

# MARSHALL COMMUNITY CONNECTORS

## NEW TO MARSHALL?

Moving to a new community can be difficult. Our Community Connectors program is a resource for new residents to learn and engage in the Marshall community. Each new resident will be paired with a Community Connector who will provide insight and create a lasting connection to help your transition into the community.

## HOW IT WORKS

### Complete the Survey

Complete a short survey about your interests, priority areas, and general information to build your connector profile.

### Get Connected

The program facilitator will use your results to connect you with a current Marshall resident who can provide valuable information for your transition.

### Enjoy the Experience

Whether it's a phone call, email or in-person meeting, enjoy learning from your Community Connector who can live, work and play in Marshall.

## Want to become a Community Connector?

Local residents are encouraged to become a Connector to help provide valuable information to new residents. There is no financial commitment, and flexible time commitment. The only requirement is a willingness to be available for questions. Thank you for doing your part to make Marshall grow and thrive!
