Subject:	Project ST-001-2026: Chip Sealing on Various City Streets - Consider Resolution Accepting Bid (Awarding Contract)																																																
Background Information:	<p>Bids were received on April 15, 2026, for the above-referenced project. Three bids were received as shown on the attached bid tabulation and resolution. The apparent low bid was received from Pearson Bros., Inc. of Hanover, Minnesota, in the amount of \$132,459.35. The engineer’s estimate for this project was \$153,717.</p> <p>Attached is a map showing the segments proposed for chip seal, and the routes are shown in tabular fashion below. Emphasis is given to newly reconstructed streets, State Aid routes, and re-seals of “newer” street sections. The goal of this program is to work to extend the life of our pavements, thereby deferring future capital improvements.</p> <p>The low proposal included all streets shown below (excluding “Alternate Streets”).</p> <table border="1" data-bbox="397 993 1490 1318"> <thead> <tr> <th colspan="4">BASE BID STREETS</th> </tr> <tr> <th>Street</th> <th>From-To</th> <th>Street</th> <th>From-To</th> </tr> </thead> <tbody> <tr> <td>Michigan Rd.</td> <td>N. Adding the alternates at an estimated cost of \$8,126.25 will bring the total project cost to \$140,585.60.</p>	BASE BID STREETS				Street	From-To	Street	From-To	Michigan Rd.	N.
