

**CITY OF MARSHALL
AGENDA ITEM REPORT
L&O 9/10/24**

Presenter:	Ilya Gutman
Meeting Date:	Tuesday, September 10, 2024
Category:	NEW BUSINESS
Type:	ACTION
Subject:	Ordinance Amendment to Chapter 86, Article VI-1, Section 86-165 Structures in Residential Districts.
Background Information:	The current ordinance prohibits fuel tanks over 50 gallons in residential areas. This provision was intended to limit a possibility of using propane to heat the entire house, thus minimizing potential fire danger and unsightly appearance. On the other hand, smaller tanks were permitted to allow for enough fuel for a fireplace or garage heater in otherwise electrically heated houses. It was recently brought up that even a 100-gallon tank will not be enough to provide heat for the entire dwelling, making it reasonable to increase the maximum tank size to 100 gallons. Provision for screening it with a fence will stay.
Fiscal Impact:	None.
Alternative/ Variations:	None recommended.
Recommendations:	Staff recommends the recommendation to the City Council approving the revisions amending Sec. 86-165 Structures in Residential Districts to allow tanks up to 100 gallons.
