

## CITY OF MARSHALL AGENDA ITEM REPORT

<b>Meeting Date:</b>	Monday, January 3, 2022
<b>Category:</b>	PUBLIC HEARING
<b>Type:</b>	INFO/ACTION
<b>Subject:</b>	Public Hearing and Adoption of Amendments and Revisions to Various Ordinance Sections.
<b>Background Information:</b>	<p>These revisions were inspired by zoning issues and are related to them. Lack of building numbers (addresses) is a big problem for the City Fire Department and, most likely, for other emergency services, let alone pizza delivery. An amendment will require an address at the back of the building facing an alley, which will provide a helpful reference point. Staff is trying to encourage address numbers placement on all buildings and requires them with all building permits. When sign ordinance revisions are adopted in the near future, it will be easier to complete this work.</p> <p>The street names come up often in the permitting process. Proposed changes will make the naming system more consistent and easier to implement in the future for new subdivisions. Of course, all existing names will stay and will not be changed.</p> <p>Parking regulations for trailers and boats are always a point of contention. These provisions overlapped with similar zoning regulations, which have been recently changed to just referencing Article V of Chapter 74 Stopping, Standing, and Parking to avoid duplication and possible inconsistency. The proposed changes are relaxing some requirements for RV's parking in residential areas by allowing to park them on the street for 48 hours rather than 24 hours, while extending their use season deeper into fall and spring; they will also allow parking in the front yard on one's driveway provided an RV doesn't project into public right of way.</p> <p>Additionally, staff recommends removing several locations from the winter parking regulations and other parking regulations section as identified in Sec. 74-130 (b) and (c). These proposed parking regulation adjustments were presented to PI/T on 11/22/2021 and L&amp;O on 12/07/2021. Are changes to parking regulations were also reviewed with, and approved by, the City Police Department and Street Department.</p> <p>Finally, a new section is added that requires that dead and damaged trees be removed and gives the city the right to remove them if the owner refuses to do it, similar to the ordinance about tall grass.</p> <p>At the meeting on December 7, 2021, these changes were presented to L&amp;O, which recommended approval to the Council with a couple minor revisions.</p> <p>The Ordinance amending Sec. 18-1 Building numbers, Sec. 66-104 Street names and subdivision names, Sec. 74-118 Overnight parking in residential area, Sec. 74-130 Snow emergency routes, winter parking regulations, and other parking regulations, and Sec. 74-131 Parking and storage of boats, trailers, recreational vehicles, and others on residential lots, and adding Sec. 82-2 Dead trees was introduced at the December 14, 2021, City Council meeting.</p>
<b>Fiscal Impact:</b>	None.
<b>Alternative/ Variations:</b>	None.
<b>Recommendations:</b>	that the Council close the public hearing on the Ordinance amending Sec. 18-1 Building numbers, Sec. 66-104 Street names and subdivision names, Sec. 74-118 Overnight parking in residential area, Sec. 74-130 Snow emergency routes, winter parking regulations, and other parking regulations, and Sec. 74-131 Parking and storage of boats, trailers, recreational vehicles, and others on residential lots, and adding Sec. 82-2 Dead trees.
