**RESOLUTION NUMBER 22-036**

**RESOLUTION APPROVING A STREET RECONSTRUCTION PLAN AND THE  
ISSUANCE OF GENERAL OBLIGATION STREET RECONSTRUCTION  
BONDS**

BE IT RESOLVED By the City Council of the City of Marshall, Lyon County, Minnesota (the “City”) as follows:

Section 1.     Background.

1.01.    The City is authorized under Minnesota Statutes, Section 475.58, subdivision 3b, as amended (the “Act”), to prepare a plan for street reconstruction or bituminous overlay of streets in the City over the next five years, which includes a description of the street reconstruction or overlay to be financed, the estimated costs, and any planned reconstruction or overlay of other streets in the City over the next five years. Pursuant to the Act, the City may issue general obligation bonds to finance the cost of street reconstruction activities described in such plan.

1.02.    Before the approval of the street reconstruction plan and the issuance of any bonds under the Act, the City is required to hold a public hearing on the plan and the issuance of bonds thereunder.

1.03.    Pursuant to the Act, the City has caused to be prepared a street reconstruction plan, entitled *Five-Year Street Reconstruction Plan for the City of Marshall, Minnesota 2022 through 2026* (the “Plan”), describing certain street reconstruction and overlay activities in the City and the estimated costs of the Plan over the five-year period covered by the Plan. The reconstruction activities described in the Plan include, but are not limited to the project designated by the City as the West Lyon Street (from College to 1<sup>st</sup> Street) Reconstruction Project (the “Project”).

1.04.    The City has determined that it is in the best interests of the City to authorize the issuance and sale of general obligation street reconstruction bonds pursuant to the Act in the maximum principal amount of \$400,000 (the “Street Reconstruction Bonds”), to finance the costs of the Project, as described in the Plan.

1.05.    On this date, the City Council held a public hearing on the Plan and the issuance of the Street Reconstruction Bonds, after publication of a notice of public hearing in the City’s official newspaper at least 10 days but no more than 28 days before the date of the public hearing.

Section 2.     Plan Approved.

2.01.    The City Council finds that the Plan will improve the City’s system of public roads, which serves the interests of the City as a whole.

2.02.    The Plan is approved in the form presented at the public hearing and on file at City Hall.

Section 3. Street Reconstruction Bonds Authorized.

3.01. The City Council authorizes the issuance of the Street Reconstruction Bonds in accordance with the Plan, in order to finance street reconstruction activities described in the Plan and costs of issuance of the Street Reconstruction Bonds, subject to further details regarding the sale and award of the Street Reconstruction Bonds to be set forth in resolutions to be considered by the City Council at subsequent meetings. City staff and consultants are authorized to take all actions necessary to negotiate the sale of the Street Reconstruction Bonds, subject to the contingency described in Section 3.02 hereof.

3.02. If a petition requesting a vote on the issuance of the Street Reconstruction Bonds, signed by voters equal to 5% of the votes cast in the last municipal general election, is filed with the City Clerk within 30 days of the date of the public hearing, the City may issue the Street Reconstruction Bonds only after obtaining approval of a majority of voters voting on the question at an election. The authorization to issue the Street Reconstruction Bonds is subject to expiration of the 30-day period without the City's receipt of a qualified petition under the Act, or if a qualified petition is filed, upon the approving vote of a majority of the voters voting on the question of issuance of the Street Reconstruction Bonds.

3.03. City staff are authorized and directed to take all other actions necessary to carry out the intent of this resolution.

Approved this March 8, 2022 by the City Council of the City of Marshall, Minnesota.
