| Category: | PUBLIC HEARING |
| Type: | ACTION |
| Subject: | Conduct a public hearing on the request of Matt Schnoor for a Conditional Use Permit for a duplex in an R-1 District |
| Background Information: | <p>This is a request to have a single ownership duplex in an R-1 One Family Residence District.</p> <p>This building was built in 1975 as a single-family residence. In 1986 the owner (different from the current one) applied for a Conditional Use permit for a duplex. However, the request was denied because the lot size was not meeting Ordinance requirements, the windows were not adequate for egress, and the lower unit's only access/exit was through the garage. Despite denial, it seems that the past owners kept using the building as a duplex.</p> <p>In order to bring this building into compliance for rental registration, an approval of the Conditional use permit is necessary. All windows were replaced in 2004 and 2013, and the Ordinance is currently being amended to reduce lots' minimum size for duplexes. Construction to separate the lower unit's exit from the garage has been discussed with the current owner and is included as a condition for approval.</p> <p>The Conditional Use Permit regulations are found in Section 86-46 and the Standards for Hearing are found in Section 86-49.</p> <p>Please see attached Finding of Facts for more detailed information.</p> |
