**MARIN MUNICIPAL WATER DISTRICT**

**RESOLUTION NO.**

**RESOLUTION OF THE BOARD OF THE MARIN MUNICIPAL WATER DISTRICT  
AUTHORIZING INCREASES TO WATERSHED FINE SCHEDULE**

**WHEREAS**, an annual review of the current bail schedule was performed by Watershed Protection staff at the request of the Marin County Superior Court in accordance with the provisions of Penal Code § 1269b( c ) and Rule 4.102 of the California Rules of Court, for corrections, additions and changes; and

**WHEREAS**, prior to this review, a similar review of the bail schedule was performed in 2017, whereby the District’s Watershed Committee recommended the Board of Directors accept the Marin County Uniform Bail Schedule corrections and amounts (fine) increases for violations of the Marin Municipal Water District’s Title 9, Land Use Regulations, which was the last time there was a comprehensive review of these regulations, fines and fees; and

**WHEREAS**, revisions to the District’s watershed fine schedule were approved by the Board in 2022, 2017, 2010 and in 1999; and

**WHEREAS**, per Rule 4.102, the intent of the annual bail review is to achieve substantial uniformity of bail and penalties throughout the state, and the current review of the Marin County Bail Schedule shows that fines associated with watershed offenses listed as infractions and misdemeanors are generally in line with the amounts set by the court, and in addition to the court established penalties and fees the District may set a base fine that will be augmented by the associated court penalties and fees.

**NOW, THEREFORE, BE IT RESOLVED**, that the Board hereby adopts the Revised Schedule of Watershed Fines and Fees, attached hereto and made part hereof, which Revised Schedule will go into effect on January 1, 2025.
