be their responsibility.

Any premiums paid by the employee eligible for Section 125 will be deducted from the employee's pay on a pre-tax basis.

The District will continue to offer Domestic Partner coverage for health insurance based on the PERS requirements and following the required PERS process.

Retirees

The District will contribute toward covered retired employees' medical insurance premiums, as defined by CalPERS regulations for the CalPERS covered retiree. The District's contribution amount shall be based on the following formulas. Any additional costs for the CalPERS medical insurance coverage chosen by the retired employees shall be their responsibility.

Retiree Healthcare- Employees hired before January 1, 2024

Employees hired prior to January 1, 2024, shall be eligible for retiree health insurance after they have completed five (5) years of continuous full time District service. The District's contribution for the retiree and (1) one eligible dependent will be the same as that for active employees as set forth above in this section.

Retiree Healthcare- Employees hired on or after January 1, 2024

Employees hired on or after January 1, 2024, who retire from the District and enroll in the District's retiree healthcare plan (CalPERS Health Benefit Program- Public Employees' Medical and Hospital Care Act (PEMHCA)) shall receive a District paid contribution towards their retiree healthcare and their spouse's healthcare based on the employee's completed years of credited service with the District subject to criteria set forth in this section.

For purposes of determining the District's contribution toward the retiree's and the retiree's spouse's healthcare cost, years of credited service shall mean the employee's continuous full-time years of service with the District as follows:

Years of Credited Service with the District	District's Payment Percentage of Premium Cost for Retired Employee	District's Payment Percentage of Premium Cost for Retired Employee's Spouse
0-9 years of District service	Minimum Employer Contribution Amount set forth in Government Code Section 22892	0%
10-14 years of District service	50%	0%
15-19 years of District service	75%	50%
20+ years of District service	100%	75%

Notwithstanding the provision above, for employees hired on or after January 1, 2024, the maximum amount of the District's contribution toward the retiree's and the retiree's spouse's healthcare costs shall not exceed the District's contribution for active employees' healthcare at the time of the employee's retirement from the District. For example, if the District contributes \$1,035 monthly for an active employees' healthcare at the time of the employee's retirement, both the retiree and the retiree's spouse, if applicable, would receive a contribution towards their healthcare based upon a percentage, as set forth in the table above, of the \$1,035 monthly maximum paid for active employees. Continuing the example, a retiree with 15 years of District service would receive 75% of the \$1,035 monthly maximum (\$776.25), and their spouse, if applicable, would receive 50% of the \$1,035 monthly maximum (\$517.50) until age 65.

For those retirees, hired on or after January 1, 2024, with less than 20 years of District service, the District's contribution toward the retiree's and spouse's healthcare premium shall terminate at age 65. For those retirees, hired on or after January 1, 2024, with 20 years of District service or more, the District's contribution toward the retiree's and spouse's healthcare premium shall be capped at the age of 65, at \$300 per month for the retiree and the retiree's spouse's coverage, if applicable, shall be capped at \$150 per month.

All medical insurance provided in this section is governed by PEMHCA. Any benefit amounts set forth in this section shall be based on either the amount herein or the PEMHCA minimum employer contribution (Government Code section 22892), as may be amended from time to time, whichever is greater. Retirement health benefits are also based on the CalPERS vesting requirement of five years and applicable retirement ages. California Public Employees' Retirement Law governs vesting requirements for public agencies and is subject to change at the State level.

8.2 Medical Plan Exemption

An employee who is eligible for coverage under the District's medical plan specified in Section 8.1, but who is covered by another qualifying medical plan, may elect not to be covered by the District's medical plan by furnishing the District with proof of such qualifying medical coverage and by signing a waiver of benefits. In return for not contributing on said employee's behalf for qualifying medical coverage, the District shall pay the employee one hundred (\$100) per pay period until such time as said employee is reinstated under the District's medical plan. The employee's election to not be covered by the District's medical plan shall be made for one (1) year and may be renewed on a year to year basis upon submission of evidence of continued coverage under another qualifying medical plan. As an exception to the above, an employee, who elects not to be covered by the District's medical plan and who prior to the one (1) year period for making such election loses alternate qualifying medical coverage because of a change in marital status, will be eligible to participate in the District's medical plan on the first of the month following official notification to Human Resources of loss of coverage subject to the rules and regulations of the respective medical plan.

8.3 Section 125 of the IRS Code

The District will continue to have employee deductions for medical plan premiums and dependent care calculated on a pre-tax basis, consistent with current IRS regulations and requirements.

8.5 Retirees

For those employees hired prior to January 1, 2024, the District shall pay for dental coverage, in accordance with Section 8.4, for a retiree plus one dependent for those retirees with ten (10) or more full years of continuous service with the District, until the retiree attains age 65.

For those employees hired on or after January 1, 2024, the District shall not pay any portion of the retiree's dental coverage.

8.6 Eligibility

In order to be eligible for Medical, Dental, Life, and Long Term Disability Insurance an employee must have eighty (80) hours of pay credit during the two previous pay periods.

It is the employee's or retiree's sole responsibility to notify Human Resources of any change in status (e.g., marital or dependent change) which may affect the employee's benefit coverage or that of the employee's family within thirty (30) calendar days of the qualifying event. For the dental benefit described in Section 8.4, changes in status will be allowed to begin at the next open enrollment period when reported timely and in accordance with District procedures.

After one (1) month of employment, the District will provide each Division Director with a life insurance policy equal to one and one half the employee's annual salary (rounded to the nearest thousand) but no greater than one hundred and fifty thousand dollars (\$150,000). Eligible employees may elect additional life insurance coverage of an amount equal to the employee's annual salary (rounded to the nearest thousand) with the premium to be paid by the employee on a voluntary basis by payroll deduction. The District shall also provide for the Division Director's Accidental Death and Dismemberment Insurance (AD&D) in the amount of one hundred and twenty thousand dollars (\$120,000).

Mid-Managers:

After one (1) month of employment, the District will provide each eligible employee with a life insurance policy equal to the employee's annual salary (rounded to the nearest thousand) but no greater than one hundred thousand dollars (\$100,000). Eligible employees may elect additional life insurance coverage of an amount equal to the employee's annual salary (rounded to the nearest thousand) with the premium to be paid by the employee on a voluntary basis by payroll deduction. This additional life insurance coverage purchase may be made in whole or part at minimum increments of \$10,000, subject to agreement of the insurance provider.

8.8 Long Term Disability

The District will provide each eligible employee with long term disability insurance.

8.9 Vision Care

The District will reimburse employees for vision care expenses of the employee not covered by existing District health plans or any other insurance plan. The amount of said reimbursement shall not exceed three hundred and fifty dollars (\$350.00) in a fiscal year.

An employee may carry over any remaining monies for an accumulated total of seven hundred dollars (\$700).

There will be no employer payment of any part of the mandatory employee contribution for any other Unrepresented Employees.

Division Directors shall receive a 1.25% salary increase to offset the reductions to the Employer Paid Member Contributions set forth herein. These adjustments shall be additive to any salary increases provided pursuant to Section 6.1. For example, if the salary increase provided pursuant to Section 6.1 is 2% during this time period, the Division Director would receive a 3.25% increase.

Participation in the PERS plan and Social Security is mandatory.

8.10.2. The provisions below apply to all employees hired beginning January 1, 2013, and who do not qualify as ‘classic’ members of CalPERS.

There will be no employer payment of any part of the mandatory employee contribution. All other provisions shall be as required by the Public Employees' Pension Reform Act (PEPRA). Participation in the PERS plan and Social Security is mandatory.

An employee who is absent from work due to their own or a family member’s or designated person’s illness, injury or other medical condition must notify their supervisor of their absence within a reasonable time prior to the start of their scheduled shift. If an employee is unable to place a call, a friend or relative should be asked to contact the supervisor on behalf of the employee.
