Attached is a map to identify the project area.</p> <p>This project consists of: include the complete reconstruction Lyon Circle and curb and gutter. Lyon Circle has been included in the 2023 CIP for complete reconstruction. The newly constructed road will be narrower than the current circle, a reflection of the very low traffic demand for the dead-end circle. In addition, sanitary sewer will be replaced and the water main in the circle will be extended to the end of the circle and a fire hydrant will be added to the dead end.</p>
Fiscal Impact:	The project is identified in our 2023 CIP at a total cost of \$178,951. All improvements are proposed to be assessed according to the current Special Assessment Policy, including but not limited to participation from Marshall Municipal Utilities, Wastewater Department, Surface Water Management Utility Fund and Ad Valorem participation.
