

CITY OF MARSHALL AGENDA ITEM REPORT

Presenter:	Jason Anderson
Meeting Date:	Tuesday, September 8, 2026
Category:	CONSENT AGENDA
Type:	ACTION
Subject:	Project ST-029: E Street Reconstruction Project - Consider Resolution Ordering Preparation of Report on Improvement
Background Information:	Attached please find the resolution necessary for the initiation of the special assessment procedures for the above-referenced project. Attached is a map to identify the project area. This project consists of: reconstruction and utility replacement on E Street from East Main Street to East Lyon Street. All utilities will be replaced, including watermain, sanitary sewer, and storm sewer within the areas identified above. This project will include new water and sewer services to the right-of-way. Other items of work included in this project are pavement removal, aggregate base, bituminous surfacing, concrete driveways, sidewalks, curb and gutter and other minor work. This item was discussed at the Public Improvement/Transportation Committee at their meeting on 09/01/2026. Ordering the preparation of report is the first step for a special assessment project, whereby the City Council is requesting a feasibility study for the project. Initiating this report does not commit the City to a construction project.
Fiscal Impact:	All improvements are proposed to be assessed according to the current Special Assessment Policy, including but not limited to participation from Marshall Municipal Utilities, Wastewater Department, Surface Water Management Utility Fund and Ad Valorem participation. Final approval of the project must include determination of funding sources. E Street is a Municipal State Aid Street (MSAS) so staff is proposing to utilize MSAS funding to cover local costs that are not paid by the water or wastewater utilities.
Alternative/Variations:	No alternative actions recommended.
Recommendations:	that the Council adopt RESOLUTION NUMBER 26-059, which is the "Resolution Ordering Preparation of Report on Improvement" Project ST-029: E Street Reconstruction Project.
