

CITY OF MARSHALL AGENDA ITEM REPORT

Meeting Date:	Tuesday, July 13, 2021
Category:	CONSENT AGENDA
Type:	ACTION
Subject:	Project Z84: Legion Field Park River Stabilization Project – Consider Authorization to Advertise for Bids.
Background Information:	<p>The Redwood River enters the Legion Field Park area adjacent to the park shelter in the southwest portion of the park. Over the last several years, the riverbank has eroded several feet closer to the park shelter facilities. Currently, the riverbank has eroded immediately behind the water fill spigot and bituminous apron around the park shelter.</p> <p>City Engineering staff has identified a stabilization project to reclaim some of the lost riverbank and reinforce the bank with riprap rock. Staff originally budgeted \$100,000 to perform riverbank stabilization at this location and adjacent to the bike path on the east portion of the park near the city pool entrance road. Staff removed the stabilization adjacent to the bike path to coordinate stabilization needs with potential bike path relocation due to the aquatic center design.</p> <p>This memo is intended to introduce the project and authorize staff to advertise for bids. Staff is planning an August 4, 2021 bid opening date with an award recommendation to Council at the August 10, 2021 meeting.</p>
Fiscal Impact:	An estimated cost of \$65,000 including contingency (10%) and engineering (16%) costs for this stabilization project. This project is identified in the 2021 CIP.
Alternative/ Variations:	No alternative actions recommended.
Recommendation:	that the Council authorize advertisement for bids for Project Z84: Legion Field Park River Stabilization Project
