<b>Type:</b>	ACTION
<b>Subject:</b>	Consider Authorization to Public Ways Department for the Purchase of John Deere 1585 Mowers from State Contract
<b>Background Information:</b>	<p>The Public Ways Department is requesting authorization for the purchase of 2 new 1585 John Deere 4-wheel drive, 72" front mount, right side discharge mowers with cab, A/C and heat under State contract or Source Well pricing, including trade-in of the following:</p> <ul style="list-style-type: none"> <li>- 2017 Kubota F3990 4WD with Cab, Heat and 72" Right Side Discharge Deck (1,715 hours)</li> <li>- 2015 Kubota F3990 4WD with Cab, Heat and 72" Right Side Discharge Deck (2,305 hours)</li> <li>- F5220B Kubota Snowblower</li> <li>- L2163 Kubota Broom</li> </ul> <p>This item was presented to the Equipment Review Committee on 04/29/2025.</p> <p>Because trade-in of current equipment is involved, City staff received quotes from C&amp;B Operations of Tracy and Kibble Equipment of Marshall. C&amp;B Operations provided a greater trade-in value, thus, a lower total amount to purchase.</p>
<b>Fiscal Impact:</b>	The 2025 Street Department CIP includes \$73,520 for this purchase of the mowers, including trade-in. The proposal from C&B Operations is \$70,011.74, accounting for trade-in.
<b>Alternative/ Variations:</b>	No alternative actions recommended.
<b>Recommendations:</b>	that the City Council authorize the purchase of the two mowers from C&B Operations in accordance with their included proposal that utilizes State Contract or Source Well Pricing.
