Subject:	Dump Truck for Street Department – Consider Award of Bid and Declare Existing Dump Truck as Surplus
Background Information:	<p>The 2024 CIP includes funding for a new dump truck for the Street Department. Included in the packet are truck specifications. This truck is very similar to previously approved trucks.</p> <p>This item was presented to the Equipment Review Committee at their meeting on 03/11/2024.</p> <p>Bids were received on April 1, 2024. Two bids were received as shown on the attached bid tabulation.</p> <p>The trade-in for the existing unit is \$8,000. In lieu of trade-in, City staff is proposing to list the vehicle on Purple Wave Auction as we believe that we could get more for the existing dump truck from that site.</p>
Fiscal Impact:	The CIP includes \$239,000 for this purchase.
Alternative/ Variations:	No alternative actions recommended.
Recommendations:	that the City Council authorize City staff to purchase a 2025 Freightliner 114SD-Detroit from Truck Center Companies-Marshall of Marshall, Minnesota, in the amount of \$268,979.60, and adopt Resolution 24-042 to declare existing 2004 Sterling Dump Truck as surplus and list for sale on the Purple Wave Auction site.
