

AMENDMENT TO AGREEMENT

Project: Marshall Aquatic Center – Phase 1**Stockwell Project No.:** 21045

This is an Amendment to the Agreement for Professional Services (hereinafter "Agreement") dated May 21, 2021, by and between **STOCKWELL ENGINEERS, INC.**, 801 North Phillips Avenue, Suite 100, Sioux Falls, SD 57104, (hereinafter "Engineer") and **CITY OF MARSHALL**, (hereinafter "Client"), for the above mentioned project. Revisions to the Agreement are as described below.

Client City of Marshall
344 W Main Street
Marshall, MN 56258

Amendment No. 3**Attachments:** Rendering of revised design & jet video.

Scope of Services: Client hereby agrees to retain Engineer to perform the following Services to create a more dynamic Splash Pad with control sequences for certain jets and other splash play features per direction from donor and Owner after 60% design submittal approval. Jet sequences would create a timed and sequenced pattern throughout the splash pad of variable ground spray heights that give the appearance of moving water throughout the splash pad, similar to destination plaza fountains. Work necessary to complete the design involves adding additional control panels, additional valves, additional valve vault, and redesign of splash pad spray features and patterns to provide space for the variable water jets.

Compensation: In consideration of the change in Work, compensation shall be amended as follows:

Original Agreement Amount:	\$193,200.00
Net Previous Amendments (No. 1 thru 2):	\$2,019,100.00
Current Agreement Amount:	\$2,212,300.00
Change this Amendment:	\$18,000.00
New Agreement Amount:	\$2,230,300.00

Client and Stockwell hereby amend the Agreement as set forth within. In all other respects, the original Agreement is to remain unchanged and in full force between the undersigned.

IN WITNESS WHEREOF, this Agreement is accepted on the date last written below, subject to the terms and conditions above stated and the provisions set forth herein.
