

## CITY OF MARSHALL PI/T - AGENDA ITEM REPORT

<b>Presenter:</b>	Jason Anderson
<b>Meeting Date:</b>	Tuesday, November 28, 2023
<b>Category:</b>	NEW BUSINESS
<b>Type:</b>	INFO/ACTION
<b>Subject:</b>	No Parking on W Saratoga Street (near S 6th Street Intersection)
<b>Background Information:</b>	<p>West Saratoga Street and South 6<sup>th</sup> Street are frequently used for a detour route for downtown events. This creates numerous times a year where significant truck traffic is expected to negotiate this intersection. Traffic movements are hampered by the significant amount of on-street parking around this intersection. With Turkey Valley Farms nearby, there is a lot of on-street parking that blocks adequate sight at this intersection.</p> <p>In addition to the area being constrained during detours, we also have received complaints from drivers in this area about the parked vehicles blocking sight lines.</p> <p>Staff is proposing to sign “No Parking” around this intersection as identified in the included exhibit.</p>
<b>Fiscal Impact:</b>	
<b>Alternative/Variations:</b>	No alternative actions recommended.
<b>Recommendations:</b>	that the Public Improvement/Transportation Committee recommend to Council the installation of “No Parking” signs as shown at a future date.
