Meeting Date:	Monday, November 10, 2025
Category:	NEW BUSINESS
Type:	ACTION
Subject:	Introduction of an Ordinance Amending Ch. 22, Article VIII, Section 225 Limits on Registrations
Background Information:	<p>The city council originally passed an ordinance requiring the registration of tribal cannabis retailers, but those tribal cannabis retailers would not count toward the number of available city registrations. The Office of Cannabis Management provided conflicting information at the time the ordinance was originally crafted and passed.</p> <p>The tribal compacts are officially available on the Office of Cannabis Management (OCM) website. The City Attorney after review of the compacts and updated OCM guidance determined that the ordinance for registration of Cannabis Retailer Businesses is no longer accurate. Tribes operating a retail location off reservation due to a compact do <u>not</u> need to register with a municipality, but that tribal retail store may now count toward the number of available city registrations.</p>
