

CITY OF MARSHALL AGENDA ITEM REPORT

Meeting Date:	Tuesday, June 23, 2020
Category:	NEW BUSINESS
Type:	INFO/ACTION
Subject:	Introduction of Ordinance amendment to permit some slaughtering of animals in butcher shops in general business district and industrial districts and permit landscaping business in general industrial district and Call for Public Hearing
Background Information:	<p>There is currently a business owner interested in opening a butcher shop in Marshall. Part of his operations would involve some limited slaughtering of animals. Staff reviewed the Ordinance and determined that no district currently allows slaughtering operations either as a permitted or conditional use. Considering that this type of business is relatively common, it makes sense to add it to appropriate zoning districts. Since slaughtering may seem objectionable in some circumstances, it is added as a conditional use in all districts to retain some control. It is also described as limited in General Business and Limited Industrial districts, mostly to convey the limited nature to applicants, as the final determination of the limitations would be established during the conditional use permit process based on location and other applicable factors. Most other cities do not explicitly list butcher shops in the ordinance.</p> <p>During the same review, it was determined that landscaping business is not listed in any of the zoning districts either. To correct this, it is suggested to add this type of use to general industrial district.</p> <p>Meat processing facilities were also added to the I-2 General Industrial district as a conditional use, since this use is not listed anywhere either. Several other cities allow stockyards, including slaughtering, in industrial districts as a conditional use.</p> <p>At the June 10, 2020, regular Planning Commission meeting Lee made a motion, second by Carstens to recommend to city council an approval as recommend by staff. All voted in favor of the motion.</p> <p>At the meeting on June 18, 2020, Legislative and Ordinance Committee voted to recommend to council the approval of the Ordinance amendment to permit some slaughtering of animals in butcher shops in general business district and industrial districts and permit landscaping business in general industrial district as recommended by staff.</p>
Fiscal Impact:	None.
Alternative/ Variations:	None.
Recommendations:	Staff recommends, based on L&O Committee input, that the Council introduce the Ordinance revisions amending Section 86-104 – general business district and 86-106 limited industrial district by adding butcher shops with limited slaughtering as a conditional use, and 86-107 general industrial district by adding butcher shops and meat processing plants as a conditional use and landscaping business as a permitted use and call for Public Hearing to be held on July 14, 2020
