Meeting Date:	Tuesday, September 1, 2026
Category:	NEW BUSINESS
Type:	ACTION
Subject:	Consideration for Sidewalk Markings on Downtown Sidewalks relating to Bicycle and Scooter Usage
Background Information:	This agenda item was previously discussed at the 07/14/2026 PI/T meeting in response to a recent Marshall Downtown Business Association (MDBA) meeting whereby members of the MDBA discussed placing A-frames on sidewalks to educate on the proper use of bicycles and scooters. Staff have also mentioned other options internally such as painted stencils. Staff would like feedback and potential action to further promote and support the discussion of the MDBA. At the prior meeting, the Committee recommended to allow the MDBA to install removable signage on sidewalks to further educate the public on the use of bicycles and scooters.
Fiscal Impact:	Minimal
Alternative/ Variations:	No alternative actions recommended.
Recommendations:	that the Committee authorize staff to paint a “Walk Your Wheels” logo from a stencil onto the public sidewalk in the locations that are identified in the attached exhibit.
