

CITY OF MARSHALL AGENDA ITEM REPORT

Presenter:	Jason Anderson
Meeting Date:	Tuesday, April 8, 2025
Category:	NEW BUSINESS
Type:	ACTION
Subject:	Municipal State Aid Street (MSAS) Review – 1) Consider Resolution Revoking Municipal State Aid Streets; 2) Consider Resolution Establishing Municipal State Aid Streets
Background Information:	<p>The attached resolutions will revise the streets that are designated for Municipal State Aid. MSAS streets are eligible for State financing for construction and major maintenance items.</p> <p>A street may be selected as a MSAS route if it is projected to carry heavier traffic or is identified as a collector or arterial on the city’s functional classification plan, if it connects points of major traffic interest, and if it provides an integrated and coordinated highway and street system. The street must terminate on another Municipal State Aid Street, County State Aid Highway, County road, or a State highway.</p> <p>The recommended revisions will accomplish this goal, while allowing the City to use Municipal State Aid money for these routes.</p> <p>In 2025, our total MSAS allocation is \$1,055,860. Of this allocation, \$422,992 is attributed to our population and \$632,868 is attributed to our system “needs”. With 20.06 miles currently dedicated as MSAS, we receive \$52,635 per mile in funding.</p> <p>Out of our \$1,055,860, we allocate \$29,160 to general maintenance. These general maintenance dollars are revenue to the Street Department budget. An additional \$47,600 is applied to bond interest for the 2021 MSAS overlay project, leaving \$979,100 for our 2025 construction account.</p> <p>A summary of the proposed revisions is attached for your review. A map designating Municipal State Aid streets is also provided.</p> <p>At the Public Improvement/Transportation Committee meeting on 03/25/2025, motion by Schafer, second by Alcorn that the Committee recommend to City Council the approval of the attached resolutions making revisions to the State Aid routes. All voted in favor. The motion passed 3:0.</p>
Fiscal Impact:	No cost to make these changes. Changes will slightly increase our annual MSAS allocation.
Alternative/ Variations:	No alternative actions recommended.
Recommendations:	<p>that the Council adopt RESOLUTION 25-033, which is the “Resolution Revoking Municipal State Aid Streets”.</p> <p>that the Council adopt RESOLUTION NUMBER 25-034, which is the “Resolution Establishing Municipal State Aid Streets”.</p>
