<b>Subject:</b>	Call for Public Hearing to Consider Granting a Franchise Agreement with Minnesota Energy Resources and Introduction of the Ordinance
<b>Background Information:</b>	<p>Minnesota Energy Resources was approached by Duininck Inc. to receive service of natural gas to their location along North Seventh Street. Under Chapter 10 of the City Charter a franchise is required to “place or maintain any permanent or semi-permanent fixtures in, over or under any street or public place for the purpose of operating a public utility...” and can only be granted by ordinance.</p> <p>The Public Works Director and City Clerk have been in talks with Minnesota Energy Resources and have worked with Robert Vose of Kennedy and Graven along with City Attorney Whitmore to modify our current franchise agreement with Great Plains Natural Gas to fit the request of Minnesota Energy Resources. The franchise agreement proposal is nearly identical to the Great Plains Natural Gas agreement with the largest change being an authorized service area for Minnesota Energy Resources along North Seventh Street, instead of having access to the entire city limits. The service area can be reviewed and expanded if Minnesota Energy Resources receives new requests for service that does not interfere with existing facilities.</p>
<b>Fiscal Impact:</b>	
<b>Alternative/ Variations:</b>	
<b>Recommendations:</b>	To introduce the ordinance for a franchise agreement with Minnesota Energy Resources and call for a public hearing to be held on July 23, 2024.
