

CITY OF MARSHALL AGENDA ITEM REPORT

Presenter:	Jason Anderson
Meeting Date:	Tuesday, March 24, 2026
Category:	CONSENT AGENDA
Type:	ACTION
Subject:	Consider Request of Marshall Downtown Business Association for Shades of the Past Car Club for Roll-In on May 7, 2026 (Thursday)
Background Information:	<p>The City has received the attached request from the Marshall Downtown Business Association in partnership with Shades of the Past Car Club for street closure on Main Street from College Drive (intersection of T.H. 19 & T.H. 59) northwest to North 5th Street, including N 3rd Street from Main Street to W Lyon Street, for a Spring Car Roll-In on Thursday, May 7, 2026, from 3:00 pm-8:00 pm. This event will be similar to the previous events.</p> <p>A copy of the detour plan is attached. For 2026, City staff is proposing a detour plan that utilizes other State highways. This differs from past detour plans that have utilized the local street network. Because this closure occurs during the middle of a workday and covers the evening rush traffic, the traffic can overwhelm our local street network.</p> <p>Upon approval of the City Council, the request will be forwarded to Mn/DOT for their approval of the State permit.</p>
Fiscal Impact:	None
Alternative/Variations:	that the Council discuss alternative street locations and sites.
Recommendations:	that the Council authorize the Marshall Downtown Business Association in partnership with the Shades of the Past Car Club for Roll-In to be held on Thursday, May 7, 2026, subject to Mn/DOT approval of detour and issuance of permit.
