

PI/T – 10/02/2025
AGENDA ITEM REPORT

Presenter:	Jason Anderson
Meeting Date:	Thursday, October 2, 2025
Category:	NEW BUSINESS
Type:	ACTION
Subject:	Marshall Main Lift Renovation
Background Information:	<p>The Main Lift Station is located on Kossuth Street, in Justice Park. The facility was constructed in 1972, and continues to operate with original pumps. This lift station has served for over 50 years without major rehabilitation.</p> <p>The proposed lift station renovation project includes:</p> <ul style="list-style-type: none"> - Removal of four vertical close coupled solids-handling pumps - Installation of four new vertical close coupled solids-handling pumps - Installation of new piping in the drywell structure. This includes new pump inlet and outlet isolation, 16" plug valves, and new 16" rubber flapper check valves - Installation of new power and control wiring between the existing motor control center and the new pumps - Painting of new valves and piping - Replacement of the diversion sluice gate - Demolition of the abandoned lift station structure that is adjacent to Main Lift Station - Bypass pumping during renovation work
Fiscal Impact:	The current cost estimate is \$1,260,000.
Alternative/ Variations:	No alternative actions recommended.
Recommendations:	Recommend to City Council the authorization to advertise this project for bids.
