

**CITY OF MARSHALL
AGENDA ITEM REPORT
PI/T – 08/08/2023**

Presenter:	Jason Anderson
Meeting Date:	Monday, August 14, 2023
Category:	NEW BUSINESS
Type:	ACTION
Subject:	Project ST-034: Intersection Control Evaluation (ICE) for Susan Drive and TH 59
Background Information:	<p>The intersection of Susan Drive just east of US59/Main Street is an important and busy intersection in our community. The intersection is quite wide and there are numerous travel lanes designated on each leg of the intersection. The intersection is further troubled by the “free” movements into the intersection coming off Main Street.</p> <p>The City Engineering Department is interested in seeking proposals from a consulting engineering firm to help analyze the intersection and to perform an Intersection Control Evaluation (ICE). The purpose of the evaluation will be to recommend geometric solutions for this intersection that improve traffic flow and safety for all users of the intersection.</p>
Fiscal Impact:	The City Engineering Department has \$20,000 budgeted for this work in the 2023 budget.
Alternative/ Variations:	No alternative actions recommended.
Recommendations:	Recommend City staff to seek proposals from selected consultants for ICE at Susan Drive intersection east of US 59/Main Street.
