RE: 2026 Sewer Rehabilitation Project (WW-001) – Bid Recommendation

Dear Mr. Anderson:

Bolton & Menk has completed its review of the bids received on February 26, 2026, for the 2026 Sewer Rehabilitation Project (WW-001). Below is a consolidated summary including Base Bid, Alternate Bid, Total Bid, and Engineer's Estimate for overall comparison.

Bidder	Base Bid	Alternate Bid	Total (Base+Alt)	Engineer's Estimate
SAK	\$1,033,161.80	\$66,750.00	\$1,099,911.80	\$1,282,127.00
Vortex	\$1,042,602.00	\$71,200.00	\$1,113,802.00	\$1,282,127.00
Insituform	\$1,120,239.52	\$74,166.37	\$1,194,405.89	\$1,282,127.00

SAK is the low bidder based on the Total Bid including the base bid and alternate bid conditions.

SAK is a pre-approved lining contractor and has the experience and performance record to successfully complete this work.

We recommend awarding the Base Bid and Alternate Bid to SAK and presenting this award at the upcoming Council meeting.

Sincerely,

Bolton & Menk, Inc.  
Mitchell R. Hoeft, P.E.  
Principal Engineer
