

CITY OF MARSHALL AGENDA ITEM REPORT

Presenter:	Quentin Brunsvold
Meeting Date:	Tuesday, October 14, 2025
Category:	CONSENT AGENDA
Type:	ACTION
Subject:	Emergency Response Services contract between Archer Daniels Midland Company (ADM) and the City of Marshall's Fire Department.
Background Information:	<p>Archer Daniels Midland Company (ADM) requested a formal agreement with the Marshall Fire Department to provide emergency services to their facility located at 400 West Erie Road, Marshall, MN. The agreement is specific to the event of a release or spill from the facility which affects the Redwood River.</p> <p>The Marshall Fire Department currently is responsible for responding to emergencies similar to this within our jurisdiction. Planning and preparedness measures are reviewed and currently trained on through the Marshall Fire Department for this type of event. Fire Department staff have provided input on the wording of the proposed contract with the ADM environmental manager and are confident they are capable of the response and equipment needed outlined in the agreement.</p> <p>ADM has agreed to compensate the City of Marshall \$9,500.00 for the services and preparation outlined in the contract agreement.</p>
Fiscal Impact:	Revenue of \$9,500.00
Alternative/ Variations:	
Recommendations:	Approval of the contract for emergency response services between ADM and the City of Marshall's Fire Department.
