

CITY OF MARSHALL AGENDA ITEM REPORT

Meeting Date:	Tuesday, October 12, 2021
Category:	NEW BUSINESS
Type:	ACTION
Subject:	Consider Proposal from TKDA for Predesign Study of the Snow Removal Equipment (SRE) and Aircraft Rescue Firefighting Facility (ARFF) at the Southwest Minnesota Regional Airport.
Background Information:	<p>Please find attached the TKDA Authorization for Predesign Study of the Snow Removal Equipment (SRE) and Aircraft Rescue Firefighting Facility (ARFF) at the Southwest Minnesota Regional Airport. This study will provide the City of Marshall with the necessary justification and formulation to construct a SRE Maintenance Facility in the near term, and also a framework for future expansion to include firefighting and rescue facilities on the airport.</p> <p>The study will provide the necessary next steps to determine funding eligibility and layout for the SRE Maintenance Facility, which is planned for design in 2022, and construction in 2023. This study is a required first step to identify funding sources and prove funding eligibility to FAA and MnDOT Aeronautics. The study may be eligible for reimbursement utilizing MML FAA entitlements along with the design work during 2022. TKDA will work with the FAA to include these costs in that design grant to the extent possible.</p> <p>TKDA presented this proposal to the Airport Commission on October 5, 2021.</p>
Fiscal Impact:	The proposed cost of predesign services is \$35,000. Attached is a copy of the current CIP for the Airport.
Alternative/ Variations:	No alternative actions recommended.
Recommendation:	that the Council authorize acceptance of the Proposal for Predesign Study of the Snow Removal Equipment (SRE) and Aircraft Rescue Firefighting Facility (ARFF) at the Southwest Minnesota Regional Airport with TKDA in the amount of \$35,000.00.
