

CITY OF MARSHALL AGENDA ITEM REPORT

Meeting Date:	Tuesday, August 13, 2019
Category:	NEW BUSINESS
Type:	ACTION
Subject:	Authorization to purchase squad cars for the Police Department.
Background Information:	<p>Police squad cars are the primary means for officers to respond to emergency services calls and for providing routine patrol within the city. Squad cars help officers meet the demands of their job and are where officers spend a significant amount of their time patrolling and utilizing the CIS/mobile system. In an effort to have a regular replacement plan for our fleet of 11 vehicles, the police department is asking the City Council to replace two (2) squad cars. Our goal would be to order the squad cars to ensure they are in service in 2020.</p> <p>The squads being replaced were put into service in 2015 and are 2016 Ford Explorers. It is anticipated the vehicles will have 100,000 + miles with 10,000 engine hours.</p> <p>The bid spec sheet followed by the Equipment Review Committee in past purchases was utilized with one addition. The POLICE ENGINE IDLE FEATURE was added. (\$245) This feature allows you to leave the engine running and prevents the vehicle from unauthorized use when outside of your vehicle. It allows the key to be removed from the ignition while the vehicle remains idling.</p> <p>Two bids were received based on the specs above from the Cooperative Purchasing Venture (State Bid) and KRUSE Ford.</p> <p>STATE BID PRICE (PER UNIT): \$32,788.56 2 UNITS= \$65,577.12</p> <p>KRUSE MOTORS (PER UNIT): \$32,980.00 2 UNITS= \$65,960.00</p> <ul style="list-style-type: none"> • KRUSE Ford estimated the delivery date for the squad cars would be 26 weeks from time of order (subject to change).
Fiscal Impact:	\$65,960.00 : Planned for in 2019 Capital Improvement Plan squad replacement (\$74,000)
Alternative/ Variations:	None
Recommendations:	Approve the purchase of two (2) squad cars and declare squads 1503 and 1508 as surplus property to be sold after two new squads are in service.
