

CITY OF MARSHALL AGENDA ITEM REPORT

| | |
|---------------------------------|--|
| Meeting Date: | Tuesday, August 10, 2021 |
| Category: | AWARD OF BIDS |
| Type: | ACTION |
| Subject: | Project Z84: Legion Field Park River Stabilization Project – Consider Award of Bid. |
| Background Information: | <p>The Redwood River enters the Legion Field Park area adjacent to the park shelter in the southwest portion of the park. Over the last several years, the riverbank has eroded several feet closer to the park shelter facilities. Currently, the riverbank has eroded immediately behind the water fill spigot and bituminous apron around the park shelter.</p> <p>City Engineering staff has identified a stabilization project to reclaim some of the lost riverbank and reinforce the bank with riprap rock. Staff originally budgeted \$100,000 to perform riverbank stabilization at this location and another location adjacent to the bike path on the east portion of the park near the city pool entrance road. Staff removed the stabilization adjacent to the bike path to coordinate stabilization needs with potential bike path relocation due to the future aquatic center design.</p> <p>At the July 13, 2021 meeting, City Council authorized staff to advertise for bids.</p> <p>On August 4, 2021, bids were received for the above-referenced project. Three bids were received as shown on the attached bid tabulation. The apparent low bidder is A&C Excavating, LLC in the amount of \$37,163.50.</p> |
| Fiscal Impact: | <p>The project estimate was \$65,000, including contingency (10%) and engineering (16%) costs for this stabilization project. This project is identified in the 2021 CIP.</p> <p>Based on the bid results, the estimated total project cost, including 5% allowance for contingencies and 16% for engineering and administrative costs, is \$45,265.14.</p> |
| Alternative/ Variations: | No alternative actions recommended. |
| Recommendation: | that the Council authorize award of the project to A&C Excavating, LLC of Marshall, Minnesota in the amount of \$37,163.50. |
