

**CITY OF MARSHALL
AGENDA ITEM REPORT
L&O 3/16/26**

Presenter:	Ilya Gutman
Meeting Date:	Monday, March 16, 2026
Category:	NEW BUSINESS
Type:	ACTION
Subject:	Ordinance amendment to Table 86-185 Sign limitations
Background Information:	This is a minor change that will allow people to keep their small temporary signs longer than currently allowed. Generally, all temporary signs are limited to 14 consecutive days and 60 days total in a year. However, while discussing a specific situation, staff concluded that there is no harm in allowing people to keep a single small cardboard sign placed next to their houses for longer. Such signs may be favorite team recognition, dance club promotion, or even a political message.
Fiscal Impact:	None.
Alternative/ Variations:	None recommended.
Recommendations:	Staff recommend the recommendation to the City Council approving the revisions amending Table 86-185 Sign limitations as recommended by staff.
