

CITY OF MARSHALL AGENDA ITEM REPORT

Meeting Date:	Tuesday, January 11, 2022
Category:	NEW BUSINESS
Type:	ACTION
Subject:	Project ST-003: South 1 st Street/Greeley Street/Williams Street Reconstruction Project - Consider Resolution Approving Plans and Specifications and Ordering Advertisement for Bids.
Background Information:	<p>This project consists of: reconstruction and utility replacement on South 1st Street from George Street to Greeley Street, on Greeley Street from West College Drive to Saratoga Street, and on Williams Street from Maple Street to George Street; sanitary sewer, watermain, and storm sewer will be replaced. This project will also include new curb & gutter, new 5-ft. sidewalk on one or both sides of the streets, driveway aprons, water services, and sewer services to the right-of-way.</p> <p>The proposed project is included in the 2022 capital improvement plan (CIP) for complete reconstruction of the street, curb, driveways, water system, storm water system, and sanitary sewer collection system. This project will tie-in near George Street where the 2020 South 1st Street project finished.</p> <p>Nearly the entire project area consists of 4" ductile iron water main, which is undersized and does not provide adequate fire protection. The sanitary sewer reconstruction will replace clay sewer pipe with PVC pipe, and the storm water reconstruction will largely consist of replacing inlets at existing capture points. It is likely that the number and size of inlets will be increased to help improve storm water intake due to large contributing drainage areas.</p> <p>The street width of South 1st and Greeley Street is proposed to be 38-FT as measured from back of curb; this is equivalent to the 2020 South 1st Street project. The street width of Williams is proposed to be 29-FT as measured from back of curb; this matches the existing width.</p> <p>The plans and specifications have been prepared by City staff for the above-referenced project. If the City Council decides to proceed with this project, a resolution has been prepared approving the plans and specifications and ordering advertisement for bids.</p>
Fiscal Impact:	The engineer's estimate for the construction portion of the project is \$1,930,000. The total estimated project cost, including 10% allowance for contingencies and 16% for engineering and administrative costs is \$2,463,000. All improvements will be assessed according to the current Special Assessment Policy, including but not limited to participation from Marshall Municipal Utilities, Wastewater Department, Surface Water Management Utility Fund and Ad Valorem. Final approval of the project must include determination of funding sources.
Alternative/ Variations:	No alternative actions recommended.

Recommendation:

that the Council adopt the Resolution 22-008, which is the “Resolution Approving Plans and Specifications and Ordering Advertisement for Bids” for Project ST-003: South 1st Street/Greeley Street/Williams Street Reconstruction Project.

RESOLUTION NUMBER 22-008

**RESOLUTION APPROVING PLANS AND SPECIFICATIONS
AND ORDERING ADVERTISEMENT FOR BIDS**

WHEREAS, pursuant to a resolution passed by the council on December 14, 2021, the City Engineer has prepared plans and specifications under the following project in the following location and has presented such plans and specifications to the Council for approval.

PROJECT ST-003: SOUTH 1ST STREET/GREELEY STREET/WILLIAMS STREET RECONSTRUCTION PROJECT -- This project consists of: reconstruction and utility replacement on South 1st Street from George Street to Greeley Street, on Greeley Street from West College Drive to Saratoga Street, and on Williams Street from Maple Street to George Street; sanitary sewer, watermain, and storm sewer will be replaced. This project will also include new curb & gutter, new 5-ft. sidewalk on one or both sides of the streets, driveway aprons, water services, and sewer services to the right-of-way.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF MARSHALL, MINNESOTA:

1. Such plans and specifications, a copy of which is attached hereto and made a part hereof, are hereby approved.
2. The City Clerk shall prepare and cause to be inserted in the official newspaper, the Marshall Independent, in Finance & Commerce, on the City of Marshall website, eGram, and on the Mn/DOT eAdvert website, an advertisement for bids upon the making of such improvement under such approved plans and specifications. The advertisement shall be published two times in the Marshall Independent, one time in Finance & Commerce, and continuously on the City of Marshall website, eGram and the Mn/DOT eAdvert website until the date of bid opening, shall specify the work to be done, shall state the date, time and place that the bids will be received by the City Clerk, which time they will be publicly opened by the City Clerk and Director of Public Works/City Engineer, will then be tabulated, and will indicate the date, time and place time that the bids will be considered by the City Council. Any bidder whose responsibility is questioned during consideration of the bid will be given an opportunity to address the Council on the issue of responsibility. No bids will be considered unless sealed and filed with the City Clerk and accompanied by a cash deposit, cashier's check, bid bond or certified check payable to the City Clerk for 10 percent of the amount of such bid.

Passed and adopted by the Council this 11th day of January, 2022.

Mayor

ATTEST:

City Clerk

This Instrument Drafted by: Director of Public Works/City Jason R. Anderson, P.E.
