

CITY OF MARSHALL AGENDA ITEM REPORT

Presenter:	Preston Stensrud
Meeting Date:	Tuesday, May 26, 2026
Category:	AWARD OF QUOTES
Type:	INFO/ACTION
Subject:	Authorization to Purchase Shelter for at The Splash – Marshall Aquatic Park
Background Information:	<p>Late in 2025, Council authorized the purchase of playground equipment as an added amenity to the new aquatic facility. Staff mentioned as construction continues there may be other additions considered based on funding and budget.</p> <p>Staff received state contract pricing on a 16' x 20' shelter to be added near the playground to provide additional shade year-round. This would be accessible when the aquatic facility isn't open as well.</p> <p>An estimate was received from St. Croix Recreation of Stillwater, MN with state contract pricing in the amount of \$29,073.64. Some additional costs for footings and assembly will be needed as well. Due to fundraising, contingencies, and current budget for the project, staff feel this is a worthwhile addition to the facility and there is ample funding for it.</p> <p>More shade continues to be highly supported through surveys as part of our current parks master plan work.</p>
Fiscal Impact:	\$29,073.64 for purchase of the shelter, additional funding for installation but exact amounts unknown at this time. Estimating around \$15,000.
Alternative/Variations:	Don't move forward with the purchase of this shelter.
Recommendations:	Authorize staff to purchase the shelter from St. Croix Recreation and arrange installation upon arrival.
